2020-11-14T14:43:49Z	We've known about Democrat election fraud for decades in Democrat controlled cities and no one did anything about it until now, this election is crucial to how we deal with fraud moving forward so we can level the playing field, #DoubleDown #StopTheSteal #Trump2020 #ElectionFraud
2020-11-28T04:25:44Z	Hopefully the firing squads are for the traitors that are trying to steal the election from the American people.
2020-12-07T06:53:34Z	Getting these RINOs to do their job based on the constitution and appoint electors is apparently too much to ask, the Trump team needs to do something drastic, since Dems were drastic when they tried stealing the election in plain sight, its time to step up to the plate and actually do something. #dosomething #stopwaiting #dropthehammer #firebarr #stopthesteal #fbisucks #lockthemup #thisistreason
2020-12-30T07:38:02Z	I just want to again thank you all for your help in donating and your support, we love you all, appreciate your support and will be there in force on Jan 6th and many more!
2021-01-06T23:20:58Z	THIS is what patriotism looks like. Today was indeed a historical day for sure. I will never forget this for as long as I live, keep the fight up America! When government fears its people, you have freedom, when people fear government, you have tyranny.
2021-01-07T08:22:45Z	It all started over a "USA" chant. I love this country. The silent majority is no longer silent.
2021-01-08T08:32:17Z	They deserve to be tarred and feathered. These cops turning on us are also what they called "turncoats." Just saying.
