

STATEMENT OF FACTS

Your affiant, TerryAnn Burns, is a Special Agent assigned to the Joint Terrorism Task Force (JTTF). In my duties as a Special Agent, I am currently assigned to investigating, managing and supporting domestic terrorism investigations which often involve violations of Title 18 of the United States Code. I have assisted in the preparation of search warrant applications, conducted or participated in physical and electronic surveillance, assisted in the execution of search warrants, debriefed informants and reviewed other pertinent records. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Special Agent I am authorized by law or by a Government agency to engage in or supervise the prevention, detection, investigation, or prosecution of a violation of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

On or about January 15, 2021, the FBI created a U.S. Capitol violence website seeking the public's assistance in identifying individuals who unlawfully entered the U.S Capitol building and committed other crimes on the U.S. Capitol grounds on January 6, 2021.

On November 10, 2021, the FBI received information from a Confidential Human Source (CHS #1) indicating that Paul **MODRELL** was inside the Capitol Building on the afternoon of January 6, 2021. CHS #1 utilized open-source databases to collect information on the individual he/she believed to have entered the Capitol and later identified as Paul **MODRELL**.

The FBI obtained a copy of **MODRELL**'s Maryland Driver's License photograph and assessed that **MODRELL**'s appearance is consistent with the individual appearing in photos and Closed Circuit Television (CCTV) footage from within the Capitol.

On January 14, 2022, additional CHSs (CHS #2 and CHS #3) provided information to the FBI indicating that Paul **MODRELL** of Columbia, Maryland, was inside the Capitol Building on the afternoon of January 6, 2021. CHS #2 and CHS #3 provided digital media from January 6, 2021 of an individual resembling **MODRELL**.

On March 22, 2022, still frame photos of **MODRELL** inside the Capitol (figures 1 and 2) were presented to a co-worker of **MODRELL**. The co-worker positively identified the individual in the photos as Paul **MODRELL**. The co-worker has interacted with **MODRELL** consistently for the last three years.

On March 30, 2022, the FBI reviewed Capitol CCTV footage depicting **MODRELL** within the Capitol building for approximately 25 minutes. At approximately 2:26 p.m. **MODRELL** entered the U.S. Capitol building through the broken Senate Wing window and proceeded to the Crypt. **MODRELL** made his way to the second floor, through the small House Rotunda, and by 2:36 p.m., entered the Grand Rotunda before taking the Grand Rotunda stairs to the third floor. On the third floor, **MODRELL** walked around the East Corridor and Senate Gallery appearing to film and photograph on his cell phone. At approximately 2:51 p.m., **MODRELL** exited the U.S. Capitol through the Senate Carriage Door.
