**GLOBAL NOTES, METHODOLOGY AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

The above captioned debtors and debtors-in-possession (collectively, the “Debtors”), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**”) with the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”), pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors’ Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“**GAAP**”), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors’ reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

In preparing the Schedules and Statements, the Debtors relied upon information derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary and appropriate. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

Judson Aaron has signed each of the Schedules and Statements. Mr. Aaron is the Chair of the Board of The University of the Arts and has signing authority for each of the Debtor entities. In reviewing and signing the Schedules and Statements, Mr. Aaron has relied upon the efforts, statements and representations of various personnel employed by the Debtors and advisors. Mr. Aaron has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

The Global Notes are in addition to any specific notes contained in any Debtor's Schedules or Statements. Furthermore, the fact that the Debtors have prepared Global Notes or specific notes with respect to any information in the Schedules and Statements and not to other information in the Schedules and Statements should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Notes or specific notes to the rest of the Debtors' Schedules and Statements, as appropriate.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

Global Notes and Overview of Methodology

Global Notes Control. In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

Reservation of Rights. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to any claim ("***Claim***") description, designation, or Debtor against which the Claim is asserted; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 7 cases, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

The listing in the Schedules or Statements by the Debtors of any obligation between a Debtor and another Debtor is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a Claim or how such obligations may be classified and/or characterized in a plan of reorganization or by the Bankruptcy Court. The Debtors reserve all rights with respect to such obligations.

Description of Cases. On September 13, 2024 (the "***Petition Date***"), the Debtors filed voluntary petitions for relief under chapter 7 of the Bankruptcy Code.

Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of June 30, 2024. Additionally, because the book values of assets such as patents, trademarks and copyrights may materially differ from their fair market values, they are listed as unknown amounts as of the Petition Date. Furthermore, assets which have fully depreciated or were expensed for accounting purposes do not appear in these Schedules and Statements, as they have no net book value.

Personal Property – Leased. In the ordinary course of operations, the Debtors may lease furniture, fixtures and office equipment from certain third-party lessors for use in the daily operation of their businesses. Nothing in the Schedules and Statements is or shall be construed as an admission regarding any determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to any such issue.

Recharacterization. Notwithstanding the Debtors' reasonable best efforts to properly characterize, classify, categorize or designate certain Claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' operations. Accordingly, the Debtors reserve all rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

Identified Property. Because the official forms of the Schedules do not distinguish if an asset is unavailable to satisfy creditor claims, the Debtors have endeavored in these Global Notes and accompanying Statement to highlight restricted assets wherever possible, to provide creditors more accurate information as to the assets available to satisfy their claims. The Debtors determined the best way to capture the restricted assets, while at the same time providing meaningful disclosure, is to report restricted assets in response to question 21 of the Statement as assets held for another. While some of the restricted assets are not "held for another" strictly speaking (e.g., as in a formal trust structure), the Debtors believe reporting restricted assets on the Statement, rather than on Schedule A/B is more appropriate given that their inclusion on Schedule A/B would result in a significant overstatement of assets available for distribution to

creditors. While the Debtors and its professionals have used their good faith best efforts to bifurcate restricted assets in these disclosures, the review of the Debtor's records is ongoing and may reveal additional restrictions. Accordingly, failure to identify an asset as restricted in these Global Notes, Statement or Schedules does not constitute an admission by the Debtor such asset is available to satisfy creditor claims.

Liabilities. The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of rights to amend, supplement or otherwise modify the Schedules and Statements as is necessary and appropriate.

The liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

Insiders. For purposes of the Schedules and Statements, the Debtors define "insiders" to include the following: (a) directors; (b) officers; (c) relatives of directors or officers of the Debtors (to the extent known by the Debtors); and (e) Debtor/non-Debtor affiliates.

Academic Deans are not included as persons listed as an "insider" because they had no corporate management responsibility and are not viewed as officers of the University.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose. The listing or omission of a party as an insider for purposes of the Schedules and Statements is for informational purposes and is not intended to be, nor should it be, construed as an admission that those parties are insiders for purpose of section 101(31) of the Bankruptcy Code.

Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction.

Executory Contracts. Although the Debtors have made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired

nature) of the contract or lease, or an admission as to the existence or validity of any claims held by any counterparty to such contract or lease. Furthermore, while the Debtors have made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over inclusion may have occurred.

Classifications. Listing a claim on (a) Schedule D as “secured,” (b) Schedule E as “priority,” (c) Schedule F as “unsecured” or (d) listing a contract or lease on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such claims or contracts or leases or to setoff of such claims.

Claims Description. Schedules D, E and F permit each of the Debtors to designate a claim as “disputed,” “contingent” and/or “unliquidated.” Any failure to designate a claim on a given Debtor’s Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent” or “unliquidated,” or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such claims as “disputed,” “contingent” or “unliquidated.” Moreover, listing a claim does not constitute an admission of liability by the Debtors.

Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment and any Claim on account of a contract or for breaches of duty imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, whether asserted directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, “*Causes of Action*”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a. **Unknown Amounts.** The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.
- b. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the

extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

- c. Liens. Property and equipment listed in the Schedules are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- d. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Credits and Adjustments. The claims of individual creditors for, among other things, goods, services, tuition deposits or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

Setoffs. The Debtors incur certain setoffs, net payments, and other similar rights during the ordinary course of operations. These offsets and other similar rights are consistent with the ordinary course of operations at a university and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Schedules.

Estimates. To comply with the court forms, the Debtors were required to make estimates, allocations, and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses as of the Petition Date. The Debtors reserve all rights, but shall not be required, to amend the reported amounts of assets, revenue, and expenses to reflect changes in those estimates and assumptions.

Specific Disclosures with Respect to the Debtors' Schedules

Schedules Summary. Except as otherwise noted, the asset information provided herein represents the Debtors' data regarding their assets as of June 30, 2024, unless values as of the Petition Date were readily available, and the liability information provided herein represents the Debtors' data regarding their liabilities as of the close of business prior to the Petition Date.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date.

Schedule A/B 2 and A/B 3. Cash balances are listed as of September 12, 2024.

Schedules A/B 59-69. Intangibles and Intellectual Property listed in Schedules A/B 59-69 are listed as an unknown amount. The fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

Schedule A/B 73. The Debtors have included a listing of their insurance policies in response to Question 73, however, a determination as to the surrender or refund value of each of the insurance policies has not been made and, therefore, the balance is listed as undetermined.

Schedules A/B 74 and A/B 75. In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, setoffs, credits, refunds, or rebates. Additionally, certain of the Debtors may be a party to pending litigation in which the Debtors have asserted, or may assert, Claims as a plaintiff or counterclaims as a defendant. Because such Claims are unknown to the Debtors and not quantifiable as of the Petition Date, they may not be listed in the Schedules. The Debtors' failure to list any cause of action, claim, or right of any nature is not an admission that such cause of action, claim, or right does not exist, and should not be construed as a waiver of such cause of action, claim, or right.

Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights. The amounts outstanding under the Debtors' prepetition secured credit facilities reflect principal amounts as of the Petition Date.

With respect to the Claims listed on Schedule D, reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. In addition, unless otherwise stated, the Debtors have not included on Schedule D parties that may hold liens on personal property or in connection with equipment leases. The Debtors reserve all of their rights to amend Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claim or contract.

Schedule E/F. The Debtors' analysis of potential priority claims is ongoing and may take significant time to complete. Accordingly, some amounts on Schedule E/F may have been classified as non-priority pending conclusion of that analysis. The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve their right to dispute the priority status of any claim on any basis.

The Debtors have used reasonable efforts to report all general unsecured Claims against the Debtors on Schedule E/F, based upon the Debtors' books and records as of the Petition Date.

Determining the date upon which each Claim on Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each Claim listed on Schedule E/F. Furthermore, claims listed on Schedule E/F have been aggregated by unique creditor name and remit to address and may include several dates of incurrence for the aggregate balance listed.

Schedule E/F may contain potential claims on account of pending litigation involving the Debtors. Each potential claim associated with any such pending litigation is marked as contingent, unliquidated, and disputed in the Schedules and Statements. Some of the potential litigation claims listed on Schedule E/F may be subject to subordination pursuant to section 510 of the Bankruptcy Code.

Schedule E/F may also include potential or threatened litigation claims. Any information contained in Schedule E/F with respect to such potential litigation shall not be a binding representation of the Debtors' liabilities with respect to any of the potential suits and proceedings included therein.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Additionally, Schedule E/F does not include potential rejection damage Claims, of the counterparties to executory contracts and unexpired leases that may be rejected.

Schedule E/F may reflect certain tuition deposits that were provided to the Debtors prepetition by students for future classes. Certain of these deposits may have been honored or given consideration by an unrelated third-party institution. The deposits listed here do not reflect the reduction for such consideration.

Schedule G. Although reasonable efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors may have occurred. Certain information, such as the contact information of the counterparty, may not be included where such information could not be obtained using the Debtors' reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement was an executory contract or unexpired lease as of the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement Schedule G as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable or separate contracts. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects

such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their businesses, such as subordination, nondisturbance, and attornment agreements, supplemental agreements, settlement agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Further, the Debtors reserve all of their rights to alter or amend these Schedules to the extent that additional information regarding the Debtor obligor to such executory contracts becomes available. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on Schedule G.

The Debtors reserve all of their rights, Claims and causes of action with respect to the contracts on Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's Claim.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Schedule G may be amended at any time to add any omitted contract, agreement or lease.

The listing of any contract on Schedule G does not constitute an admission by the Debtors as to the validity of any such contract or that such contract is an executory contract or unexpired lease. The Debtors reserve all of their rights to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

Schedule H. For purposes of Schedule H, the Debtors that are either the principal obligors or guarantors under the prepetition debt facilities are listed as Co-Debtors on Schedule H. The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

In the ordinary course of their businesses, the Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-Claims and counter-Claims against other parties. Because all such Claims are contingent, disputed, or unliquidated, such Claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Schedule E/F and Statement 7, as applicable.

Specific Disclosures with Respect to the Debtors' Statements

Statement 1 & 2. Revenue amounts listed are through September 12, 2024

Statement 3. Statement 3 includes any disbursement or other transfer made by the Debtors within 90 days before the Petition Date except for those made to insiders (which payments appear in response to Statement 4), employees, and bankruptcy professionals (which payments appear in response to Statement 11). The amounts listed in Statement 3 reflect the Debtors' disbursements

netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3. All disbursements listed on Statement 3 are made through the Debtors' cash management system.

Statement 4. With respect to individuals, the amounts listed reflect certain payments and transfers to such individuals, including, without limitation, compensation, bonus (if any), expense reimbursement, and/or severance and the like.

Academic Deans are not included as persons listed as an "insider" because they had no corporate management responsibility and are not viewed as officers of the University.

Solely for purposes of the Schedules and Statements, the Debtors define "Insiders" to include the following: (a) directors; (b) officers; (c) relatives of directors or officers; and (e) Debtor/non-Debtor affiliates. The listing of a party as an Insider in the Schedules and Statements, however, is not intended to be, nor shall be, construed as a legal characterization or determination of such party as an actual insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved.

Statement 6. There may be instances where such a setoff has occurred without the Debtors' knowledge.

Statement 7. The Debtors reserve all rights with respect to the suits and proceedings included in Statement. 7. Nothing contained herein shall be construed as an admission of liability or waiver of any right or defense.

Statement 11. Payments related to bankruptcy are reflected on the Statement of the Debtor entity that made the payment, but are for the benefit of all Debtors. Furthermore, certain payments to professionals included on Statement 11 may not have been made in relation to bankruptcy preparation and may be included on this response.

Statement 26d. The Debtors have provided unaudited financial statements in the ordinary course of their businesses to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. The disclosure of each of such parties would be impractical and burdensome as the Debtors generally do not track such sharing. Moreover, the parties with which the Debtors have shared such financial statements may be in turn further shared the financial statements with other entities without the Debtors' knowledge or consent.

Statement 30. The responses to this item are included in Statement 4.

**GLOBAL NOTES, METHODOLOGY AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

The above captioned debtors and debtors-in-possession (collectively, the “Debtors”), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**”) with the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”), pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs (the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors’ Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“**GAAP**”), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors’ reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

In preparing the Schedules and Statements, the Debtors relied upon information derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary and appropriate. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

Judson Aaron has signed each of the Schedules and Statements. Mr. Aaron is the Chair of the Board of The University of the Arts and has signing authority for each of the Debtor entities. In reviewing and signing the Schedules and Statements, Mr. Aaron has relied upon the efforts, statements and representations of various personnel employed by the Debtors and advisors. Mr. Aaron has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

The Global Notes are in addition to any specific notes contained in any Debtor's Schedules or Statements. Furthermore, the fact that the Debtors have prepared Global Notes or specific notes with respect to any information in the Schedules and Statements and not to other information in the Schedules and Statements should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Notes or specific notes to the rest of the Debtors' Schedules and Statements, as appropriate.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

Global Notes and Overview of Methodology

Global Notes Control. In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

Reservation of Rights. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to any claim ("***Claim***") description, designation, or Debtor against which the Claim is asserted; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 7 cases, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

The listing in the Schedules or Statements by the Debtors of any obligation between a Debtor and another Debtor is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a Claim or how such obligations may be classified and/or characterized in a plan of reorganization or by the Bankruptcy Court. The Debtors reserve all rights with respect to such obligations.

Description of Cases. On September 13, 2024 (the "*Petition Date*"), the Debtors filed voluntary petitions for relief under chapter 7 of the Bankruptcy Code.

Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of June 30, 2024. Additionally, because the book values of assets such as patents, trademarks and copyrights may materially differ from their fair market values, they are listed as unknown amounts as of the Petition Date. Furthermore, assets which have fully depreciated or were expensed for accounting purposes do not appear in these Schedules and Statements, as they have no net book value.

Personal Property – Leased. In the ordinary course of operations, the Debtors may lease furniture, fixtures and office equipment from certain third-party lessors for use in the daily operation of their businesses. Nothing in the Schedules and Statements is or shall be construed as an admission regarding any determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to any such issue.

Recharacterization. Notwithstanding the Debtors' reasonable best efforts to properly characterize, classify, categorize or designate certain Claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' operations. Accordingly, the Debtors reserve all rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

Identified Property. Because the official forms of the Schedules do not distinguish if an asset is unavailable to satisfy creditor claims, the Debtors have endeavored in these Global Notes and accompanying Statement to highlight restricted assets wherever possible, to provide creditors more accurate information as to the assets available to satisfy their claims. The Debtors determined the best way to capture the restricted assets, while at the same time providing meaningful disclosure, is to report restricted assets in response to question 21 of the Statement as assets held for another. While some of the restricted assets are not "held for another" strictly speaking (e.g., as in a formal trust structure), the Debtors believe reporting restricted assets on the Statement, rather than on Schedule A/B is more appropriate given that their inclusion on Schedule A/B would result in a significant overstatement of assets available for distribution to

creditors. While the Debtors and its professionals have used their good faith best efforts to bifurcate restricted assets in these disclosures, the review of the Debtor's records is ongoing and may reveal additional restrictions. Accordingly, failure to identify an asset as restricted in these Global Notes, Statement or Schedules does not constitute an admission by the Debtor such asset is available to satisfy creditor claims.

Liabilities. The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of rights to amend, supplement or otherwise modify the Schedules and Statements as is necessary and appropriate.

The liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

Insiders. For purposes of the Schedules and Statements, the Debtors define "insiders" to include the following: (a) directors; (b) officers; (c) relatives of directors or officers of the Debtors (to the extent known by the Debtors); and (e) Debtor/non-Debtor affiliates.

Academic Deans are not included as persons listed as an "insider" because they had no corporate management responsibility and are not viewed as officers of the University.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose. The listing or omission of a party as an insider for purposes of the Schedules and Statements is for informational purposes and is not intended to be, nor should it be, construed as an admission that those parties are insiders for purpose of section 101(31) of the Bankruptcy Code.

Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction.

Executory Contracts. Although the Debtors have made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired

nature) of the contract or lease, or an admission as to the existence or validity of any claims held by any counterparty to such contract or lease. Furthermore, while the Debtors have made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over inclusion may have occurred.

Classifications. Listing a claim on (a) Schedule D as “secured,” (b) Schedule E as “priority,” (c) Schedule F as “unsecured” or (d) listing a contract or lease on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such claims or contracts or leases or to setoff of such claims.

Claims Description. Schedules D, E and F permit each of the Debtors to designate a claim as “disputed,” “contingent” and/or “unliquidated.” Any failure to designate a claim on a given Debtor’s Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent” or “unliquidated,” or that such claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such claims as “disputed,” “contingent” or “unliquidated.” Moreover, listing a claim does not constitute an admission of liability by the Debtors.

Causes of Action. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment and any Claim on account of a contract or for breaches of duty imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, whether asserted directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, “*Causes of Action*”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a. **Unknown Amounts.** The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.
- b. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the

extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

- c. Liens. Property and equipment listed in the Schedules are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- d. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Credits and Adjustments. The claims of individual creditors for, among other things, goods, services, tuition deposits or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

Setoffs. The Debtors incur certain setoffs, net payments, and other similar rights during the ordinary course of operations. These offsets and other similar rights are consistent with the ordinary course of operations at a university and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Schedules.

Estimates. To comply with the court forms, the Debtors were required to make estimates, allocations, and assumptions that affect the reported amounts of assets, liabilities, revenue and expenses as of the Petition Date. The Debtors reserve all rights, but shall not be required, to amend the reported amounts of assets, revenue, and expenses to reflect changes in those estimates and assumptions.

Specific Disclosures with Respect to the Debtors' Schedules

Schedules Summary. Except as otherwise noted, the asset information provided herein represents the Debtors' data regarding their assets as of June 30, 2024, unless values as of the Petition Date were readily available, and the liability information provided herein represents the Debtors' data regarding their liabilities as of the close of business prior to the Petition Date.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date.

Schedule A/B 2 and A/B 3. Cash balances are listed as of September 12, 2024.

Schedules A/B 59-69. Intangibles and Intellectual Property listed in Schedules A/B 59-69 are listed as an unknown amount. The fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

Schedule A/B 73. The Debtors have included a listing of their insurance policies in response to Question 73, however, a determination as to the surrender or refund value of each of the insurance policies has not been made and, therefore, the balance is listed as undetermined.

Schedules A/B 74 and A/B 75. In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, setoffs, credits, refunds, or rebates. Additionally, certain of the Debtors may be a party to pending litigation in which the Debtors have asserted, or may assert, Claims as a plaintiff or counterclaims as a defendant. Because such Claims are unknown to the Debtors and not quantifiable as of the Petition Date, they may not be listed in the Schedules. The Debtors' failure to list any cause of action, claim, or right of any nature is not an admission that such cause of action, claim, or right does not exist, and should not be construed as a waiver of such cause of action, claim, or right.

Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights. The amounts outstanding under the Debtors' prepetition secured credit facilities reflect principal amounts as of the Petition Date.

With respect to the Claims listed on Schedule D, reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. In addition, unless otherwise stated, the Debtors have not included on Schedule D parties that may hold liens on personal property or in connection with equipment leases. The Debtors reserve all of their rights to amend Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claim or contract.

Schedule E/F. The Debtors' analysis of potential priority claims is ongoing and may take significant time to complete. Accordingly, some amounts on Schedule E/F may have been classified as non-priority pending conclusion of that analysis. The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve their right to dispute the priority status of any claim on any basis.

The Debtors have used reasonable efforts to report all general unsecured Claims against the Debtors on Schedule E/F, based upon the Debtors' books and records as of the Petition Date.

Determining the date upon which each Claim on Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each Claim listed on Schedule E/F. Furthermore, claims listed on Schedule E/F have been aggregated by unique creditor name and remit to address and may include several dates of incurrence for the aggregate balance listed.

Schedule E/F may contain potential claims on account of pending litigation involving the Debtors. Each potential claim associated with any such pending litigation is marked as contingent, unliquidated, and disputed in the Schedules and Statements. Some of the potential litigation claims listed on Schedule E/F may be subject to subordination pursuant to section 510 of the Bankruptcy Code.

Schedule E/F may also include potential or threatened litigation claims. Any information contained in Schedule E/F with respect to such potential litigation shall not be a binding representation of the Debtors' liabilities with respect to any of the potential suits and proceedings included therein.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Additionally, Schedule E/F does not include potential rejection damage Claims, of the counterparties to executory contracts and unexpired leases that may be rejected.

Schedule E/F may reflect certain tuition deposits that were provided to the Debtors prepetition by students for future classes. Certain of these deposits may have been honored or given consideration by an unrelated third-party institution. The deposits listed here do not reflect the reduction for such consideration.

Schedule G. Although reasonable efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors may have occurred. Certain information, such as the contact information of the counterparty, may not be included where such information could not be obtained using the Debtors' reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement was an executory contract or unexpired lease as of the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement Schedule G as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable or separate contracts. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects

such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their businesses, such as subordination, nondisturbance, and attornment agreements, supplemental agreements, settlement agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Further, the Debtors reserve all of their rights to alter or amend these Schedules to the extent that additional information regarding the Debtor obligor to such executory contracts becomes available. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on Schedule G.

The Debtors reserve all of their rights, Claims and causes of action with respect to the contracts on Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's Claim.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Schedule G may be amended at any time to add any omitted contract, agreement or lease.

The listing of any contract on Schedule G does not constitute an admission by the Debtors as to the validity of any such contract or that such contract is an executory contract or unexpired lease. The Debtors reserve all of their rights to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

Schedule H. For purposes of Schedule H, the Debtors that are either the principal obligors or guarantors under the prepetition debt facilities are listed as Co-Debtors on Schedule H. The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

In the ordinary course of their businesses, the Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-Claims and counter-Claims against other parties. Because all such Claims are contingent, disputed, or unliquidated, such Claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Schedule E/F and Statement 7, as applicable.

Specific Disclosures with Respect to the Debtors' Statements

Statement 1 & 2. Revenue amounts listed are through September 12, 2024

Statement 3. Statement 3 includes any disbursement or other transfer made by the Debtors within 90 days before the Petition Date except for those made to insiders (which payments appear in response to Statement 4), employees, and bankruptcy professionals (which payments appear in response to Statement 11). The amounts listed in Statement 3 reflect the Debtors' disbursements

netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3. All disbursements listed on Statement 3 are made through the Debtors' cash management system.

Statement 4. With respect to individuals, the amounts listed reflect certain payments and transfers to such individuals, including, without limitation, compensation, bonus (if any), expense reimbursement, and/or severance and the like.

Academic Deans are not included as persons listed as an "insider" because they had no corporate management responsibility and are not viewed as officers of the University.

Solely for purposes of the Schedules and Statements, the Debtors define "Insiders" to include the following: (a) directors; (b) officers; (c) relatives of directors or officers; and (e) Debtor/non-Debtor affiliates. The listing of a party as an Insider in the Schedules and Statements, however, is not intended to be, nor shall be, construed as a legal characterization or determination of such party as an actual insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved.

Statement 6. There may be instances where such a setoff has occurred without the Debtors' knowledge.

Statement 7. The Debtors reserve all rights with respect to the suits and proceedings included in Statement. 7. Nothing contained herein shall be construed as an admission of liability or waiver of any right or defense.

Statement 11. Payments related to bankruptcy are reflected on the Statement of the Debtor entity that made the payment, but are for the benefit of all Debtors. Furthermore, certain payments to professionals included on Statement 11 may not have been made in relation to bankruptcy preparation and may be included on this response.

Statement 26d. The Debtors have provided unaudited financial statements in the ordinary course of their businesses to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. The disclosure of each of such parties would be impractical and burdensome as the Debtors generally do not track such sharing. Moreover, the parties with which the Debtors have shared such financial statements may be in turn further shared the financial statements with other entities without the Debtors' knowledge or consent.

Statement 30. The responses to this item are included in Statement 4.
