One Hundred Seventeenth Congress
Select Committee to Investigate the January 6th Attack on the United States Capitol

September 23, 2021

Mr. Stephen K. Bannon
c/o Mr. Robert J. Costello
Davidoff Hutcher & Citron LLP
605 Third Avenue, 34th Floor
New York, NY 10158

Dear Mr. Bannon:

Pursuant to the authorities set forth in House Resolution 503 and the rules of the House of Representatives, the Select Committee to Investigate the January 6th Attack on the United States Capitol (“Select Committee”) hereby transmits a subpoena compelling you to produce the documents set forth in the accompanying schedule by October 7, 2021, and to appear for a deposition on October 14, 2021.

The Select Committee is investigating the facts, circumstances, and causes of the January 6th attack and issues relating to the peaceful transfer of power, in order to identify and evaluate lessons learned and to recommend to the House and its relevant committees corrective laws, policies, procedures, rules, or regulations. This inquiry includes examination of how various individuals and entities coordinated their activities leading up to the events of January 6, 2021.

The Select Committee has reason to believe that you have information relevant to understanding important activities that led to and informed the events at the Capitol on January 6, 2021. For example, you have been identified as present at the Willard Hotel on January 5, 2021, during an effort to persuade Members of Congress to block the certification of the election the next day, and in relation to other activities on January 6.¹ You are also described as communicating with then-President Trump on December 30, 2020, and potentially other occasions, urging him to plan for and focus his efforts on January 6.² Moreover, you are quoted as stating, on January 5, 2021, that “[a]ll hell is going to break loose tomorrow.”³ Accordingly, the Select Committee seeks both documents and your deposition testimony regarding these and multiple other matters that are within the scope of the Select Committee’s inquiry.

A copy of the rules governing Select Committee depositions, and a copy of document production definitions and instructions are attached. Please contact staff for the Select Committee at 202-225-7800 to arrange for the production of documents.

Sincerely,

Bennie G. Thompson
Chairman

Additionally, identify where the responsive document can now be found including name, location, and contact information of the entity or entities now in possession of the responsive document(s).
16. If a date or other descriptive detail set forth in this request referring to a document

17. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data, or information not produced because it has not been located or discovered by the return date shall be produced immediately upon subsequent location or discovery.
18. All documents shall be Bates-stamped sequentially and produced sequentially.
19. Upon completion of the production, submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control that reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.

health, safety, and well-being of others present in the Chamber and surrounding areas. Members and staff will not be permitted to enter the Hall of the House without wearing a mask. Masks will be available at the entry points for any Member who forgets to bring one. The Chair views the failure to wear a mask as a serious breach of decorum. The Sergeant-at-Arms is directed to enforce this policy. Based upon the health and safety guidance from the attending physician and the Sergeant-at-Arms, the Chair would further advise that all Members should leave the Chamber promptly after casting their votes. Furthermore, Members should avoid congregating in the rooms leading to the Chamber, including the Speaker's lobby. The Chair will continue the practice of providing small groups of Members with a minimum of 5 minutes within which to cast their votes. Members are encouraged to vote with their previously assigned group. After voting, Members must clear the Chamber to allow the next group a safe and sufficient opportunity to vote. It is essential for the health and safety of Members, staff, and the U.S. Capitol Police to consistently practice social distancing and to ensure that a safe capacity be maintained in the Chamber at all times. To that end, the Chair appreciates the cooperation of Members and staff in preserving order and decorum in the Chamber and in displaying respect and safety for one another by wearing a mask and practicing social distancing. All announced policies, including those addressing decorum in debate and the conduct of votes by electronic device, shall be carried out in harmony with this policy during the pendency of a covered period.

**117TH CONGRESS REGULATIONS
FOR USE OF DEPOSITION AUTHORITY**

COMMITTEE ON RULES,
HOUSE OF REPRESENTATIVES,
Washington, DC, January 4, 2021.

HON. NANCY PELOSI,
Speaker, House of Representatives,
Washington, DC.

MADAM SPEAKER: Pursuant to section 3(b) of House Resolution 8, 117th Congress, I hereby submit the following regulations regarding the conduct of depositions by committee and select committee counsel for printing in the Congressional Record.

Sincerely,

JAMES P. MCGOVERN,
Chairman, Committee on Rules.
REGULATIONS FOR THE USE OF DEPOSITION
AUTHORITY

1. Notices for the taking of depositions shall specify the date, time, and place of examination. Depositions shall be taken under oath administered by a member or a person otherwise authorized to administer oaths. Depositions may continue from day to day.

2. Consultation with the ranking minority member shall include three days' notice before any deposition is taken. All members of the committee shall also receive three days' written notice that a deposition will be taken, except in exigent circumstances. For purposes of these procedures, a day shall not include Saturdays, Sundays, or legal holidays except when the House is in session on such a day.

3. Witnesses may be accompanied at a deposition by personal, nongovernmental counsel to advise them of their rights. Only members, committee staff designated by the chair or ranking minority member, an official reporter, the witness, and the witness's counsel are permitted to attend. Observers or counsel for other persons, including counsel for government agencies, may not attend.

4. The chair of the committee noticing the deposition may designate that deposition as part of a joint investigation between committees, and in that case, provide notice to the members of the committees. If such a designation is made, the chair and ranking minority member of the additional committee(s) may designate committee staff to attend pursuant to regulation 3. Members and designated staff of the committees may attend and ask questions as set forth below.

5. A deposition shall be conducted by any member or committee counsel designated by the chair or ranking minority member of the Committee that noticed the deposition. When depositions are conducted by committee counsel, there shall be no more than two committee counsel permitted to question a witness per round. One of the committee counsel shall be designated by the chair and the other by the ranking minority member per round.

6. Deposition questions shall be propounded in rounds. The length of each round shall not exceed 60 minutes per side, and shall provide equal time to the majority and the minority. In each round, the member(s) or committee counsel designated by the chair shall ask questions first, and the member(s) or committee counsel designated by the ranking minority member shall ask questions second.

7. Objections must be stated concisely and in a non-argumentative and non-suggestive manner. A witness's counsel may not instruct a witness to refuse to answer a question, except to preserve a privilege. In the event of professional, ethical, or other misconduct by the witness's counsel during the deposition, the Committee may take any appropriate disciplinary action. The witness may refuse to answer a question only to preserve a privilege. When the witness has refused to answer a question to preserve a privilege, members or staff may (1) proceed with the deposition, or (2) either at that time or at a subsequent time, seek a ruling from the Chair either by telephone or otherwise. If the Chair overrules any such objection and thereby orders a witness to answer any question to which an objection was lodged, the witness shall be ordered to answer. If a member of the committee chooses to appeal the ruling of the chair, such appeal must be made within three days, in writing, and shall be preserved for committee consideration. The Committee's ruling on appeal shall be filed with the clerk of the Committee and shall be provided to the members and witness no less than three days before the reconvened deposition. A deponent who refuses to answer a question after being directed to answer by the chair may be subject to sanction, except that no sanctions may be imposed if the ruling of the chair is reversed by the committee on appeal.

8. The Committee chair shall ensure that the testimony is either transcribed or electronically recorded or both. If a witness's testimony is transcribed, the witness or the witness's counsel shall be afforded an opportunity to review a copy. No later than five days after the witness has been notified of the opportunity to review the transcript, the witness may submit suggested changes to the chair. Committee staff may make any typographical and technical changes. Substantive changes, modifications, clarifications, or amendments to the deposition transcript submitted by the witness must be accompanied by a letter signed by the witness requesting the changes and a statement of the witness's reasons for each proposed change. Any substantive changes, modifications, clarifications, or amendments shall be included as an appendix to the transcript conditioned upon the witness signing the transcript.

9. The individual administering the oath, if other than a member, shall certify on the transcript that the witness was duly sworn. The transcriber shall certify that the transcript is a true record of the testimony, and the transcript shall be filed, together with any electronic recording, with the clerk of the committee in Washington, DC. Depositions shall be considered to have been taken in Washington, DC, as well as the location actually taken once filed there with the clerk of the committee for the committee's use. The chair and the ranking minority member shall be provided with a copy of the transcripts of the deposition at the same time.

10. The chair and ranking minority member shall consult regarding the release of deposition testimony, transcripts, or recordings, and portions thereof. If either objects in writing to a proposed release of a deposition testimony, transcript, or recording, or a portion thereof, the matter shall be promptly referred to the committee for resolution.

11. A witness shall not be required to testify unless the witness has been provided with a copy of section 3(b) of H. Res. 8, 117th Congress, and these regulations.
