

STATEMENT OF FACTS

Your affiant is a Special Agent with the Federal Bureau of Investigation (FBI) assigned to the Atlanta, GA field office. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Special Agent, I am authorized by law or by a Government agency to engage in or supervise the prevention, detention, investigation, or prosecution of violations of Federal criminal laws

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of

violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

On or about January 24, 2021, the FBI received an anonymous tip from an individual (“Witness-1”), identifying Bunky CRAWFORD, who Witness-1 knew personally as someone involved in the January 6, 2021 protest. Witness-1 stated that CRAWFORD was a “friend” on Facebook and Witness-1 saw photographs of CRAWFORD at the Capitol during the riot on January 6. Witness-1 also met with CRAWFORD in person and CRAWFORD showed Witness-1 the same photos/videos. Witness-1 stated that CRAWFORD lived in Douglas County Georgia.

On or about February 4, 2021, the FBI received a tip from an individual (“Witness-2”), identifying PHILLIP MARION CRAWFORD, who Witness-2 knew personally as an individual who participated in the riot on January 6. Witness-2 saw CRAWFORD on several news stations during the riot and afterwards, CRAWFORD even told Witness-2 that he participated in the riot.

On or about March 4, 2021, FBI Atlanta conducted an interview with CRAWFORD during which CRAWFORD admitted to participating in the protest at the US Capitol on January 6, 2021. However, CRAWFORD explained that he did not enter the Capitol or participate in any acts of violence or destruction of property.

On or about July 9, 2021, FBI Atlanta conducted an interview with Witness-2, who said that CRAWFORD admitted to Witness-2 that he participated in the protest at the US Capitol on January 6, but he did not enter the Capitol or participate in any acts of violence or destruction of property. CRAWFORD showed Witness-2 a picture of CRAWFORD standing in front of the Capitol. Witness-2 was not able to provide the picture, but stated the picture depicted CRAWFORD dressed in a mask, blue hooded sweatshirt, and jeans. Witness-2 indicated that he/she did not have any evidence or knowledge that CRAWFORD assaulted an officer or participated in any acts of violence.

On or about July 3, 2022, the FBI received a tip from an individual (“Witness-3”), that identified the subject within Capitol Riot Photo 483-AFO A and 483-AFO B as “Bunky Crawford”. Witness-3 further reported that, CRAWFORD showed him/her cellphone footage of CRAWFORD at the riot.

On or about January 10, 2023, Sergeant S.B., with the Douglas County Sheriff's Department in Georgia, was identified by agents as having dealt with PHILLIP CRAWFORD through a police report dated November 20, 2022. S.B. was contacted via phone and asked if he would be willing to receive some photographs through email to see if he could identify the individual depicted in them. S.B. was given no other background information or context. Later that same day, S.B. responded and identified the individual in the photos of AFO-483 as PHILLIP CRAWFORD.

On or about January 12, 2023, Witness-3 was interviewed and identified "Bunky" in photos and videos from January 6, 2021. Witness-3 stated that in February or March 2021, Bunky showed him/her a video on his phone of security footage from the tunnel and Bunky pointed to himself (CRAWFORD) in the video and said "see how I pushed him to the ground" referring to one of the police officers.

I have observed publicly available video of Crawford, wearing the same gray sweatshirt with the same blue t-shirt over the sweatshirt that said "stop the steal", taken from the area of the tunnel during the Capitol Riots. In this video, Crawford can be heard yelling, "Hey! We're going to charge in that motherfucker! Ok?! Are ya'll pussies or what?! Look at them, 1, 2, 3, 4. You ain't got shit on us. We're all of us, come on!" Following this impromptu speech, Crawford pushed his way to the Lower West Terrace Entrance archway.

Further open-source video depicts CRAWFORD as he approaches the Lower West Terrace Entrance joining other rioters chanting: “Pull them out!”

I have also reviewed body-worn camera footage from the law enforcement officers inside the archway of the Lower West Terrace Entrance, which show Crawford’s attack on the officers. Screenshots from some of the videos is shown below.

CRAWFORD pushed through the crowd in front of the archway until he reached the line of officers. Once at the front, CRAWFORD indiscriminately began swinging his hands with closed fists at the fully-uniformed police officers guarding the entrance. CRAWFORD can be observed keeping his head down to avoid the OC spray as he attempts to grab officers on the line.

CRAWFORD continued grabbing and hitting officers, and attempted to pull an officer with the United States Capitol Police into the crowd.

Eventually, officers are able to beat back the violent push from rioters; however, CRAWFORD picked up a fallen gas mask and threw it—metal first—into the line of officers.
