PLEASE TAKE NOTICE that I, Taylor James Johnnatakis, a sentient moral being, serve this Non-Negotiable Notice of Inquiry attached to you.

- Judge Lamberth, does the Court's record reflect I have Accepted and Returned the offers and presentments of the Clerk, This Court, and the Plaintiff for settlement and closure of this matter?
- Judge Lamberth, is it honorable for a judge to adjudicate a matter when there is a direct or indirect financial benefit to YOUR 401K or any other investment interest as proven by the **CUSIP Number** issued by the United States Securities and Exchange Commission and financially associated with case number **1:21-CR-91 (RCL)**?
- Judge Lamberth, would it not be honorable to discharge this matter and issue the order of the court to me immediately?
- Judge Lamberth, does the Court's record reflect that when the law fails to provide remedy that equity follows the law and, in any conflict, or variance between the rules of law and the rules of equity, that equity shall prevail?
- Judge Lamberth, does the Court's record reflect that I reserve my rights with explicit reservation and without prejudice in regards to the recent Appeals Court Ruling on the "implausibly overbroad" interpretations by the government prosecutors?
- Judge Lamberth, does the Court's record reflect that I am being held as a bureaucratic prisoner under Color of Law in violation of my rights?
- Judge Lamberth, does the Court's record reflect that I have repented of any dishonor to this court and that I DO NOT CONSENT, I DO NOT CONSENT, I DO NOT CONSENT to any further jail and/or prison incarceration?
- Judge Lamberth, does the Court's record reflect that I, in advance, ACCEPT any adjudication offer you present to me at sentencing and RETURN it to you for settlement and closure of this case for my immediate release from custody?
