TRANSCRIPT OF AUDIO-RECORDED INTERVIEW

MIKE LINDELL

KATE DALLEY

24 Transcribed By:
TERRI NESTORE
25 CSR No. 5614, RPR, CRR

1 KATE DALLEY: I am really, really happy to have
2 this next guest because I'm a huge fan of his. He doesn't
3 realize that, I'm a huge fan, and we've mentioned Mike and
4 the success of MyPillow and Mike Lindell a lot over the
5 last two months, three months because of Mike, just so
6 outspoken and brave to do it and I'm just so appreciative
7 of everything you're doing.

8 Welcome to the show, Mike Lindell.

9 MIKE LINDELL: Oh, thanks for having me on.

10 KATE DALLEY: You bet. I'll tell you what, the
11 movie Absolute Proof, please, I urge people to go and see
12 this movie and you can see it right on your website,
13 Michael J. Lindell, that's L-I-N-D-E-L-L dotcom, and they
14 can watch this movie.

15 What -- I love that you're putting your money
16 when your mouth is, I love that you're doing this, and the
17 success of this, has it surprised you?

18 The success and the censorship?

19 MIKE LINDELL: Yeah, that's been seen by
20 105 million people --

21 KATE DALLEY: Wow.

22 MIKE LINDELL: -- and the average watch time is
23 an hour and 53 minutes, so it's amazing.

24 But I want to tell you what I did yesterday.

25 KATE DALLEY: Okay.

1 MIKE LINDELL: You can go to lindelltv.com and
2 you can watch the shorter version, which is 20-some
3 minutes long, and it shows a hundred percent evidence and
4 proof.

5 KATE DALLEY: Oh, I love that you did that.
6 Lindelltv.com?

7 MIKE LINDELL: Yep, yep, and we're going to keep
8 that site so we can keep getting the message out to people
9 where this is all going, because there's going to be
10 solutions, but the biggest thing now is for everybody to
11 watch this and know what happened to our country with this
12 attack by China and other countries and through these
13 Dominion machines and Smartmatic machines, and it's all
14 going to come out. There's no statute of limitations on
15 this, everybody, so be calm.

16 KATE DALLEY: I'm so glad to hear that. I'm so
17 glad to hear that. I've actually been surprised. I've
18 been surprised at how the media has provided cover for
19 this fraudulent election, and has it surprised you to the
20 extent that they've gone, even to cram it down our throats
21 to tell us we're not even allowed to discuss the word
22 "fraud"?

23 MIKE LINDELL: Yeah. Well, you know, when I
24 found this new piece of evidence on January 9th, that's
25 when I really went on. You know, I'd been looking for

1 stuff since November 4th, but it got magnified so bad
2 after January 9th -- because this is the smoking gun, this
3 is the cyber forensics where it shows the complete attack,
4 IP addresses, ID's of computers and everything -- but
5 since that time, I mean for me, the media attacked me
6 relentlessly. Every single day, a new thing would happen.
7 Mike Lindell's Twitter's down, we're taking away
8 MyPillow's Twitter, we're taking away his Facebook.
9 Wikipedia attacked me. Google took my money, when I
10 launched this documentary to buy my own name and finally
11 -- I just kept bidding higher on my name so I could get it
12 to the top. They finally said, we're just keeping your
13 money and we're not letting you buy your own address.

14 So the attack has been unprecedented. I've never
15 seen anything like it. Bots and trolls attacked all my
16 vendors and my retailers, so 22 of them have dropped
17 MyPillow now as part of this cancel culture.

18 But interestingly, this is really interesting,
19 everybody out there. You see me on the news every day
20 getting attacked, and I actually would do stuff to
21 purposely get attacked because I wanted to keep it in the
22 news that I was coming out with this evidence on
23 February 5th.

24 So every day I was doing something to kind of --
25 and then I was telling -- New York Times would call me,

1 USA Today, Washington Post, CNN. I give them all my
2 direct cell phone, right? So they're all calling me every
3 day and then they're mocking me with their stories and
4 Mike Lindell's unsubstantiated proof -- they didn't even
5 know what I had.

6 So I told them all, it's coming. On the 5th,
7 it's coming, and when it's launched February 5th, from
8 that point, it's been crickets. Nobody will have me on,
9 nobody will call me. I call their cell phones
10 relentlessly and go, um, hello? Did you guys forget about
11 me out here? Because they don't want this out there.

12 Dominion and Smartmatic threatened to sue me, but
13 they're never going to sue me because that would be
14 perfect. I want them to so that we can get the evidence
15 out even faster.

16 KATE DALLEY: Oh, wouldn't that be great.

17 What has Trump's reaction been behind the scenes?
18 I can't even imagine because to me this was so blatant and
19 obvious, you'd have to have your head in the sand not to
20 see the fraud that just happened, and the way that they
21 did it so obviously, but where -- what has Trump's
22 reaction been on all of this, behind the scenes?

23 MIKE LINDELL: I have no idea.

24 The last time that I seen him was at the
25 Whitehouse when I tried to get him this piece of evidence

1 back almost a month ago now or whatever it was, three,
2 four weeks ago, and as you read there, I was kind of
3 hustled out of Whitehouse and --

4 KATE DALLEY: Yeah.

5 MIKE LINDELL: But -- and from that point on it's
6 been -- I'm sure he's seen the documentary, and that has
7 opened everybody's eyes to how serious this thing is.

8 It's beyond belief.

9 Right now I tell everybody in the documentary,
10 everyone out there, there's two miracles that happened the
11 night of the election, and going forward.

12 The first miracle is these machines are rigged.
13 You would have -- if they wouldn't have underestimated
14 Donald Trump getting all of these -- probably about
15 9 million more votes than what they expected, it broke the
16 algorithms on election night at 11:15. That's why you had
17 all these weird anomalies, where -- weird deviations, and
18 they all stopped counting in the middle of the night.

19 KATE DALLEY: Right.

20 MIKE LINDELL: Well, they had to react to that.
21 These were not mail order votes coming in. The mail-in
22 votes were counted in the morning of the 3rd, so all of us
23 went to bed, we get up, we're going, what just happened?

24 KATE DALLEY: Right.

25 MIKE LINDELL: Well, what happened was they stole

1 -- that's when they had the backfill, and they made it
2 very obvious.

3 Now, if they would have estimated this right, we
4 would have all went to bed at 3:00 in the morning, all the
5 states would have been counted, we would have said, oh,
6 Biden won, better luck next time, we'll do better, you
7 know, and obviously mail-in votes made him win. No.

8 So that was the first miracle. So everybody
9 goes, something happened, something's terribly wrong.

10 You had states like Arizona that took one week to
11 count one percent, Maricopa County. When that gets opened
12 up, you'll never see so much horrific things that went on
13 there in your life. I already know what went on there,
14 and that's going to get opened up very soon.

15 But then you have Georgia, as you know, and then
16 Michigan, they dumped votes in the middle of the night.
17 This wasn't even part of the algorithm of the machines.

18 But here's what I wanted to say, and I say it in
19 my documentary: These machines have been around, starting
20 with Venezuela in the early 2000s, and they took that
21 country in two years. They have a weighted race feature
22 on these machines.

23 They came to our country in about 2006, they were
24 used sporadically in other races in '12, '16 and '18, and
25 now they went all in.

1 They put them all over the United States, so they
2 have these -- China had 60 percent of the invasion and
3 then plus you had these traitors in the government here
4 and on the ground here in the United States that worked
5 with them to do this.

6 Well, the miracle is this: If every state would
7 have done their job, the legislatures, if you didn't have
8 crooked politicians like Doug Ducey and Brian Kemp, if you
9 didn't have crooked politicians like that and they would
10 have done their job, of course they would have said, well,
11 you can't count dead people and people that don't live in
12 the state and all these things.

13 Well, if that would have happened, Donald
14 Trump -- they would have said, Donald Trump, you're the
15 winner. You can't count all these. Like we would have
16 never known about the machines and they would have just
17 rigged it more next time, and it's over.

18 KATE DALLEY: Sure.

19 MIKE LINDELL: If these machines are in place
20 anywhere in the world -- I've had nations call me,
21 presidents of other nations call me and go, you know, we
22 got these machines two years ago. They're worried about
23 their countries. All eyes are on the United States right
24 now.

25 KATE DALLEY: Oh, 100 percent, and this is why

1 all the politicians, all the crooked politicians are being
2 so quiet because it affects their races too.

3 MIKE LINDELL: Oh, absolutely. Absolutely.

4 And there's down tickets too, that were affected.

5 I'm not stopping. We have a whole team that is
6 not stopping, that -- I became like a hub of a wheel for
7 this country where everybody, because I stood out and
8 didn't back down and did -- and just kept on and kept on,
9 people now are calling me, whistleblowers, everyone and
10 their brother is calling me and we're just sorting through
11 everything, but the biggest thing is these machines and
12 they will be gone.

13 KATE DALLEY: Yes, one can hope.

14 What gives you your drive, Mike, to do this?

15 How do we get your courage cloned?

16 MIKE LINDELL: Well, the... I guess if you read
17 my story, I've kind of my whole life, my whole life is
18 kind of -- my whole life has kind of led up to this point.

19 MyPillow has always been just a platform for
20 something much bigger.

21 KATE DALLEY: Yes.

22 MIKE LINDELL: And I guess this is for times such
23 as this. And for me, this is pretty easy. When I a
24 hundred percent know that this happened -- it's not
25 99.99 percent. I've seen it, I've got it all, you know,

1 every -- once you watch Absolute Proof, what you see in
2 there --

3 KATE DALLEY: Yes.

4 MIKE LINDELL: -- there's so much more than that,
5 and when you have that -- and our whole country's at
6 stake. If I walked away now, I couldn't even live with
7 myself the rest of my life. My grandkids. I made big
8 sacrifices right now. Like I said, I can't go home and
9 see -- I can't go back to my home state to see my
10 grandkids, my niece and nephews because, you know, they're
11 not -- there's some bad people out there --

12 KATE DALLEY: Yes, there is.

13 MIKE LINDELL: -- and they don't want my mouth
14 out there, telling these things.

15 KATE DALLEY: And I do I worry about you and I
16 just wish we could clone you.

17 Would you run for office? I know that you talked
18 about running for governor.

19 MIKE LINDELL: I will not run for office until
20 these machines are gone. It would be a waste of time.
21 Anybody running now, it would be a waste of resources,
22 time. This is an attack by socialism and communism coming
23 into our country.

24 One of the things now that's kind of nice is
25 that, you know, a silver lining here is even like my

1 company, I have 2500 employees and there's many, many
2 democrats and there's -- I have friends that are
3 democrats, but you know what? They're all seeing what's
4 going on now and going, we didn't vote for this. Well,
5 no, you didn't vote for this. This was voted by out of
6 foreign countries did your vote for you.

7 KATE DALLEY: Yes.

8 MIKE LINDELL: And guess what's not here? This
9 is not your democratic party you thought you voted for.

10 KATE DALLEY: Oh, 100 percent. They're
11 hijacking, they're hijacking our country, and doing it so
12 obviously and blatantly, and it's people like you that are
13 going to inform people on the facts, the truth; and that
14 is that this was a stolen election and absolute truth --
15 Absolute Proof, I'm sorry, Absolute Proof, the movie, I
16 love that you did this. Did you get a lot of pushback,
17 trying to put this movie together?

18 MIKE LINDELL: No. We did it in a secret
19 location in five days.

20 KATE DALLEY: Excellent.

21 MIKE LINDELL: And believe me, we were -- all the
22 media -- they -- it was -- we had protection and
23 everything else. We put it together and like I say, the
24 day I launched it, it was like Whac-A-Mole.

25 They tried to -- they suppressed us, they took it

1 off YouTube, they took it off Vimeo. They tried to -- the
2 media just booked -- all of a sudden -- I go, hey, guys, I
3 got -- you know, I got -- here's your proof you've been
4 waiting for. Now they don't call, they don't write.

5 I mean, Jim Acosta at CNN, he was -- you know, he
6 doesn't call, the New York Times, they don't call. They
7 called every single day before to whack me in the media
8 and talk about Mike Lindell, he's lost his mind.

9 KATE DALLEY: We're going to head to a quick
10 break. Lindelltv.com to get the short version.

11 Lindelltv.com, Absolute Proof, the movie
12 everybody must watch, Mike Lindell's movie.

13 I'll be right back.

14 (Commercials)

15 KATE DALLEY: Hi there, welcome back, Kate Dalley
16 Show, katedalleyradio.com, just telling the truth. We do
17 it day in/day out, and I love what we get to do here and
18 speaking to you all over the country and Canada too --
19 won't forget you guys, huge following in Canada -- but
20 we're excited to have all of you listening because I've
21 got the great Mike Lindell on.

22 And let me just tell you, I admire Mike because
23 Mike was willing to get out there and not give up, and
24 make sure that he kept talking about election fraud and
25 made sure that he was bringing the issue to light and you

1 know why I love that? Is because everyone's been told
2 they're not allowed to talk about it.

3 And there are so many corporations on the take
4 that are going along with this and colluded to do this,
5 that I am telling you, I just love Mike Lindell.

6 Mike Lindell, MyPillow guy, so glad to have you
7 back and, you know, I know you've taken some risks and
8 some hits and I realize that what you said in the last
9 segment was you have to do this. You can't -- you can't
10 just ignore this, and Americans out there don't want to
11 ignore it either and so we're wondering what to do.

12 MIKE LINDELL: Right, right.

13 Well, you know, God gave me this big platform of
14 my voice, you know, and even like Dominion out there, the
15 other day they just did a story a couple days ago, The
16 Daily Beast, they went to 'em, are you going to sue Mike
17 Lindell? And they go, yes, it's imminent.

18 Well, they called me up, The Daily Beast called
19 me up and said, Mike, they say they're going to sue you,
20 and I said, I've been telling them to sue me for three,
21 four weeks -- and same way with Smartmatic, to be fair.

22 They're not going to do it and sure enough, they
23 didn't do it yesterday.

24 So I called The Daily Beast back up and I said,
25 you know, you guys better call them again and bug 'em to

1 sue me because you're going to -- they're going to think
2 -- people are going to think you're putting out fake news.

3 But anyway, so these --

4 KATE DALLEY: Wow.

5 MIKE LINDELL: They won't, and the reason they
6 won't do it -- let me tell everyone out there. There's
7 only two lawsuits, the one against Sidney Powell, and then
8 they did that one against Fox, Smartmatic did.

9 Now those are -- call it smokescreens. What they
10 are, all that was forest so no one else, every other news
11 outlet would use the excuse that they could get sued, and
12 these are radio stations I'm on, I'm on TV stations, you
13 know.

14 KATE DALLEY: Sure.

15 MIKE LINDELL: Boy, Mike, don't say the word
16 "Dominion." Well, I do and sometimes they shut me off on
17 the stations. I'm not going to go on there and be
18 suppressed. I'm going to, you know -- so now -- but now
19 they don't call because they know I'm going to speak my
20 mind, regardless.

21 But, you know, the thing of it is they did that
22 to scare people. It's part of the cancel culture. What
23 they did, when they came after me with the bots and
24 trolls, you've got to realize I supported this president
25 since the day I met him in the summer of '16.

1 I was attacked then.

2 But I'm going to tell you how bots and trolls
3 work. I didn't know anything about politics, ex-crack
4 cocaine addict. Summer of '16 I ended up meeting him by a
5 divine appointment, he invited me to New York City.

6 August 15th I walk into his office, it's just him
7 and I for a half-hour. He said Mike, you know, you make
8 your pillow here in the U.S. and all these workers.

9 KATE DALLEY: Right.

10 MIKE LINDELL: And I said -- you know, we talked
11 about bringing -- he said he was going to bring the jobs
12 back, the manufacturing. We talked about me being an
13 ex-addict and I was going to have this huge network to
14 help millions of addicts. He says, I'll stop the drugs
15 pouring in, you know, all these different things.

16 But I walked out of there and said, wow, he's
17 going to be the greatest president ever.

18 Talked to his employees and they're all saying
19 good things about him and he's a great leader, but he had
20 done something for them personally.

21 Well, anyway, I went back to Minnesota, this is
22 the summer of '16 now -- remember I was their little
23 darling. I could say, yeah, I'm walking across the
24 street, and there would be ten media outlets.

25 KATE DALLEY: Right.

1 MIKE LINDELL: Well, I walked -- went back there
2 this time and I did a press release, hey, I met Donald
3 Trump, we had a meeting and I figured, here's one of their
4 big businessmen, employs over a couple thousand people,
5 and they didn't even put in there what we talked about.

6 Well, none of them called me, none of them
7 reached out, none of the media, and then all of a sudden
8 the attacks came. They called me a racist, all these bots
9 and trolls -- but I thought they were real people, at
10 first.

11 KATE DALLEY: Right.

12 MIKE LINDELL: And I thought, wow, I'm the worst
13 guy on the planet, you know. I thought, what did I do?

14 KATE DALLEY: Gosh.

15 MIKE LINDELL: But then I learned real fast. All
16 of a sudden, the Better Business Bureau took my company
17 from an A plus to an F, you know -- and they're one of the
18 most crooked organizations in the country.

19 KATE DALLEY: Yes.

20 MIKE LINDELL: Truthinadvertising.org, they're
21 all tied together. And then you have Sleepnet.

22 These groups are paid hit groups, dot org.

23 So right now what's going on -- and people circle
24 back -- it's happened to me four times now.

25 So last spring, when I spoke at the Rose Garden,

1 when I spoke out for God -- I don't know if you've seen
2 that.

3 KATE DALLEY: I haven't.

4 Now I've got to go see it.

5 MIKE LINDELL: Yeah, I said -- yeah, if you look
6 at the Mike Lindell Rose Garden speech, but I spoke at the
7 Rose Garden and I talked about spending times and getting
8 back in the Word, reading our Bible, spending time with
9 our families.

10 KATE DALLEY: Yes.

11 MIKE LINDELL: You would have think I shot
12 somebody. I mean, it was the number one tweet around the
13 world. The left -- everything, they all attacked me, bots
14 and trolls attacked me and, you know, I got over it real
15 quick, you know. Everyone was behind it.

16 KATE DALLEY: Right.

17 MIKE LINDELL: Then this last summer -- then this
18 last summer I had myoleander.com, here this guy brought it
19 to me, it was to help the virus.

20 I mean, you'd think that was a bad thing.

21 KATE DALLEY: Sure.

22 MIKE LINDELL: And I get on Anderson Cooper,
23 thinking I'm going on there and CNN is going to announce
24 this great help for the virus, you know.

25 KATE DALLEY: Right.

1 MIKE LINDELL: And he attacked me for 24 minutes.

2 And bots and trolls went after my other vendors,
3 so I lost QVC then, HSN, all these you know, part of this
4 cancel culture and then this time it's like multiply that
5 by twentyfold. They really don't want this out there. I
6 mean they don't want any of the fraud out there. I mean,
7 I must be right over target.

8 KATE DALLEY: Yes.

9 MIKE LINDELL: Which I am. I'm right over target
10 and -- but people need to realize, like all these box
11 stores that went away, these retailers, they're as bad as
12 the people that did it because they aren't -- these are --
13 you know, they're part of the cancel culture.

14 People can't live in fear right now. If you're
15 out there and you have a business or you think you're
16 going to just sit around and run to church on Sunday and
17 pray that it all goes away, you need to get -- you know,
18 you need to pray every day, I'll tell you right now, but
19 we --

20 KATE DALLEY: Yes.

21 MIKE LINDELL: -- but we all need to get through
22 this together, and to do the right things and when you ask
23 for guidance, that's where, you know, right now I'm taking
24 everything in and I do -- and I will have next week, you
25 know, some kind of guidance for everybody, because there's

1 a lot of things we can do but I just don't want to say
2 anything yet.

3 KATE DALLEY: Sure.

4 MIKE LINDELL: Because they've all seen the
5 Absolute Proof now and now people are going, now what?
6 Now what? Well, if you watched it, remember at the end
7 where I said this is a precedence? There is no precedence
8 for this. This is the precedence.

9 I can tell everybody right now that there's nine
10 Supreme Court justices out there, just like I said in
11 Absolute Proof, and every one of 'em has seen this movie
12 and they're supposed to protect our country.

13 KATE DALLEY: Yes.

14 MIKE LINDELL: And you know what, nobody's looked
15 at the evidence yet. That's a big fallacy out there.

16 Only two places in this country have looked at
17 the evidence; Massachusetts, and that was from a
18 September, a primary; and Antrim County, Michigan, and
19 they'll both those cases are ongoing.

20 KATE DALLEY: Sure.

21 MIKE LINDELL: They said 7,000 votes got flipped
22 in a 15,000 seat county. So you guys, this is all, you
23 know -- there's no statute of limitations and I really
24 believe it's going to lead to the greatest uniting and
25 revival in history.

1 KATE DALLEY: I do too. I absolutely do too.
2 And I love your faith in God and I love that you
3 share that with people because we have to -- yes, we have
4 to pray, we have to do more than that too. We have got to
5 take steps to get our country back, and really that's the
6 whole mission of this show too.

7 I'm telling you, I love your courage to go out
8 there and do it and remind people that the cases were
9 rejected in the court system due to the way that they
10 proceeded, not because of anyone saw the evidence.

11 They didn't, like you said, right?

12 MIKE LINDELL: That's absolutely correct.

13 KATE DALLEY: Right. Procedure.

14 MIKE LINDELL: Every single case, either the
15 judge was scared to be the first judge or he was -- you
16 know, there might have been some that were compromised,
17 but my guess is, you know, they look for anything they
18 could to not be that first judge. So they looked for a
19 procedure or, you know -- none of 'em denied it because of
20 lack of evidence, I'll tell you that right now.

21 KATE DALLEY: Yes.

22 MIKE LINDELL: I mean, when you allow dead people
23 to vote and nonresidents and people to vote twice, you
24 know, and I say that in that documentary, thank the lord
25 that we didn't flip it back then because we would have

1 lost our country and world forever.

2 At least now it's all going to come out.

3 I want to tell you, this is all on God's timing.

4 This isn't -- you think God is looking at November 3rd or

5 December 14th or January 6th or January 20th? He's

6 looking at -- this is God's plan, and I really believe --

7 look what's happened just in the last -- just since

8 January 20th. Friends of mine that were on the left, that

9 were democrats, they're going what -- what is going on?

10 KATE DALLEY: Right.

11 MIKE LINDELL: They're scared, and when they're

12 scared, I mean, I'm sorry, that's going to be a great

13 uniting against one evil -- and that is the word, "evil."

14 This is good versus evil and they tried -- you

15 know, it's in the Bible where you go, good becomes evil

16 and evil becomes good -- I think, anyway.

17 KATE DALLEY: Yes, absolutely.

18 MIKE LINDELL: And that's what they do. Anything

19 they do, they flip it around and say that that's what

20 we're doing. It's like when someone cheats and say, hey,

21 you're cheating. No, you're cheating. The cheater's

22 cheating. Well, when they accuse this country, trying to

23 go, oh, there's some kind of coup or whatever, well,

24 that's what happened in our country at this election.

25 KATE DALLEY: Yes.

1 MIKE LINDELL: It was a takeover. China -- I
2 want to say, here's a good fact for everybody out there:
3 Do you know the first thing they did on the inauguration,
4 the World Health Association and the CDC here in the
5 United States?

6 KATE DALLEY: Mm-hmm.

7 MIKE LINDELL: What they did is they made a thing
8 for the hospitals, and what they said was anybody that
9 comes in with COVID symptoms now, you have to take this
10 test and make 100 percent sure they're positive or you
11 can't put 'em down that they have COVID. Just the
12 opposite of before. You'd come in and your toe's sore and
13 they'd say, oh, you've got COVID.

14 KATE DALLEY: Exactly, yes.

15 MIKE LINDELL: I mean, that's -- so what's going
16 to happen, is they're going to give you some freedoms, you
17 know, give you some freedoms back that they're going to
18 take it away. It's just like they did in Minnesota with
19 this -- this is a political thing too -- on Thanksgiving
20 because of our -- we have one of the governors up for the
21 worst governor of the year, along with Michigan,
22 California and New York.

23 KATE DALLEY: Right.

24 MIKE LINDELL: But anyway, the governor of
25 Minnesota he made a thing you could only have eight people

1 in your house for Thanksgiving or your neighbor could call
2 in on you and you could go to jail for six months.

3 KATE DALLEY: Like the Stasi.

4 MIKE LINDELL: Anyway, it scared people.

5 So then on Christmas you got to have 12 people.

6 Well, all of that is conditioning you so, oh,

7 wow, I get to have 12? Remember, it's against the

8 Constitution. It's inside your own house.

9 KATE DALLEY: Exactly. Oh, the madness.

10 MIKE LINDELL: This is the year of insanity.

11 KATE DALLEY: It's a big lie.

12 MIKE LINDELL: But you know what, if it takes

13 that to expose the evil, you know -- we're living inside

14 of a movie and this is just, you know, kind of the down

15 bad part of the movie, but I think it's exciting.

16 You've got to live through both, you know?

17 KATE DALLEY: I absolutely do too. I think the

18 only way to go from here is up, because now we're hitting

19 rock bottom. And I call 2020 the year of the big lie. It

20 was funny, when they started saying 2020 was going to --

21 2020 vision. No, it was the big lie and people are being

22 so gullible that we're going along with it.

23 And I know that a big section of the country

24 understands what you're saying right now and is so

25 grateful to you because so many reached out, when they

1 knew that you were going to come on the show, they were so
2 grateful to you for speaking out and doing something, and
3 that movie is amazing. Absolute Proof, you can get the
4 short version at lindelltv.com. You can go to Michael J.
5 Lindell. It's all over the place. You can find it, even
6 though they're trying to sensor the heck out of it.

7 MIKE LINDELL: Right.

8 KATE DALLEY: But I think it's great what you're
9 doing, Mike, and I think that you're going to help unite
10 people where we feel disconnected because right now we
11 feel like we can't do anything, right?

12 Because they've got the media.

13 MIKE LINDELL: Right.

14 KATE DALLEY: They've got everything.

15 MIKE LINDELL: Right, right.

16 KATE DALLEY: They don't have everything.

17 They don't have the people, though, and they
18 don't have the majority of the country.

19 MIKE LINDELL: That's right. That's right.

20 And you know what, as long as I keep doing
21 something bombastic so the left says something stupid
22 about me, at least my voice will be heard.

23 KATE DALLEY: Yes, yes.

24 MIKE LINDELL: I'm using them against themselves.

25 KATE DALLEY: I so agree with that.

1 MIKE LINDELL: You know.

2 KATE DALLEY: Love it.

3 MIKE LINDELL: And by the way I wanted to tell
4 you that lindelltv.com, I just checked. We also put up
5 the long version there today and we put up DVD's.

6 You can get DVD's also.

7 KATE DALLEY: Oh, give that to a friend.

8 MIKE LINDELL: And they're free. They're free,
9 they're free. You just pay shipping, I think a couple
10 dollars shipping, whatever it is. But yeah, because we
11 need to get this out far and wide.

12 The Supreme Court, like I say, everybody's looked
13 at this. There's still four cases before the Supreme
14 Court. One of them's procedure and the other three are
15 evidence.

16 KATE DALLEY: Good.

17 MIKE LINDELL: And so if everybody puts -- if
18 they all know that everybody knows and everybody's watched
19 this movie and people say, oh, I've heard about the dead
20 people. No, you've never seen anything like this.

21 KATE DALLEY: Yes.

22 MIKE LINDELL: Am I right?

23 KATE DALLEY: No, you are so right.

24 MIKE LINDELL: I've never seen anything like this
25 in history.

1 KATE DALLEY: Yes.

2 MIKE LINDELL: This is -- the real total, for
3 everybody out there, is just shy of 80 million votes for
4 Donald Trump, less than 67 million for Joe Biden.

5 KATE DALLEY: Oh, my gosh.

6 MIKE LINDELL: And that's not counting all the
7 dead people and stuff that voted, so it could be as low as
8 65 million. I want you to think about that.

9 KATE DALLEY: Mike Lindell, hold on just a
10 second. One sec.

11 (Commercials)

12 KATE DALLEY: Just love this guy, and he's out
13 there and he's talking the truth and we need a lot more
14 truth tellers out there, especially with what Mike brings
15 to the table. You know, MyPillow you can actually go to
16 mypillow.com, you can actually use the code word "Mike,"
17 get 66 percent off of one of his pillows. I have one.

18 I've actually had mine for four years.

19 I love it, by the way.

20 MIKE LINDELL: We have 110 products and you can
21 get up to 66 percent off on all of them. So some of 'em
22 will be 50 percent, some of them will be 66, some will be
23 30, but we have 110 products now. It's amazing.

24 KATE DALLEY: Jeez, you guys have grown. Wow.

25 I love that. I love your success.

1 Definitely God driven, and I love that.

2 And also, I wanted to mention the movie. Go see
3 Absolute Proof, share it with everybody you know. Go to
4 lindelltv.com. If you're on -- and you can get the short
5 version and the long version -- and if you are on
6 Facebook, don't put it in the message of Facebook, you
7 know, don't put it as a post because you'll get blocked.
8 Put it in the Comments section. I know everybody's been
9 doing that. The link to Absolute Proof at lindelltv.com.

10 Anything final you'd like people to know, Mike?

11 MIKE LINDELL: I just want everybody to keep the
12 faith and to not -- you know, don't get part of this
13 cancel culture. Don't back down.

14 KATE DALLEY: Right.

15 MIKE LINDELL: We've got to right now where
16 patience, this is on God's timing.

17 And I'm telling you, when we look back on this
18 some day, it's going to be a great uniting. I'm talking
19 about political, it's going to be a great uniting for our
20 country and even it's going to end up being the greatest
21 revival in history. People do not look to God when things
22 are all going good, they look for hope when things are
23 going bad.

24 KATE DALLEY: Yes.

25 MIKE LINDELL: And that hope is Jesus, and it's

1 all going to be amazing.

2 KATE DALLEY: Mike, I'm grateful for you for
3 coming on the show, talking truth, doing this movie and
4 being outspoken and not backing down.

5 Thanks for your courage.

6 MIKE LINDELL: Well, thanks for having me on.

7 God bless you all.

8 KATE DALLEY: You too, thank you. Really
9 appreciate him. Mike Lindell. And you can go to
10 lindelltv.com, you can get the short version, the long
11 version of the movie.

12 Absolute Proof goes through and actually goes to
13 the facts, the actual proof of what happened to the
14 machines that night; how it happened, what happened.

15 Really amazing. Really appreciate Mike for
16 coming on and spending a lot longer than he had planned.

17 I love that, though. You know, these outlets are
18 censoring him like crazy and, you know --

19 (End of recording.)
