Hey there, on bank applications... need your help as I'm confused why we go through all of these measures with separating BAM vs .com and then have a non-US resident non-employee on the bank applications.

This will be a red flag for regulators and will open .com to US scrutiny. If Heina and CZ are prepared for it, is this what is best?

WZ Wei Zhou <216599441> 4:42 AM
what's the proposed solution

WZ Wei Zhou <216599441> 4:44 AM
you know what HQ Finance's position is right.

CC C. Coley <472369052> 4:45 AM
No..?

CC C. Coley <472369052> 4:45 AM
They want to have Heina as signatory on US BAM bank accounts.

CC C. Coley <472369052> 4:46 AM
We could form it through SLA but it is going to bring spotlight to .com

WZ Wei Zhou <216599441> 4:47 AM
Then you and Elaine do a call with Susan and talk in real time.

CC C. Coley <472369052> 4:47 AM
Okay

WZ Wei Zhou <216599441> 4:48 AM
I can join. But i would prefer not to

CC C. Coley <472369052> 4:48 AM
We really only need Elaine on client account as that's the only account regulators will be looking at.

WZ Wei Zhou <216599441> 4:49 AM
Does SH know that?

WZ Wei Zhou <216599441> 4:49 AM
Talk to them in real time.

CC C. Coley <472369052> 4:49 AM
Setting it up now

CC C. Coley <472369052> 4:50 AM
No need to join - just wanted to make sure I was not missing another agenda to not separate BAM and .com

WZ Wei Zhou <216599441> 4:53 AM
I'll be frank here, but no need to pound the separation thing too much. I think most people understand that by now.

CC C. Coley <472369052> 4:53 AM
Regulators haven't seen it yet

WZ Wei Zhou <216599441> 4:53 AM
By frank, i dont mean the dummy in marketing

WZ Wei Zhou <216599441> 4:53 AM
i am talking about internally

CC C. Coley <472369052> 4:54 AM
Oh okay will back off marketing

CC C. Coley <472369052> 4:54 AM
Franks causing sleepless nights to chase what he's done without asking

CC C. Coley <472369052> 4:56 AM
^^ sorry i confused my franks again.

CC C. Coley <472369052> 4:57 AM
Understood there is not that much separation internally but a signatory that is not in the org chart of US company will raise flags.

WZ Wei Zhou <216599441> 4:57 AM
talk to susan. For MtL apps. We want things to be as easy and no red flags as possible

WZ Wei Zhou <216599441> 4:58 AM
She will come to me to confirm and I will say yes.

CC C. Coley <472369052> 4:58 AM
