I think there’s something wrong for him. And I watch -- for him to come out of the CIA and act that way was so disrespectful to the country and to the CIA and to the position he held. And he was not considered good at what he did. He was never respected guy. Tough guy but not a respected guy. But he lied to Congress. And the other night before the report came out, he predicted horrible things. Things he said were horrible. Then today, I guess he said something -- I didn’t see it but I heard he said, well, I must have bad sources or bad information. I mean, this is a man who really is either sick or there is some other problem. But the way he spoke -- and as you know, Clapper lied, and perhaps the statute of limitations ran out on that one but it didn’t run out on Comey, it didn’t run out on Brennan or Strzok or Page or McCabe.”
10	March 27, 2019	Interview: Sean Hannity Interviews Donald Trump Via Telephone Transcript	HANNITY: “How do you feel about Mueller today and were you surprised at all, considering the team that he picked in this particular case? It seemed pretty partisan Democrat.” ... TRUMP: “I know one thing, I was the most innocent human being – and they all said it, even Comey said he found no wrongdoing – and one of the few times he didn’t like him because he lied in front of Congress. Brennan lied. Many of these people lied to Congress and nothing happened. And yet with Flynn, where they didn’t even know if he lied based on what the reports are, and others, look what happened to them on the other side. But these people with so many lies, and lies before Congress, which is just about the ultimate, sworn testimony where Comey told so much, and he leaked classified information. Well, if somebody in our team leaked classified information, it would be years in jail.”

And we know the attorney general is there. Is there any of these names -- what you think of these people? Because James Comey signed the first FISA application in October 2016, went to Trump Tower in January 2017, and told you it was unverified, months earlier, he swore on that application, the FISA application that it’s verified, so he lied. What are your thoughts about these people today?” TRUMP: “Well, Comey is a liar and a leaker and that’s obvious. All you have to do is just follow him along and see what he said to Congress. Clapper and Brennan and all of these people, McCabe, these are bad people. My opinion, they are very bad people. They’ve been very bad for the country. They were -- I used to think incompetent but they are really I guess competent at other things and maybe bad things, but we’ll see what happens. I mean, I guess a lot of things are coming out and is going to be very interesting and it will be great to clean up a real big mess because again, it can never happen. The collaborators knew it was a lie, but they manipulated the Dossier and the CIA to peddle their fairy tale. Brennan and Comey manipulated the system, and the document itself. They abused their power. Comey launched a case against Trump in violation of the FBI Regulations. He deceived the FISA Court with the Dossier to gain a Spy Warrant. John Brennan used that Dossier knowing it was GARBAGE, and he insisted it be put in the Intelligence Committee Assessment. He knew it was such a Phony Document and that if it could be put in the Intelligence Committee Assessment, it will elevate the credibility and that he could drive Trump from office. He told Congress that it wasn't in the Assessment - WELL IT WAS! Can he be charged? YES HE CAN! They eroded confidence and trust in the American Government, particularly the FBI, CIA, and other agencies, single-handedly. THEY SET BACK AMERICA CONSIDERABLY. James Comey needs daily therapy. He is so obsessed with his hatred of Trump. It's what drove the Russia Hoax. He, more than anybody else, drove the Witch Hunt, and he can never get over the fact that he failed, and got fired - And he hates that, as well. On his way out the door, he purloined FBI Documents and leaked them to the Media with the plan that this will trigger the Special Counsel and drive Trump from office. Bob Mueller was appointed, his long time mentor and friend. But in the end his scheme failed!" Wow, thank you Gregg, AMAZING REPORTING! 7.38k ReTruths 26.3k Likes Jul 10, 2025, 9:13 AM

Trump   @realDonaldTrump The Wall Street Journal, and Rupert Murdoch, personally, were warned directly by President Donald J. Trump that the supposed letter they printed by President Trump to Epstein was a FAKE and, if they print it, they will be sued. Mr. Murdoch stated that he would take care of it but, obviously, did not have the power to do so. The Editor of The Wall Street Journal, Emma Tucker, was told directly by Karoline Leavitt, and by President Trump, that the letter was a FAKE, but Emma Tucker didn't want to hear that. Instead, they are going with a false, malicious, and defamatory story anyway. President Trump will be suing The Wall Street Journal, NewsCorp, and Mr. Murdoch, shortly. The Press has to learn to be truthful, and not rely on sources that probably don't even exist. President Trump has already beaten George Stephanopoulos/ABC, 60 Minutes/CBS, and others, and looks forward to suing and holding accountable the once great Wall Street Journal. It has truly turned out to be a "Disgusting and Filthy Rag" and, writing defamatory lies like this, shows their desperation to remain relevant. If there were any truth at all on the Epstein Hoax, as it pertains to President Trump, this information would have been revealed by Comey, Brennan, Crooked Hillary, and other Radical Left Lunatics years ago. It certainly would not have sat in a file waiting for "TRUMP" to have won three Elections. This is yet another example of FAKE NEWS! 13.7k ReTruths 53.9k Likes Jul 17, 2025 at 8:33 PM

Trump   @realDonaldTrump The SCIF  @TheSCIF Hillary Clinton funded, approved, and created the Steele Dossier, Barack Obama called the shots, and Brennan's CIA did the dirty work. Trump  @realDonaldTrump  America First Now  @AmericaFirst  BOMBHELL EXPOSED: Obama's Coup Plot UNRAVELING! Twenty CIA and FBI whistleblowers just dropped the hammer — Barack Obama and his CIA puppet John Brennan cooked up the entire Russia Hoax to steal the 2016 election and overthrow a duly elected President Trump. They doctored intelligence, weaponized the deep state, and launched a years-long witch hunt to destroy our movement. This isn't conspiracy — it's treason. The video proves they knew exactly what they were doing. How much longer do we let these criminals walk free? Time for real justice. Lock them up. Drain the swamp for good.  Trump was right all along.   Donald J. Trump  @realDonaldTrump · May 11  02:21 2.56k ReTruths 7.35k Likes May 11, 2026, 10:15 PM
