

EXHIBIT A

PROSPECTIVE JUROR QUESTIONNAIRE

Instructions

You have been selected as a potential juror in the case of *United States of America v. Michael A. Sussmann*. As part of the jury selection process in this case, the Court asks that you complete the attached questionnaire today, and will ask that you return next week to complete the jury selection process. The trial is scheduled to begin May 16, 2022, and it is expected to last approximately two (2) weeks, but could run longer. Those selected as members of the jury will live at home and have their evenings and weekends free to themselves. Your contact with other people will not be restricted, although beginning now and continuing until you have been excused from further service by the Court, you will not be permitted to talk about the case with anyone, or to read, listen to, or watch any press coverage the case might receive.

In this case, the government has accused the defendant of making a false statement to a Federal Bureau of Investigation (FBI) official, and has charged defendant with one count of false statement to the United States government. A more detailed description of the charge will be given at the beginning of the trial.

The defendant in this case is Michael A. Sussmann. He is 57 years old and a United States citizen. Mr. Sussmann has pled not guilty to the charge against him and is presumed to be innocent of the charge.

The purpose of the jury selection process is to select jurors who have no bias toward either side of the case, can keep an open mind, and can follow the judge's instructions. Our goal is to select a jury that will reach a verdict based solely on the evidence presented in the courtroom and the law as the Court instructs you. The information which you give in your answers to this questionnaire will be used only by the Court and the parties to select a qualified jury. The purpose of this questionnaire is to save time and avoid jurors having to sit around and wait before they

answer these or similar questions in person. The purpose of these questions is not to ask unnecessarily about your personal matters. It is solely to determine whether a prospective juror can decide this criminal case fairly, objectively, and impartially.

To protect your identity, the only page which contains your name is the certification page, which will remain confidential and will be shared only with court personnel and the attorneys. After a jury has been selected, all copies of your response to this questionnaire will be returned to the Clerk of the Court and kept in confidence, under seal, away from public viewing. This questionnaire will NOT be made public. The attorneys are under orders to maintain the confidentiality of any information they learn in the course of reviewing this questionnaire.

Please answer each question below as completely and as accurately as you reasonably can. Please remember there are no right or wrong answers, only complete and incomplete answers. All that matters is that your answers are truthful. Your complete written answers will save a great deal of time for the Court, for the lawyers, and for you, and your full candor will give the Court and both parties the opportunity to select a fair and impartial jury.

Please print your answers and please use ink only. Please fill out the entire questionnaire. Do not leave any questions blank. If a question does not apply to you in any way, write "N/A" rather than leaving the form blank. If you cannot answer a question because you do not understand it, write "do not understand" in the space after the question. If you cannot answer a question because you do not know the answer, write "do not know" in the space after the question. Please do not write anything on the back of any page. If at any point in answering this questionnaire you need more space to complete your answer, please continue your answer on the blank sheets of paper provided at the end of this questionnaire. Be sure to indicate on the blank page the number of the question you are answering.

Please answer the questions by yourself and without the help of anyone else. Please do not discuss the questions or your answers with anyone, including your family members. It is extremely important that the answers in this questionnaire are yours and yours alone.

In addition, now that you are a prospective juror, you **MUST** follow the instructions listed below until you have been excused from further service in this case.

DO NOT at any time discuss this case or questionnaire with anyone, including your spouse, significant other, friends, family members, or other members of this jury panel.

DO NOT let anyone, including friends, family members, court personnel, parties to this case, or persons involved in this case, talk to you about your views or any aspect of this case or questionnaire except officially in the courtroom.

DO NOT read anything whatsoever about this case, including on the internet or social media, and please avoid any newspaper or social media accounts that may relate to this case.

DO NOT post anything on the internet or blog about the case.

DO NOT read or listen to any news accounts, whether in a newspaper, on the internet, in social media, on television, or on the radio concerning this case or the defendant, Michael A. Sussmann.

DO NOT communicate with anyone about this case or your potential jury service. This includes through the use of any cell phone, computer, or any other form of electronic communication, including through text, email, instant message or any other form of communication. This also includes social media, including but not limited to Twitter, Facebook, YouTube, Skype, LinkedIn, or any other social media.

Finally, you are expected to sign your questionnaire, and your answers will be given the same effect as a statement given to the Court and under oath. You are sworn to give true and complete answers to all questions.

Thank you for your cooperation with these instructions and for your careful and honest responses to the questionnaire. Your forthright and full cooperation is of vital importance to the Court and the parties.

74. Yes No If no, please explain:

Do you have any personal beliefs that would make it difficult to follow the Court's legal instructions, whatever they may be?

Yes No If yes, please explain:
