

Case: 1:23-mj-00082
Assigned To : Upadhyaya, Moxila A.
Assign. Date : 4/12/2023
Description: Complaint W/ Arrest Warrant

STATEMENT OF FACTS

Your affiant, Jessica L. Stone, is a Special Agent with the Federal Bureau of Investigation (FBI) assigned to the San Antonio Field Office (SAFO), Counterterrorism Division. In my duties as a special agent, I am currently assigned to the Joint Terrorism Task Force, specifically specializing in domestic terrorism. As a special agent, I have assisted in the preparation of numerous search warrant applications, conducted, or participated in physical and electronic surveillance, assisted in the execution of search warrants, debriefed informants, and reviewed other pertinent records. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Special Agent, I am authorized by law or by a government agency to engage in or supervise the prevention, detection, investigation, or prosecution of a violation of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway, and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice

President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

Facts Specific to JARED L. WISE

On January 26, 2022, an individual (“U1”), whose identity is to remain anonymous, reported to an FBI Washington Field Office (“WFO”) Supervisory Special Agent (“SSA”), that JARED L. WISE (“WISE”) told U1 that WISE was inside the United States Capitol building on January 6, 2021. U1 provided WISE’s identifiers to include WISE’s date of birth, August 5, 1972, telephone number of XXX-XXX-1300 (“WISE’s Phone”) and a possible residence in New Braunfels, Texas.

FBI conducted a database search and learned WISE’s Phone service was provided by Cingular Wireless, now operated by AT&T. Legal process from AT&T confirmed that WISE was the subscriber on that account and uses the phone number given to FBI by U1. Pursuant to a court-authorized search warrant, law enforcement obtained records from AT&T for cell towers providing service to the United States Capitol. In and around the time of the Capitol’s breach, WISE’s Phone used a cell site that provides service to the area that includes the interior of the United States Capitol building (“the cell tower”). Specifically, AT&T’s records showed WISE’s Phone was active on the cell tower at approximately 14:15:06, 14:22:06, 14:26:06, and 14:29:16 Eastern Standard Time (“EST”) on January 6, 2021.

I reviewed information received from the Federal Bureau of Investigation (“FBI”), that confirmed WISE was a Special Agent and Supervisory Special Agent with the FBI from 2004 through 2017.

Footage from U.S. Capitol CCTV and MPD BWC depicts WISE inside the U.S. Capitol and on the grounds of the U.S. Capitol on January 6, 2021.

A review of the U.S Capitol’s CCTV footage revealed a video of WISE inside the building. At approximately 2:23 PM EST, WISE entered the U.S. Capitol building through the Senate Wing Door. The screen capture below is a still image from U.S. Capitol’s CCTV footage, showing WISE entering the U.S. Capitol building.

After entering through the Senate Wing Door, WISE clapped his hands and raised his arms in triumph. WISE walked through the Crypt and past the Memorial Door, ultimately returning and exiting through a window adjacent to the Senate Wing Door. While inside the U.S. Capitol building, WISE is seen wearing a blue jacket and a dark facemask and carrying a dark backpack. The below are still images from U.S Capitol's CCTV footage. In each, WISE is circled in yellow.

According to U.S. Capitol CCTV footage, WISE exited the U.S. Capitol building at approximately 2:32 PM EST through a window adjacent to the Senate Wing Door. Below are still images from U.S. Capitol CCTV footage depicting WISE exiting the U.S. Capitol building. In each, WISE is circled in yellow.

A review of MPD BWC footage revealed WISE engaging with police officers. At approximately 4:21 PM EST, on the Upper West Terrace, WISE tells MPD officers, “You guys are disgusting. I’m former—I’m former law enforcement. You’re disgusting. You are the Nazi. You are the Gestapo. You can’t see it. . . . Shame on you! Shame on you! Shame on you!” When violence against law enforcement began in front of WISE, including officers being knocked to the ground directly in front of him, WISE turned in the direction of the violence and shouted, “Yeah, fuck them! Yeah, kill ‘em!” A few seconds later, as assaults continued, he shouted in the direction of the rioters attacking the police line, “Kill ‘em! Kill ‘em! Kill ‘em!” The below images are still images from BWC footage. WISE appears wearing a blue jacket and black hat, and carrying a dark backpack. In the third still image, WISE is circled in yellow.

Surveillance and legal process confirmed that until approximately June 25, 2022, WISE resided in New Braunfels, Texas. On November 30, 2022, an interview was conducted with a manager at the building in which WISE resided. The manager identified WISE in a photograph by both his driver's license photograph and the first still captured above from MPD BWC footage. The manager confirmed WISE was a resident there until June 25, 2022. At that time, WISE moved out of that apartment and left a forwarding address in Bend, Oregon. Surveillance conducted in December 2022 has confirmed WISE's location at this address.

Based on the foregoing, your affiant submits that there is probable cause to believe that WISE violated 18 U.S.C. § 1752(a)(1) and (2), which makes it a crime to (1) knowingly enter or remain in any restricted building or grounds without lawful authority to do so; and (2) knowingly, and with intent to impede or disrupt the orderly conduct of Government business or official functions, engage in disorderly or disruptive conduct in, or within such proximity to, any restricted building or grounds when, or so that, such conduct, in fact, impedes or disrupts the orderly conduct of Government business or official functions. For purposes of Section 1752 of Title 18, a "restricted building" includes a posted, cordoned off, or otherwise restricted area of a building or grounds where the President or other person protected by the Secret Service, including the Vice President, is or will be temporarily visiting; or any building or grounds so restricted in conjunction with an event designated as a special event of national significance. Additionally, your affiant submits there is also probable cause to believe that WISE violated 40 U.S.C. § 5104(e)(2)(D) and (G), which make it a crime to willfully and knowingly (D) utter loud, threatening, or abusive language, or engage in disorderly or disruptive conduct, at any place in the Grounds or in any of the Capitol Buildings with the intent to impede, disrupt, or disturb the orderly conduct of a session of Congress or either House of Congress, or the orderly conduct in that building of a hearing before, or any deliberations of, a committee of Congress or either House of Congress; and (G) parade, demonstrate, or picket in any of the Capitol Buildings.
