Please see below. Statement on hold until further notice, pending Rudy's talk with the President.

Additionally, I just got this inquiry from Bloomberg, in case you didn't see Stephen Miller on Fox this AM:

"Stephen Miller said this morning on Fox that an "alternate slate of electors" will send results up to Congress. Trying to get more clarity. You all having your own electoral vote?"

Hey my man - Mayor going to discuss with POTUS and if they decide it should go, thinking we'll put it out as we have other statements?

Can you give me a call on something else?

Best,

Good evening, Mayor - as discussed, am bumping the draft statement to the top of your inbox.

“On December 14<sup>th</sup>, the states of Arizona, Nevada, Wisconsin, Michigan, Pennsylvania, and Georgia are appointing Democrat electors to cast their votes for Biden. Each one of these states has clearly demonstrable evidence of voter fraud significant enough to change the outcome of the election.

- \* Pennsylvania counted more than 700,000 ballots illegally and in secret.
- \* Georgia has video evidence of 30,000 illegal ballots cast after the observers were removed.
- \* Michigan had over 500,000 ballots cast without observation and 71% of Wayne County precincts could not reconcile their books.
- \* Wisconsin has over 243,000 ballots cast by potential ineligible voters.
- \* In Nevada, 40,000 people voted twice.
- \* Arizona tallied more than 500,000 ballots without any observation.

In addition to these basic violations of state law, the Dominion software and voting data shows mathematical impossibilities with spikes for Biden faster than the machines' ability to process.

Each of these elections were fraudulent, and irredeemably compromised because of foul play. The only honest thing we can say about the elections in these states is that they are fraudulent.

Our system requires the 50 states to participate in the Electoral College process to select our President. When at least six states intentionally break the rules, this impacts the outcome and every states' voters, and is a violation of the U.S. Constitution.

Any statement signed by Democrat electors from these six states claiming that they are properly appointed to cast a vote for Biden in the Electoral College is a false statement and Congress should not accept them. - Trump Legal Team"
