**STATEMENT OF OFFENSE**

Pursuant to Fed. R. Crim. P. 11, the United States of America, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant, **Angelo Pacheco**, with the concurrence of the defendant’s attorney, agree and stipulate to the below factual basis for the defendant’s guilty plea—that is, if this case were to proceed to trial, the parties stipulate that the United States could prove the below facts beyond a reasonable doubt:

***The Attack at the U.S. Capitol on January 6, 2021***

1. The U.S. Capitol, which is located at First Street, SE, in Washington, D.C., is secured twenty-four hours a day by U.S. Capitol Police (USCP). Restrictions around the Capitol include permanent and temporary security barriers and posts manned by USCP. Only authorized people with appropriate identification are allowed access inside the Capitol.

2. On January 6, 2021, the exterior plaza of the Capitol was closed to members of the public.

3. On January 6, 2021, a joint session of the United States Congress convened at the Capitol. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on Tuesday,

November 3, 2020. The joint session began at approximately 1:00 PM. Shortly thereafter, by approximately 1:30 PM, the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

4. As the proceedings continued in both the House and the Senate, and with Vice President Pence present and presiding over the Senate, a large crowd gathered outside the Capitol. Temporary and permanent barricades, as noted above, were in place around the exterior of the Capitol, and USCP officers were present and attempting to keep the crowd away from the Capitol and the proceedings underway inside.

5. At approximately 2:00 PM, certain individuals in the crowd forced their way through, up, and over the barricades. Officers of the USCP were forced to retreat and the crowd advanced to the exterior façade of the building. Officers with the D.C. Metropolitan Police Department were called to assist officers of the USCP who were then engaged in the performance of their official duties. The crowd was not lawfully authorized to enter or remain in the building and, prior to entering the building, no members of the crowd submitted to security screenings or weapons checks as required by USCP officers or other authorized security officials.

6. At such time, the certification proceedings were still underway, and the exterior doors and windows of the Capitol were locked or otherwise secured. Members of the USCP attempted to maintain order and keep the crowd from entering the Capitol; however, shortly after 2:00 PM, individuals in the crowd forced entry into the Capitol, including by breaking windows and by assaulting members of law enforcement, as others in the crowd encouraged and assisted those acts. The riot resulted in substantial damage to the Capitol, requiring the expenditure of more than \$2.9 million dollars for repairs.

7. Shortly thereafter, at approximately 2:20 PM, members of the House of Representatives and of the Senate, including the President of the Senate, Vice President Pence, were instructed to—and did—evacuate the chambers. Accordingly, all proceedings of the United States Congress, including the joint session, were effectively suspended until shortly after 8:00 PM on January 6, 2021. In light of the dangerous circumstances caused by the unlawful entry to the Capitol—including the danger posed by individuals who had entered the Capitol without any security screening or weapons check—Congressional proceedings could not resume until after every unauthorized occupant had been removed from or left the Capitol, and USCP confirmed that the building was secured. The proceedings resumed at approximately 8:00 PM after the building had been secured. Vice President Pence remained in the Capitol from the time he was evacuated from the Senate Chamber until the session resumed.

***The Defendant's Participation in the January 6, 2021, Capitol Riot***

8. The defendant, Angelo Pacheco, lives in Kansas City, Missouri. On or about January 5, 2021, he traveled from his home in Kansas City to Washington, D.C. On the morning of January 6, 2021, Pacheco went to the “Stop the Steal” rally in Washington, D.C. The purpose of Pacheco’s trip to Washington, D.C. was to protest Congress’ certification of the Electoral College.

9. After attending the “Stop the Steal” rally, Pacheco marched to the U.S. Capitol with other protesters.

10. While unlawfully on the grounds of the U.S. Capitol building, Pacheco climbed scaffolding put in place for the Inauguration.

11. Pacheco eventually made his way to the Upper West Terrace of the Capitol building.

12. At 2:39 p.m., Pacheco entered the Capitol building through the Upper West Terrace door. After seeing police presence down the hallway, Pacheco turned around and exited the building through the same door approximately six seconds later.

*Elements of the Offense*

13. The parties agree that the offense of Parading, Demonstrating, or Picketing in a Capitol building, in violation of 40 U.S.C. § 5104(e)(2)(G), requires the following elements:

- a. First, the defendant paraded, demonstrated, or picketed in any of the United States Capitol Buildings.
- b. Second, the defendant acted willfully and knowingly.

*Defendant's Acknowledgments*

14. Pacheco knowingly and voluntarily admits to the elements as set forth above. Specifically, Pacheco admits that he willfully and knowingly entered the U.S. Capitol Building knowing that he did not have permission to do so. Pacheco further admits that while inside the Capitol, he willfully and knowingly paraded, demonstrated, or picketed.
