FOIPA Request No.: 1594217-000
Subject: WISE, JARED LANE
(Personnel File)

Dear Mr. Grade:

Please be advised that "unusual circumstances" apply to the processing of your request. See 5 U.S.C. § 552 (a)(6)(B)(iii). "Unusual circumstances" include one or more of the following scenarios:

There is a need to search for and collect records from field offices and/or other offices that are separate from the FBI Record/Information Dissemination Section (RIDS).

There is a need to search for, collect, and examine a voluminous amount of separate and distinct records.

There is a need for consultation with another agency or two or more DOJ components.

These "unusual circumstances" will delay our ability to make a determination on your request within 20 days (excluding weekend and legal public holidays). Additionally, the payment of pertinent fees may apply to your request. See 5 U.S.C. § 552 (a)(4)(A)(viii).

The application of "unusual circumstances" is not a determination of how the FBI will respond to your substantive request, this letter provides notice that these "unusual circumstances" apply to processing and delay the determination of your request. See 5 U.S.C. §§ 552 (a)(6)(A)(viii); (a)(6)(B).

You have the opportunity to reduce the scope of your request; this will accelerate the process and could potentially place your request in a quicker processing queue. This may also reduce search and duplication costs and allow for a more timely receipt of your information. The FBI uses a multi-queue processing system to fairly assign and process new requests. Simple request queue cases (50 pages or less) usually require the least time to process.

Please advise in writing if you would like to discuss reducing the scope of your request. Provide a telephone number, if one is available, where you can be reached between 8:00 a.m. and 5:00 p.m., Eastern Standard Time. Mail your response to: **Initial Processing Operations Unit; Record/Information Dissemination Section; Information Management Division; Federal Bureau of Investigation; 200 Constitution Drive; Winchester, VA 22602.** You may also email your response to: foipaquestions@fbi.gov.

Additional information about the FOIPA can be found at www.fbi.gov/foia. Should you have questions regarding your request, please feel free to contact foipaquestions@fbi.gov. Please reference the FOIPA Request number listed above in all correspondence concerning your request.

28 C.F.R. §16.5 (e)(1)(ii): "An urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information."

28 C.F.R. §16.5 (e)(1)(iii): "The loss of substantial due process of rights."

28 C.F.R. §16.5 (e)(1)(iv): "A matter of widespread and exceptional media interest in which there exists possible questions about the government's integrity which affects public confidence."

You have not provided enough information concerning the statutory requirements permitting expedition; therefore, your request is denied.

Subject: FOIPA # 1594217-000

Good Morning Mr. Grade,

We're contacting you in reference to the FOIPA request number included in the subject line of this email. The FBI located approximately 1,085 pages potentially responsive to your request. In your request letter, you agreed to pay up to \$500.00 for processing.

Requests are processed in the order in which they are received through our multi-track processing system:

Small track requests (0-50 pages) current average time is approximately 4 months to complete;

Medium track requests (51-500 pages) current average time is approximately 41 months to complete;

Large track requests (501-4,999 pages) current average time is approximately 67 months to complete; and

Extra-large track requests (over 5,000 pages) current average time is approximately 79 months to complete.

The current average time to complete your large track request is at least 67 months. Reducing the scope of your request may accelerate the processing, allow for a timelier receipt of the information you seek, and reduce the duplication costs, if applicable. Would you be willing to consider reducing the scope of your request to place it in a smaller, potentially faster processing track?

Please let us know if this is something you would be interested in further discussing. If you chose to narrow the scope of your request, you will be able to request remaining material via a new FOIPA request submission at the completion of this request, subject to applicable fees.

Sincerely,

Negotiation Team

Good Morning Heather/Michael,

Per the below, we are currently investigating a former FBI SA/SSA for his involvement with the Jan 6 Capitol breach. I'm hoping you are the right folks to reach out to regarding this matter, or maybe you can at least point us in the right direction.

We would like to know if former SSA Wise (identifiers below) was the subject of any internal inquires/disciplinary matters while he was employed with the FBI, to include OPR, EEO, etc. If this needs to be requested through a formal EC/Lead, we are more than happy to comply with whatever process is necessary.

Thanks for your assistance.

Good Afternoon SA Stone,
 I am able to provide information regarding Mr. Wise’s employment and the type of personnel action of his leaving. For any information regarding performance/leave information, you will need to reach out directly to the Performance Appraisal Unit (PAU) in HRD (email: [Redacted] and cc Unit Chief Katherine “Katy” Brideau). Regarding the circumstances of his leaving the FBI and any disciplinary investigations, you would need to reach out to OPR, INSD, and/or SecD. I am not sure if there is a specific more expedient investigative request process for this, but I know a name check can be submitted to these offices for this type of information. See below for HR information.

TRANSITORY RECORD

Good afternoon J.

My name is Jessica Stone and I am a special agent out of the San Antonio field office. I recently opened a Full Investigation into Jared L. Wise.

The case number is [REDACTED] and in summary the investigation involves Wise illegally entering the U.S. Capitol building on January 6, 2021. I have obtained cell phone data that places his device inside the building and obtained video footage of Wise inside the building.

Initial reporting indicated Wise was a Special Agent and a Supervisory Special Agent out of the New York division from July 25, 2004 to April 10, 2017. If possible I would like to request Wise's employment records from his time with the bureau. Specifically, I am interested in knowing the following:

- Job titles and locations;
- Circumstances of Wise leaving the FBI;
- If there were any inquires or internal investigations involving Wise (OPR, EEO, etc.).

Wise's identifiers are as follows:

- Jared L. Wise
- DOB [REDACTED]
- SSAN: [REDACTED]

I really appreciate your time and guidance with this matter.

Regards,

SA Jessica Stone
