26 ***Gaslighting:*** *Gaslighting is a form of mental manipulation that often occurs in abusive*
27 *relationships. It is a covert type of emotional abuse in which the bully or abuser misleads the*
28 *target, creating a false narrative and making them question their judgements and their*
29 *reality.*

30 <https://www.verywellmind.com/is-someone-gaslighting-you-4147470>

31 In today's America, *Gaslighters* on a mass scale are primarily the Main Stream Media
32 working in tandem and cooperation with all aspects of the federal government, most
33 importantly federal law enforcement and intelligence agencies. The MSM are nothing more
34 than mouthpieces for this Orwellian government we find ourselves living under today.

35 In today's America the victims of this abuse on a mass scale, the *Gaslightees* if you
will, are the American people. There are two types of Americans. Those who realize we are

1 being *Gaslit* and those who do not. J6 was/is an ongoing federal entrapment scheme designed
2 to imprison and / or silence over half of the country. Comparing J6 to 9/11 and Pearl Harbor,
3 for example, is only one obvious example of *Gaslighting*.

4 Regarding the 2020 presidential election, an example of *Gaslighting* would be to
5 ignore the differences in the campaigns of Trump and Biden as far as crowd size, energy
6 levels, condition of the country at the time, etc. and believe the differences in these factors, all
7 favoring Trump right up to election day, resulted in Biden receiving more votes than any
8 presidential candidate in American history.

9 Another example of *Gaslighting* related to 2020 would be the MSM repeating the
10 mantra that the stolen election “conspiracy theory” has been debunked in over 60 court
11 rulings indicating that Biden won fair and square. When in reality we all know that none of
12 these court rulings came after a full, fair and complete evidentiary hearing on the actual
13 alleged voter fraud itself. These cases were dismissed on procedural grounds. The
14 electronic/digital voter fraud of Dominion/ Hammer/Scorecard and the organic fraud of 2,000
15 *Mules* has never actually been thoroughly examined during an adversarial process in a court
16 room.

17 As I know the examples I provide next regarding the 2020 election *Gaslighting* will
18 trigger some readers I will try to make it a little less confrontational. I will revert again, as in
19 my last filing, to the Socratic Method of simply asking questions such as these:

- 20 • After 40+ years in the Senate, what exactly did the public know about the
21 current sitting president? And if we knew nothing at all really, why was that?
22 Who was protecting him and why?
23 [https://www.newsweek.com/republicans-release-biden-family-bank-records-

25 [https://www.westernjournal.com/ashley-bidens-leaked-diary-detailing-vulgar-
acts-joe-fl-woman-trouble/](https://www.westernjournal.com/ashley-bidens-leaked-diary-detailing-vulgar-acts-joe-fl-woman-trouble/)
- Did Twitter immediately censor the NY Post story about Hunter Biden’s lap
top being discovered when that story came out in October 2020 shortly before

the election? Did Twitter and the MSM refer to it as a “conspiracy theory” along with over 50 former past leaders and influencers from U.S. Intel agencies who signed a letter stating the story was “Russian Propaganda?”

<https://thehill.com/homenews/campaign/521823-50-former-intelligence-officials-warn-ny-post-story-sounds-like-russian/>

- Did we also find out who was behind the censorship at Twitter since that time?
<https://www.cnn.com/2022/12/20/media/elon-musk-fbi-twitter-reliable-sources/index.html>
- Did we find out who Twitter’s General Counsel was when all these stories were being suppressed? Was he hired right in the middle of the 2020 campaign season leading up to the election? Why?
- Was that General Counsel also found to be deeply involved in the crimes exposed in the Durham Report?
<https://www.firstpost.com/explainers/who-is-jim-baker-former-top-fbi-lawyer-fired-by-elon-musk-over-twitter-files-11767941.html>
- <https://thefederalist.com/2019/03/08/35-key-people-involved-russia-hoax-need-investigated/>

From the Federalist article above:

Michael Sussmann is another lawyer at Perkins Coie, who received a story about a Russian bank, Alphabank, communicating with a server in Trump Tower from Fusion GPS. Sussmann went directly to the FBI with that story—to James Baker, who was general counsel of the FBI under Comey—prompting reports midway through the 2016 campaign that hinted Trump had nefarious ties with Russia.

So many more questions... so little time.

As this filing of my witness list is not intended to be lengthy or to create a “circus environment” as my esteemed adversary claimed in his reply to my last filing, I will spare the court the hundreds of pages of additional examples of *J6 and Election 2020 Gaslighting* I could provide with ease. Considering this is an obvious strategy that has been undertaken by

1 both the Main Stream Media, in conjunction with their federal law enforcement and
2 intelligence partners, I intend to employ the entrapment defense, which is the only true and
3 effective defense for ALL (*legitimate*) Trump supporters who have found themselves swept
4 up in this federal scheme.

5 I am personally referring to this entrapment defense I will be making as the *Triune*
6 *Entrapment Defense*. It is factual, easy to remember and allows one to combat the *Gaslighting*
7 every time the government deploys the technique. The three fundamental pillars to the *Triune*
8 *Entrapment Defense* are as follows:

- 9 1) President Trump won the 2020 election in one of the biggest landslide victories in
10 U.S. history. Our constitutional republic was overthrown. An imposter president
11 was installed. This was an actual act of treason rather than a false flag
12 fedsurrection, as was J6. (FACT)
- 13 2) It is absurd to believe (*legitimate*) supporters of President Trump would have gone
14 to Washington D.C. on J6 to disrupt the one event that gave them hope the election
15 results might be investigated further and possibly overturned. (FACT)
- 16 3) When examining the security plan for J6, particularly the absence of fencing
17 around the Capitol building that day, there is no (*legitimate*) explanation other than
18 federal law enforcement and intelligence agencies staged this obvious false flag
19 event for nefarious purposes.

21 [cause-of-the-capitol-riot.html](https://rumble.com/vgifu1-episode-2b-phoenix-rising-podcast-the-root-cause-of-the-capitol-riot.html)

- 22 ■ Part of the staging of this event included the deployment of federal agents,
23 informants and crisis actors playing the roles of both Trump supporters and
24 law enforcement officers. Several of these high-profile informants and
25 actors have been very publicly indicted to maintain their cover.
