Debtors.

Chapter 11

Case No. 22-11068 (JTD)

(Jointly Administered)

Ref. No. 574

STATEMENT OF THE DEBTORS REGARDING FILING OF CREDITOR MATRIX

On January 25, 2023, FTX Trading Ltd. and its affiliated debtors and debtors-in-possession (collectively, the “Debtors”) filed their Verified Creditor Matrix (the “Matrix”) in accordance with applicable law and rules. The Matrix was filed publicly in redacted form as authorized by this Court.²

Please be advised that, as is the convention in complex chapter 11 cases, the Matrix is a standard service list compiled from the Debtors’ books and records for the purpose of giving broad notice to, and serving documents on, as many stakeholders and potential stakeholders as possible. The Matrix is intended to be very broad for service purposes and includes parties who may appear in the Debtors books and records for any number of reasons. As a result, **inclusion of a name on the Matrix does not necessarily indicate that the party is a creditor of any of the Debtors.**

¹ The last four digits of FTX Trading Ltd.’s and Alameda Research LLC’s tax identification number are 3288 and 4063 respectively. Due to the large number of debtor entities in these Chapter 11 Cases, a complete list of the Debtors and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors’ claims and noticing agent at <https://cases.ra.kroll.com/FTX>.

² See *Final Order (I) Authorizing the Debtors to Maintain a Consolidated List of Creditors in Lieu of Submitting a Separate Matrix for Each Debtor, (II) Authorizing the Debtors to Redact or Withhold Certain Confidential Information of Customers and Personal Information of Individuals on a Final Basis and (III) Granting Certain Related Relief* [D.I. 545].

The Debtors continue to review their books and records and the Matrix is subject to amendment and modification in all respects.
