

EXHIBIT 1

FEDERAL BUREAU OF INVESTIGATION

Date of entry 04/14/2021

On April 13, 2021, Task Force Officer (TFO) Rik Hall reviewed 637 "telegram-cloud-documents" audio files from the forensic extraction of Ethan Nordean's iPhone 8 plus, phone number 253-508-0207 for items relevant to the investigation regarding the Ethan Nordean's participation at the United States Capitol in Washington D.C. on January 6, 2021.

During the review, TFO Hall observed there were audio files contained on the phone which included, but were not limited to discussions relevant to the January 6, 2021 event, discussions regarding Enrique Tarrio, discussions regarding an individual referenced as "Brian James" and some general banter between members within the telegram chat(s). Some of the files reference or are directed to Ethan Nordean, some toward other members and some are by Ethan Nordean.

A spreadsheet of the files and the associated audio files are attached hereto and made a part hereof by this reference.

The summary of each audio file does not represent the totality of the content within each respective audio file but is used merely as a reference for the individual reviewing the thirty-nine attached audio files.
