File:

20201229 FlashPoint - Hope Is Not Lost! Featuring  
Attorney Sidney Powell

(Excerpt 16:00 minutes to 59:19.)

1           REPORTER: All right. I want to bring in  
2 our special guest, via telephone, Attorney Sidney  
3 Powell -- attorney. Welcome to the program.

4           SIDNEY POWELL: Oh, thank you so much. I'm  
5 honored to join you.

6           MARIA BARTIROMO: Okay. Sidney, we -- we  
7 are looking for hope out there, and I know you can  
8 only talk about some things, and we want to  
9 respect that.

10           But what is it you want to tell to the --  
11 the good people of America, the bible-toting  
12 conservative Christians that are looking for  
13 something to happen; give us some hope.

14           SIDNEY POWELL: Well, I think everybody out  
15 there listening now needs to stand up and make  
16 their voices heard. I just caught a little bit of  
17 the person speaking right before I came on, and I  
18 agree with absolutely everything he said.

19           But I think one of the things that needs to  
20 happen immediately, and I -- I would like to see  
21 it happen this Sunday, is for absolutely every  
22 church in the country to open up, and everybody go  
23 and take their masks off, if they want to or not;  
24 but open the church doors and go to church  
25 everywhere across this country. They cannot

1 arrest 75 million Christians.

2 REPORTER: Right. That's good. Act- --  
3 absolutely.

4 All right. Okay. Attorney Powell, I have  
5 a question for you: As far as President Trump  
6 retaining the presidency in this whole election  
7 debacle that's happened, what are the viable paths  
8 that we have now to see that happen?

9 SIDNEY POWELL: Well, there are multiple  
10 cases pending in the Supreme Court that has --  
11 done nothing with, we have four states in play on  
12 our petitions for emergency mandamus to ask the  
13 Court to decertify Arizona, Michigan and Wisconsin  
14 and Georgia, because of all the massive fraud  
15 there.

16 We have filed documents on each of them.  
17 You can go to [defendingtherepublic.org](http://defendingtherepublic.org) to see the  
18 documents, including the exhibits and the evidence  
19 that we filed with each one of those cases. Or  
20 the website Kraken, K-R-A-K-E-N, [hyphen wood.com](http://hyphenwood.com);  
21 which is a news aggregation site that Lin Wood and  
22 I started to try to get the truth out to people.

23 And Twitter will not even allow you to link  
24 that website in a tweet, and they -- they shut it  
25 down the very first night. We got 100,000

1 followers the very first night we set up the  
2 Twitter account for it, and told people that it  
3 was there; so they shut the Twitter down, and they  
4 shut down the -- any ability to link that website  
5 on Twitter.

6 REPORTER: All right. We -- we're going to  
7 get that website put up there so we can make sure  
8 our viewers can see that. And -- and, of course,  
9 good that --

10 SIDNEY POWELL: But a -- another -- another  
11 thing is to -- I think everybody needs to start  
12 getting out in front of the homes of their state  
13 legislators and making it clear in the swing  
14 states that they want those elections decertified.  
15 The electors for Biden should not be allowed to  
16 participate in the electoral college vote in any  
17 way, shape or form.

18 We've also filed a lawsuit against Vice  
19 President Pence in his official capacity, because  
20 we want to make sure he knows, and the law is  
21 clear, that he has the authority to reject any  
22 electors at all under the 12th Amendment to the  
23 United States Constitution; that we just filed  
24 last night late in the Eastern District of Texas.  
25 Congressman Louie Gohmert is the Plaintiff, along

1 --

2 REPORTER: Right.

3 SIDNEY POWELL: -- with a number of -- a --  
4 Arizona electors for President Trump. And the  
5 fraud everywhere is just so outrageous. I'm  
6 pretty sure they ran the algorithm to flip two  
7 points of the votes from Trump to Biden almost  
8 everywhere across the country. Certainly they did  
9 it everywhere on Dominion.

10 There's already a -- a published report  
11 from the Antrim County, Michigan investigation,  
12 the only place we were allowed to examine the  
13 machines, that show that that's exactly what  
14 happened. And the vote in all the Dominion areas  
15 was 5.6 percent or so higher for Biden than any  
16 other areas in the country. And that would be  
17 attributable to that algorithm.

18 I think the algorithm may have been run on  
19 other systems, too. It's not just Dominion,  
20 because they all use the same software, and -- and  
21 can do the same things.

22 REPORTER: So it --

23 SIDNEY POWELL: For states that think they  
24 are solid on --

25 REPORTER: Right.

1           SIDNEY POWELL:  -- other machines may not  
2  -- may very well not be, we just don't know.  And  
3  I think if they did not have something to hide,  
4  they should allow the audit of any machines  
5  anybody wants to audit, frankly, anywhere in the  
6  country, because we're supposed to have open  
7  transparent elections in this country.  Federal  
8  law requires that the voting records and  
9  everything respecting any kind of national  
10 election, all those records be kept for 22 months  
11 under penalty of going to prison --

12           REPORTER:  Wow.

13           SIDNEY POWELL:  -- for up to a year, and  
14 being fined in a criminal prosecution.  And for  
15 people to have destroyed any ballots or any  
16 records, that is a -- a one-year penalty.

17           REPORTER:  Yeah, absolute- --

18           SIDNEY POWELL:  The reason we have that is  
19 because it's so important that our elections be  
20 completely trustworthy and transparent.  That's a  
21 hallmark of the rule of law; in a free society,  
22 we're supposed to be one person, one vote.  One  
23 citizen, one vote.

24           REPORTER:  So let me ask about January 6th.  
25 Everybody's talking about that's the big day, you

1 know, with the Electoral College. What if things  
2 don't get -- is that really the end of the -- the  
3 path or is January 20th even the end of the path?  
4 If we discover that there's much more fraud, and  
5 it finally comes to light and we're actually ab-  
6 -- people actually listened to the cases; is it  
7 possible that President Trump would be back  
8 President Trump after January 20th, or is it  
9 really -- is that kind of our hard cut-off date?

10 SIDNEY POWELL: Well, it -- it's definitely  
11 possible, because the Supreme Court can do what it  
12 wants to do, but it gets more difficult the longer  
13 it takes. The President has all the authority he  
14 needs now under the executive order that was  
15 issued in 2018 on election interference from a  
16 foreign power, there's so much evidence of that,  
17 we put out a 270-page explanation of all of it.  
18 And -- and that's published now on kraken-wood.com  
19 and defendingtherepublic.org. And I think  
20 probably at sidneypowell.com, too; trying to make  
21 it as available as we can to people, so they can  
22 see all the incredible evidence of foreign  
23 interference in the election.

24 And, in fact, the FBI and the CISA agency  
25 documented it.

1           REPORTER: All right. John Graves, I -- I  
2 want to pitch this over to you, John. I know you  
3 have a question for Sidney Powell.

4           JOHN GRAVES: Yeah. To me, Sidney, what  
5 happens -- I know it gets harder and harder with  
6 each one of these, let's say that some -- on the  
7 6th that what Pence does, is sends it to the two  
8 chambers, they debate for two hours, and can more  
9 evidence come there because the courts lack the  
10 political will to let people see the evidence, can  
11 one senator get the evidence out or are there  
12 McConnells of the world going to crush this?

13           SIDNEY POWELL: I -- I wish I knew all the  
14 answers --

15           JOHN GRAVES: Yeah.

16           SIDNEY POWELL: -- to those questions.  
17 There are so many different possibilities. Vice  
18 President Pence should simply refuse to accept the  
19 illegal electors, the electors from the states in  
20 which there was demonstrable significant fraud.  
21 And if he does that, then it would have to go for  
22 President Trump.

23           REPORTER: Yeah. So -- but at that point  
24 it splits between the two chambers, they debate  
25 for at least two hours, but if there's very few

1 senators stepping forward in this case, do you  
2 think -- because there's a lot of opinions out  
3 there, Pence has the authority with these dueling  
4 electors to say, look, they sent dueling electors  
5 here, we're just going to disqualify them all,  
6 which immediately triggers the 12th Amendment.

7 Is that a possibility the way you see this  
8 working?

9 SIDNEY POWELL: Well, I -- I think the  
10 possibility is that he has the actual ability to  
11 select the President himself by virtue of  
12 disregarding --

13 JOHN GRAVES: Jefferson --

14 SIDNEY POWELL: -- the illegal electors.

15 REPORTER: Right. So --

16 JOHN GRAVES: Yeah, Jefferson did that in  
17 --

18 SIDNEY POWELL: And, in fact, Thomas  
19 Jefferson -- Thomas Jefferson did that when he  
20 became President. He was actually --

21 JOHN GRAVES: Exactly.

22 SIDNEY POWELL: -- Vice President at the  
23 time, as I recall, and then counted the electoral  
24 votes --

25 JOHN GRAVES: And Georgia was involved,

1 actually.

2 SIDNEY POWELL: -- himself. Yeah.

3 JOHN GRAVES: That -- that is exactly  
4 right.

5 REPORTER: So what about Vice President  
6 Pence, I -- I know that on this network and  
7 Christians all around the world, especially here  
8 in America, we're -- we're all praying for Vice  
9 President Pence, because there's got to be an  
10 immense amount of pressure on him.

11 Is there anything that we can -- you can  
12 reveal to us there with him, and where things are  
13 at, and what he's thinking?

14 SIDNEY POWELL: No, I don't know what he's  
15 thinking. I was hoping that his counsel might  
16 agree to expedite our lawsuit on these very legal  
17 issues that we're discussing right now, to make it  
18 clear that he has that authority, and get that all  
19 wrapped up so that there no- -- there's no doubt  
20 about it on the 6th, but they've asked for longer  
21 to brief it.

22 And right now we have a motion to expedite  
23 the briefing schedule pending in front of the  
24 Judge in Texas that has the case.

25 I think everybody needs to pray that Vice

1 President Pence has the strength and wisdom and  
2 courage, because I don't see how any good  
3 Christian could certify a fraudulent election.  
4 And there is so much evidence of fraud; we haven't  
5 even begun to compile all of it. It's absolutely  
6 massive.

7 We get more every day. I'm still drinking  
8 information through a fire hose that supports  
9 nothing but an extraordinary criminal fraud to  
10 destroy the republic of the United States of  
11 America. It's not about President Trump, it's  
12 about --

13 REPORTER: Right.

14 SIDNEY POWELL: -- the future of this  
15 republic. If we can keep it, and we're on the  
16 verge of absolutely losing it right now.

17 REPORTER: So -- and -- and, you know, to  
18 the average American sitting at home watching  
19 tonight -- I mean, they're sitting there going:  
20 How much more corruption can there be?

21 It seems like everywhere we turn, it's  
22 like, oh, my gosh, he's -- is he a good guy? I  
23 thought he was a good guy; he's a bad guy.

24 What do you -- what do you say to -- I  
25 mean, I know we're -- we're praying and we're

1 praying for you, Sidney. We're going to pray  
2 before you hang up tonight, for you on the phone  
3 here; but what -- is the level of corruption in  
4 our government really to this degree that we're  
5 seeing?

6 SIDNEY POWELL: I'm afraid it is. The real  
7 (inaudible) to steal votes, and make it appear  
8 that people have engaged in free and fair  
9 elections has been around for, at least, a decade.  
10 I'm sure it was used in 2016. To some extent it's  
11 been used in particular elections in particular  
12 places. It's been used all around the world in  
13 other countries.

14 I would be willing to venture a strong  
15 guess that the CIA is probably the originator of  
16 the software to begin with; and then it was sold  
17 to Venezuela and exported everywhere, and they  
18 wanted to export it and use it to control who is  
19 in power in different places.

20 We have trillions of dollars of global  
21 wealth and -- and power and corrupt power raging  
22 against us right now, to the -- an extent we can  
23 hardly comprehend. This is the classic battle of  
24 good versus evil, freedom versus tyranny. And  
25 they've been lining their bank accounts with

1 billions and billions and trillions, actually, of  
2 dollars from all these global deals they've made,  
3 and the foreign aid that's been sent from the  
4 United States to other countries, and it -- all of  
5 it's gone to line the pockets of dictators and  
6 everyone else.

7           It's -- it's hard to wrap your head around  
8 the magnitude of this problem, but that is the  
9 reality we're facing. And I will not deny that.  
10 The only way to solve a problem is to correctly  
11 identify it. This is massive.

12           REPORTER: That's --

13           SIDNEY POWELL: We've got to start here.  
14 The fact that our FBI and DOJ have done nothing  
15 about this tells you how deep and wide the problem  
16 is. They have even had reports of some of these  
17 instances that we're talking about -- and we're  
18 talking about hundreds of thousands of fake  
19 ballots, and tens of thousands of illegal people  
20 voting, and duplicate votes, dead people voting --  
21 you know, all manner and means of fraud pervaded  
22 this election.

23           But the most insidious and egregious of it  
24 is the machine fraud, and the -- the mail-in  
25 ballot scam that they used to create fake ballots

1 and then try to backfill in the states that  
2 stopped counting the night of the election so that  
3 they could try to create the illusion that Biden  
4 won; when they know damn well he didn't.

5 REPORTER: Right. Let me take it over to  
6 Lance Wallnau.

7 Lance, you got a -- a final question here  
8 for Attorney Powell?

9 LANCE WALLNAU: Yeah. I just -- I just  
10 want to say, the person you were listening to  
11 before you spoke is Mario Murillo, and he was  
12 looking for a patent to arise, but I -- I would  
13 say that you advising every church to open and  
14 everyone to take the dang mask off and show up at  
15 the homes of state legislators -- I would say  
16 you're rather patenesque.

17 Do you feel support coming from people that  
18 are hearing you? Because that -- you're about the  
19 boldest, clearest, most courageous voice I know  
20 of. You're like a Deborah in Israel.

21 Do you feel that support out there?

22 SIDNEY POWELL: I -- I do. I do. God did  
23 not give me a spirit of fear.

24 REPORTER: That's right.

25 SIDNEY POWELL: I simply don't have it.

1 I'm not going to have it. And no matter how many  
2 people threaten me --

3 JOHN GRAVES: Awesome.

4 SIDNEY POWELL: -- or file suits against me  
5 or file bar grievances against me, which has all  
6 happened in the last several weeks, it is not  
7 going to make any difference. I am going to forge  
8 ahead. I am determined to find the truth. We  
9 know it's out there. Truth is the armor of God.  
10 We are entitled to it. We are entitled to be the  
11 free country that God wanted us and created us to  
12 be. And we cannot continue to allow this tyranny  
13 to have another day hold on us.

14 JOHN GRAVES: Exactly.

15 SIDNEY POWELL: And I think opening the  
16 churches and everybody simply going this Sunday  
17 would make a massive statement to the evil powers  
18 that seek to take over this country.

19 REPORTER: Amen. Well, pastors you heard  
20 it you -- you heard it right there. All right.  
21 We're going to let you go here, Attorney Powell,  
22 but I wanted to say on behalf of Kenneth Copeland  
23 and Gloria Copeland, Pastor George and Terri  
24 Pearsons; all of us here at the Victory Channel.  
25 We're praying for you. We're going to pray for

1 you right now.

2 So Father, in Jesus name, Lord we just lift  
3 up Sidney Powell and her team, and all that she's  
4 dealing with. Father, we give -- ask you for  
5 strength. We ask you for a refreshing in her body  
6 and her mind. And thank you, Lord, for her  
7 resolve, and her -- her -- her attitude, and her  
8 prowess and her -- her ability to take this where  
9 it needs to go.

10 Father, we put our faith behind her. And,  
11 Lord, we thank you, Father, for in Jesus name.  
12 Amen. Amen.

13 Attorney Powell, thank you so much for  
14 joining us. I hope we can have you back real  
15 soon. I know we've all enjoyed it, having you  
16 here. I know you're a busy lady. We'll let you  
17 go.

18 SIDNEY POWELL: Thank you so much. And  
19 thank you for all the prayers. General Flynn and  
20 I felt uplifted by all of them the whole time we  
21 dealt --

22 REPORTER: Amen.

23 SIDNEY POWELL: -- with his ordeal, and we  
24 feel it now, too.

25 REPORTER: Yes.

1 SIDNEY POWELL: We have to take this  
2 country back for -- for God, and put God back in  
3 this country --

4 REPORTER: Amen.

5 SIDNEY POWELL: -- where he belongs.

6 REPORTER: That's right. Well, you've been  
7 very encouraging to us.

8 SIDNEY POWELL: We got to --

9 REPORTER: Thank you very much.

10 SIDNEY POWELL: Thank you all.

11 REPORTER: And God bless you.

12 SIDNEY POWELL: Have a good night.

13 REPORTER: Yeah, bless you.

14 SPEAKER: Thank you.

15 REPORTER: Okay. So there you hear, Sidney  
16 Powell right here on the Victory Channel,  
17 encouraging all hope is not lost, Lance.

18 You know, you can put a smile on your face.  
19 It's not gone. We -- there's still a path -- a  
20 path to freedom.

21 LANCE WALLNAU: I wasn't aware that I was  
22 the depressing element. Thank you. I'm  
23 encouraged.

24 JOHN GRAVES: You're pointing out the  
25 encourage -- she -- she is -- I was thinking the

1 same thing, Lance, she is -- she's got the spirit  
2 of a warrior like Patton and Eisenhower. She is a  
3 Deborah. She's like Jael, the lady who let the  
4 enemy in the tent, and as he fell asleep from  
5 weariness, she drove a tent peg through him and  
6 destroyed the enemy and delivered Israel. So God,  
7 we just continue praying for her. We pray that  
8 same courage over Pence. We thank you for Trump,  
9 that you've given that.

10 SPEAKER: Yeah.

11 JOHN GRAVES: And so God, everyone  
12 listening to us, let them stay in an attitude of  
13 prayer to encourage more --

14 SPEAKER: Yeah.

15 JOHN GRAVES: -- courage from pastors, from  
16 judges, and from politicians.

17 REPORTER: You know, I -- she efficiently  
18 called out all the pastors in America, you -- she  
19 called you out, open the church --

20 JOHN GRAVES: -- called them out --

21 LANCE WALLNAU: Yeah.

22 REPORTER: All that is great. All right.

23 Well, we're going to pick this up right  
24 after the break. And we're going to put all those  
25 websites back up that she talked about. We'll get

1 all those up so you can write those down, and see  
2 it on social media.

3 Hey, make sure you share this -- this  
4 broadcast on your social media. Go to our  
5 website, make sure you take part of all the stuff  
6 that we have to offer you, and we'll be right back  
7 after this break.

8 (Advertisement.)

9 REPORTER: Welcome back to FlashPoint for  
10 the second half.

11 Listen, I -- I hope you were encouraged  
12 like we were encouraged to hear Sidney Powell say  
13 that. Wasn't that good? I know you guys enjoyed  
14 that. I think -- I think Mario is ready to go out  
15 on the road with her.

16 So, listen, I want to play this clip that  
17 happened not too long ago with the representative  
18 from Georgia, Marjorie Taylor Greene. Listen to  
19 what she had to say, this will encourage you:

20 (Recording played as follows:

21 Marjorie Greene: I just finished with our  
22 meetings here at the White House this afternoon.  
23 We had got a -- had a great planning session for  
24 our January 6th objection. We aren't going to let  
25 this election be stolen by Joe Biden and the

1 Democrats. President Trump won by a landslide.  
2 Call your House reps. Call your Senators from  
3 your states. We've got to make sure they're on  
4 board and we already have a lot of people engaged.  
5 Okay. Stay tuned.

6 (End of playback.)

7 REPORTER: There you go stay tuned.

8 Listen, I -- there's -- there's been a shift in  
9 this program, not that we were utterly depressed  
10 when we started. I know I pick on Lance, but he  
11 wasn't depressed.

12 But, listen, there's a shift, you should be  
13 encouraged, this thing can still turn around.  
14 Don't give up hope, keep the faith. I can hear  
15 Brother Copeland behind me going: Have faith in  
16 God.

17 That's what exactly what you need to do.

18 SPEAKER: Yes.

19 REPORTER: We're going to have faith in  
20 God.

21 All right. John, I want to ask you, you  
22 know, when you heard Sidney and also represent  
23 Repre- -- Representative Greene there, there's --  
24 there's --

25 JOHN GRAVES: Yeah.

1           REPORTER: -- it's the part we don't ever  
2 see, this is what's so hard for those of us  
3 conservative believers that we're -- we're looking  
4 for anything for hope, and because of the  
5 mainstream media, we're just not getting any hope  
6 out there.

7           JOHN GRAVES: Yeah. Yeah, and the -- and  
8 the phrase to me is put your hope in God, it is  
9 helpful when we see some evidence, but faith by  
10 definition is having belief that God is going to  
11 do something, even when we can't see it. So I  
12 think what is incredible about your program, Lance  
13 and Mario, encouraging people is -- is that so  
14 many people don't have any good news.

15           And so David fed himself on God's  
16 faithfulness, and when they see little things like  
17 this, it encourages faith, I think.

18           SPEAKER: Yeah, amen.

19           JOHN GRAVES: So we all need it. We all  
20 need to encourage ourselves. It's the Galatians 6  
21 thing. It's the Hebrews 12. Your weak hands and  
22 your feeble knees, strengthen them. David Psalm  
23 -- well, First Samuel 36, he strengthened himself  
24 in the Lord. So I would encourage everybody  
25 listening to us, encourage yourself in the Lord,

1 encourage other people --

2 SPEAKER: Yeah.

3 JOHN GRAVES: -- and do not give up. It is  
4 not -- it is not over. God specializes in  
5 miracles and he specializes in making us wait  
6 until the last minute.

7 REPORTER: Yeah. That's right. All right.  
8 Lance, I know you got something to say, in effect  
9 -- if -- and you guys need to follow Lance,  
10 there's that Lance Wallnau -- because if you're up  
11 at 2:00 a.m., you know, you never know if you  
12 might tune in and see Lance talking about Twitter  
13 tweets from Trump at 2:00 a.m.

14 So, Lance --

15 LANCE WALLNAU: That's exactly right.

16 REPORTER: Tell me -- tell me, what do you  
17 think? Where are we at?

18 LANCE WALLNAU: This Twitter thing is so  
19 annoying. Four tweets from the President and the  
20 -- and Twitter decided they weren't going to put  
21 them out. They're censoring the President of the  
22 United States, people.

23 I mean, think about how crazy, the Jewish  
24 people have a term meshugana. These is how  
25 meshugana these people are, these -- these Silicon

1 Valley oligarchs, the politicians, the big -- the  
2 big multibillionaire Wall Street cats. They are  
3 against the working-class-faith people of America.  
4 It's just we never saw it clearly.

5 And then when we voted, we expected  
6 Republicans to represent us. Now we're finding  
7 out that they want the vote, but they don't want  
8 to represent us.

9 This is going to lead to a cleansing --  
10 almost like a deliverance of that spirit of  
11 control in America. You watch, there's going to  
12 be a backlash.

13 But I just got a quick word; we're heading  
14 into that new year time, you know in a new year  
15 time what prophets do? The prophets are all kind  
16 of fielding and sensing what is coming in the  
17 future. And I've been talking to them lately,  
18 Gene.

19 And here's something which I concur with,  
20 what we're hearing: We're back at that thing  
21 we've talked about on this program, numbers 13.  
22 We've got Joshua and Caleb saying America shall be  
23 saved, and God's going to bring a great  
24 deliverance. We got the ten spies that are  
25 saying, oh, no, no, it's not possible.

1           You know what bothers me? What if the  
2 future of America is in the hands of the church  
3 and the church doesn't have sufficient unity,  
4 confidence, courage --

5           SPEAKER: That's right.

6           LANCE WALLNAU: -- or agreement to match  
7 with Louie Gohmert and Sidney Powell, and -- and  
8 Mike Flynn are putting out there. Come on, man.

9           So I'm -- I'm saying that right now we've  
10 got to take a look at this is going to be the year  
11 of God judging, God separating, and God empowering  
12 the remnants. When Brother Copeland talked about  
13 those local churches -- well, let's see, Sidney --  
14 Attorney Powell says: Open up this Sunday. It'll  
15 be the pastors and the churches that are willing  
16 to step by faith into the courage that is called  
17 for, that are going to cross over into the  
18 promised land spiritually, regardless of -- of  
19 what happens in Washington.

20           And I believe we're right now in that  
21 Chapter 13 moment.

22           SPEAKER: Yeah.

23           LANCE WALLNAU: I see the promised land.  
24 And I'll tell you what, God's going to separate  
25 the people that believe and see it from those that

1 don't, because two went in to that land, and ten  
2 didn't get there because God was watching how they  
3 responded to the moment.

4 REPORTER: Yeah, I agree. I mean, that's a  
5 good -- that's a good word. You ought to preach  
6 sometime. That's great.

7 Listen, I want to -- I want to -- let's  
8 play this clip -- we're running out of time. I  
9 want to play this quick clip from Representative  
10 Greene about a tweet. Watch.

11 It's the tweet? Okay. Let me see it. All  
12 right. There it is. I thought it was a video,  
13 it's not.

14 All right. There it is. So she writes:  
15 Real Donald Trump deserves his day in court, and  
16 we're definitely going to give him his day in  
17 Congress. We have a rapidly growing of House  
18 members. January 6th challenge is on. And there  
19 you go, #fightforTrump, call your rep, call your  
20 senators. You've got the information right there  
21 you need to do. Pray and petition them to  
22 decertify, decertify, decertify, decertify.

23 All right. Let's move on here. I want to  
24 -- we're going to skip down here, guys. Let's --  
25 I want -- something came out during the last week

1 when we weren't able to be on the air because of  
2 the holiday, and it was the -- about -- this is  
3 clip number six, gentlemen, the Ukraine-Joe Biden  
4 connection.

5 Now you gotta read -- this is all in  
6 Ukrainian, so you need to -- to read the -- read  
7 the -- the captions here, and we'll be right back.  
8 Watch.

9 (Ukrainian recording played.)

10 REPORTER: All right. We're going to cut  
11 the clip, it was a little short there, because I'm  
12 -- I'm sure you were getting tired of hearing it,  
13 but the -- listen, I want to go back and read a  
14 little -- reread what -- part of what he said  
15 there.

16 He says: They really didn't want us to  
17 publish what we're going to release today; what  
18 will be disclosed, evidence of withdrawal through  
19 financial halls of millions of dollars stolen from  
20 the Ukrainian people, laundered with the help of  
21 banks and laundromats in various jurisdictions --  
22 blah, blah, blah -- all transferring to the  
23 accounts of the company belonging to the Biden  
24 family.

25 All right. John, you want to speak to

1 that? I mean, now we've got the Ukrainian  
2 speaking the truth --

3 JOHN GRAVES: Yeah.

4 REPORTER: -- more than our own media. So  
5 what do we make of that?

6 JOHN GRAVES: There was a poll that came  
7 out after the election when people found out that  
8 the mass media hid purposely the Hunter Biden  
9 story, that 14 percent of the people who voted for  
10 Joe Biden would not have voted for him.

11 This is just further evidence. There's not  
12 just fraud. We can talk about lawsuits all day  
13 long, but the fraud is very simple, very clean and  
14 very clear. When people in Pennsylvania --  
15 hundreds of thousands are accepting votes way  
16 after the election, it violates the state law,  
17 which violates the constitution. This is not  
18 complicated.

19 This Ukrainian -- Hunter's laptop, and all  
20 the other stuff that was hidden, is just part of  
21 the underlying fraud. If I were to stop you at an  
22 election and threaten you, that would literally be  
23 interfering that would be fraudulent, it would be  
24 stopping an election.

25 When the media is withholding evidence that

1 changes the minds of the people who are voting,  
2 they're interfering with elections. Sooner or  
3 later it should be dealt with. We just heard from  
4 Sidney Powell; she's a street fighter. We have a  
5 President who's a street fighter. Mario is a  
6 street preacher; he knows there's a different  
7 tactic that you use when you go to these kind of  
8 things. That's what we need right now, is street  
9 fighters in those pulpits. Street preachers that  
10 will speak the truth, even when it's unpopular.

11 REPORTER: Yeah, that's right. I --

12 JOHN GRAVES: I'm just speaking it plain.

13 REPORTER: Yeah, you are. And -- and  
14 Mario, I think he's -- he's talking your language  
15 right there. In fact --

16 SPEAKER: Yeah.

17 REPORTER: -- I think you were right, you  
18 nailed it when they're patenesque with Sidney  
19 Powell, she really is coming after it.

20 MARIO MURILLO: You know, I -- I feel like  
21 we've got something backwards in the Christian  
22 movement in America, that we want God to comfort  
23 us right now. This isn't a moment to be  
24 comforted.

25 REPORTER: That's right. It's --

1           JOHN GRAVES: This -- this is not a moment  
2 for you to be emotionally saved to hope that  
3 everything comes out. This is God trying to put a  
4 fight in you, to put a fire in you, according to  
5 Nehemiah 4:14 where he told the people, he said:  
6 Listen, don't listen to your enemies, don't listen  
7 to their threats, but fight for your family; and  
8 remember the Lord God who is awesome.

9           And I know it's an uncomfortable message,  
10 folks. I know it is. But I want to tell you,  
11 people told me the way you're preaching right now,  
12 Mario, it's so straight, nobody's going to get  
13 saved because they're going to think you're a pol-  
14 -- a political activist. We've got more drug  
15 addicts and gangsters getting saved now than we've  
16 ever seen, because they intuitively understand  
17 when someone is telling the truth.

18           And I'm telling you right now the truth; we  
19 flip this. We don't need Ovaltine. We don't need  
20 consolation. We need the pilot light to be turned  
21 into flame --

22           REPORTER: Right. Right.

23           MARIO MURILLO: -- and for everybody to  
24 activate and do their righteous duty right now.

25           REPORTER: Yeah, Lance, you agree with

1 that? I mean, I -- I like what Mario is saying.

2 JOHN GRAVES: No, total- -- totally. And  
3 -- and it's time that the prophets and the  
4 prophetic actually got ahead of the curve here,  
5 because we've been saying for a while that what  
6 Obama wants to do is remove Biden and get Harris.  
7 Harris couldn't get elected on her own. She was  
8 the Sorosean-Biden-Eric Holder-axel-rod pick. So  
9 she was made vice President and -- because she  
10 could never get elected as President.

11 So now they're going to remove Biden. Why  
12 were these stories all suppressed, by the way?  
13 Why was it you couldn't hear this in any media?  
14 And suddenly there's an agreement that it's going  
15 to come out -- that guy looks so suspicious to me.  
16 I mean, he's telling the truth. He could have  
17 told it during President Trump's impeachment  
18 situation. The FBI could have revealed the laptop  
19 during the impeachment.

20 I say it's time we got some Elisha  
21 anointing, and started eavesdropping on what the  
22 CIA and the corrupt government is doing to plant  
23 stories in media to manipulate people so that --  
24 oh, let's go get over -- you know what they want  
25 to do? They want to give Joe Biden's scalp to all

1 the angry people over the election fraud, and put  
2 in a smiling new female face that everybody can  
3 gloat over. It's not going to work that way. I  
4 think the prophetic is getting smart, and God's  
5 people aren't going to be taken advantage of.

6 REPORTER: Yeah, I agree. I think you're  
7 absolutely right. That -- that is the ultimate  
8 goal.

9 You know, John, what we're seeing here, as  
10 people are pushing more into what this election  
11 has turned into -- you know, I -- I have graphics  
12 and we can go over those on another program -- I  
13 think we've -- there's been so much data, and  
14 we're being deluged -- with, you know, wild  
15 conspiracy theories to -- oh, it's done or oh it's  
16 not or Trump's in Hawaii -- somewhere -- you know,  
17 there's crazy stuff out there, it -- but this  
18 really is -- we really can see something turn  
19 around, can't we?

20 JOHN GRAVES: I -- I still believe it. I  
21 really do. I know it looks like a long shot in  
22 the natural, from a legal standpoint, but remember  
23 what Trump said in his very first debate, I'm  
24 fighting a two-war front. Jesus fought a two-war  
25 front. He fought demonic oppression, which I

1 think is the whole fraudulent thing. But then  
2 there is a second front against those who don't  
3 want to lose power.

4 REPORTER: That's right.

5 JOHN GRAVES: They don't have the political  
6 courage to do the right thing, and he is.

7 And so what we need to pray from Pence all  
8 the way down -- Trump has it, Sidney has it, there  
9 are people that have it. We need to pray that all  
10 the way down, especially in the United States  
11 Senate, the House state legislatures -- especially  
12 in these six or seven swing states -- that they  
13 have courage to do the right thing, and to fight  
14 both fraud and evil; but also the pharisee spirit  
15 of people who want to maintain power, and they're  
16 just worried about the next election. They're the  
17 ones that need pressure from the people, like  
18 Mario said.

19 REPORTER: Yeah. And -- and I agree with  
20 that. And -- and this is a time, like Mario said,  
21 for us to push in, you know, suck it up and stop  
22 being a -- a baby Christian. You know, it's time  
23 for the believers to rise up and act like they got  
24 the -- the power. You know, we got the big guys  
25 to --

1 JOHN GRAVES: There's a time for peace, and  
2 a time for war. That's right.

3 REPORTER: That's right. And you know when  
4 -- when you're in grade school, and you're playing  
5 basketball, you want to get picked -- you pick the  
6 tall guys first, and that's -- that's the way it  
7 was in grade school, or -- or playing on the  
8 asphalt jungle there. And -- and so we've got the  
9 biggest teammate. We've got the guy who's  
10 winning, and is going to win and -- listen, we've  
11 got to keep praying for President Trump. We've  
12 got to pray for those in the White House.

13 JOHN GRAVES: Yes.

14 REPORTER: Listen -- and you -- you  
15 correctly said it, he's fighting a war within his  
16 own house at the White House, and we pray for him  
17 and Melania.

18 In fact, Mario, I think you should do that,  
19 if you would, sir. Let's pray for President  
20 Trump, Vice President Pence, Melania, and all  
21 those that are dealing with what they're dealing  
22 with right now.

23 MARIO MURILLO: Father, in the name of  
24 Jesus, I pray for the boldness of a lion to come  
25 on Mike Pence. I pray to, oh God, because I know

1 his background and I know his story, that he's  
2 going to do the right thing. And I pray, oh God,  
3 that he will not consider even his own safety, but  
4 he will consider the -- the nation. Lord, I pray  
5 for President Trump that he will not allow his  
6 fear of it being self-serving for him to declare  
7 this election an in- -- interference that should  
8 by executive order be interrupted.

9 If he needs to do what Jefferson did, help  
10 him, oh God, to do it; and disregard anyone around  
11 him that would give him inferior or human advice.  
12 And I pray, oh God, for our audience tonight.  
13 Lord, when I preach sometime I'll tell the lost,  
14 I'll say: You want God to prove to you that he's  
15 real, but God is standing there saying I want you  
16 to prove to me that you're real, that you really  
17 want to be delivered and saved.

18 And I believe that right now God -- the  
19 word of God says that God looked for someone to  
20 stand in the gap and he was amazed that no one  
21 would do it. And right now God is searching the  
22 hearts of every individual who's watching to see  
23 if there is a remnant that will rise up and  
24 discard the compromise and the fear and become the  
25 force that God has birthed them to become in this

1 hour. We will never see an opportunity like this  
2 again in our life.

3 Help us, oh God, to seize it in the name  
4 above every name, the name of Christ. Amen.

5 REPORTER: Amen. And we agree with that.

6 All right. I want to put up these websites  
7 before we go. Those of you watching on social  
8 media, they -- it looks like they've got them  
9 there for you to see: Defendingtherepublic.org.  
10 Defendingtherepublic.org. You can see what's  
11 happening there and how to follow.

12 Then there's kraken-wood --  
13 kraken-wood.com. I think I'm going to go to that  
14 one, just because of the name of it. I just want  
15 to go to -- and I noticed, Mario, you didn't say,  
16 you know, release the Cracker Barrel. I was  
17 really proud of you.

18 MARIO MURILLO: No. No. I -- I was  
19 honoring Sidney tonight and --

20 LANCE WALLNAU: Good --

21 REPORTER: Yes.

22 LANCE WALLNAU: Good behavior tonight.

23 REPORTER: And, of course,  
24 sidneypowell.com; you can go there and stay in  
25 touch.

1           And keep her in your prayers. Listen, you  
2 got to -- you got to pray and keep that up. And  
3 as -- again, we're going to play this clip again  
4 about what's coming up January 6 in our nation's  
5 capital.

6           Listen, if you haven't made your  
7 reservations, make your reservations, get your  
8 flights, drive in, be there; you want to be there  
9 January 6 from 10:00 a.m. to 5:00 p.m., your  
10 President has asked you to join him there for the  
11 wild protest -- wildprotests.com. We're going to  
12 play this video. We'll be right back.

13           (Video played as follows:

14           Speaker: We will not bend. We will not  
15 break. We will not heal. We will never give in.  
16 We will never give up. And we will never back  
17 down. We will never ever surrender, because we  
18 are Americans, and our hearts bleed red, white and  
19 blue. Stop the steal. Stop the steal. Stop the  
20 steal.

21           (End of playback.)

22           REPORTER: That's right, stop the steal,  
23 and we agree with that. The steal is stopped in  
24 Jesus name.

25           All right. Before we comment in our last

1 round here, I want to play an encouraging clip  
2 from Brother Copeland, and watch this, talking  
3 about the victory. Watch.

4 (Video played as follows:

5 Brother Copeland: Take no thought  
6 concerning losing, cast that thought down. Don't  
7 take it by saying it. Let it die. Let that --  
8 that thought die unborn. And keep victory in your  
9 mouth, for this is the victory that overcometh the  
10 world. This is the victory that overcometh Covid-  
11 -- Covid-19. This is the victory that overcometh  
12 the attempt to steal this election. This is the  
13 victory that overcomes the world. Even our faith.

14 REPORTER: Amen. Amen. Even our faith.  
15 First John 5:4, you're going to hear that a lot  
16 around here. First John 5:4, this is the victory  
17 that overcomes the world, even our faith.

18 All right. Gentlemen, we got three  
19 minutes. Okay. Mario, I'll let you go first.  
20 Let you first up, final thoughts.

21 MARIO MURILLO: Well, one thing I want to  
22 tell you is that Lance Wallnau is a gift to the  
23 body of Christ that is incredibly important in  
24 this hour, because God has used him to cross over  
25 into other arenas to speak.

1           And I felt in this moment that I needed to  
2 just say this, that God's hand of protection and  
3 promotion is on this man.

4           REPORTER: Amen.

5           MARIO MURILLO: And that he has a special  
6 ability to decode what's going on right now. Now  
7 I'm a soul winner, and I want to win souls. And  
8 to be honest with you, I'm only here because I --  
9 I want to get back to winning souls. And the only  
10 way I can do it is in a free country.

11          REPORTER: That's right.

12          MARIO MURILLO: And that's why I'm doing  
13 this.

14          LANCE WALLNAU: Hallelujah.

15          MARIO MURILLO: But I wanted to make it  
16 clear that my visit in these shows is all about  
17 one thing, that I believe that God has put  
18 together in this FlashPoint program a unique voice  
19 in America, and that there is a unique voice in --  
20 in Lance Wallnau -- and I'm not trying to just  
21 flatter the man, I'm praying for him, because he's  
22 on the frontline.

23                 I'm glad for everyone that's with us  
24 tonight, it's an honor to be with every one of  
25 you, but I believe that we have to -- we have to

1 take inventory of the opportunity that we are  
2 standing in right now. It's once in a lifetime.

3 REPORTER: Yeah. Amen. I -- I actually  
4 agree with that, Lance. You don't have to say  
5 anything. I actually agree with that. Okay.  
6 John Graves, go ahead.

7 JOHN GRAVES: To me it's a -- it's  
8 decertify, pray for Pence to have the courage,  
9 like Lance talked about with Caleb and Joshua --  
10 remember when he went back, I was reading through  
11 the bible, and I got to the 12th chapter where he  
12 defeated 31 different kings and listed every  
13 single one of them. And when he went back, he  
14 didn't have 10 weak spies.

15 And I love how Sidney said it, I -- I'm --  
16 I'm not denying the truth, here's the truth, Caleb  
17 and Joshua didn't come back and say we're denying  
18 the truth, they just said God's bigger, that --  
19 yeah, there's giants in the land, we can do this.

20 So -- so to me the courage meant to the  
21 body of Christ is faith, it can still move this,  
22 don't stop praying. If God spoke to you, keep  
23 speaking it.

24 REPORTER: Yeah. Amen. All right. Lance?

25 LANCE WALLNAU: Yeah. I'm wondering, do

1 you have me going last because last time when I  
2 went first I talked too long, remember that?

3 REPORTER: I'm trying to find that sweet  
4 spot -- I'm trying to find that sweet spot for  
5 you.

6 LANCE WALLNAU: I know what you're up to.  
7 I know what you're up to.

8 JOHN GRAVES: -- the best for the end,  
9 Lance. The best for the end.

10 LANCE WALLNAU: Okay. Well, here -- here's  
11 the verse when John when -- when Caleb and -- and  
12 Joshua were trying to persuade their -- their  
13 generation, remember what they said, they said:  
14 If the Lord delights in us he's going to bring us  
15 into the land, he'll give it to us, only don't  
16 rebel against the Lord, neither fear the people of  
17 the land, because they're bred for us.

18 I would love to hear at some point -- and  
19 not on this broadcast, but in the future, what you  
20 guys think about that statement, they're bred for  
21 us. It literally means that what you overcome  
22 nourishes you. And God's calling us to grow in  
23 the battle, not run from it.

24 REPORTER: Amen. Good. Good. All right.  
25 So there -- there you've got it, to rise up church

1 believers, pastors, open your church, go to church  
2 this Sunday, pray for the President, pray for Vice  
3 President Pence.

4 Thank you Kenneth Copeland Ministries for  
5 allowing this program to be here. Thank you,  
6 gentlemen, for joining me. And, of course,  
7 Attorney Sidney Powell. So much more coming up;  
8 you don't want to miss this Thursday, New Year's  
9 Eve, right here on the Victory Channel. We'll see  
10 you then.

11 (End of the recording.)

C E R T I F I C A T E

I, Jackie Mentecky, Transcriptionist/Court Reporter, do hereby certify that I was authorized to transcribe the foregoing recorded proceeding, and that the transcript is a true and accurate transcription of my shorthand notes to the best of my ability taken while listening to the provided recording.

Dated this 3rd day of January, 2020.
