Defendant Tribune Media Services, Inc., pursuant to Rule 34 of the Federal Rules of Civil Procedure, hereby requests that Plaintiffs TV Guide Online, LLC and TV Guide Online, Inc. produce for inspection and copying the following documents and things within 30 days from receipt hereof, in accordance with the Federal Rules of Civil Procedure and the Local Rules of this Court.

REQUESTS FOR PRODUCTION

1. All documents and things identified, mentioned, referenced in, reviewed or relied upon in responding to Defendant's First Set of Interrogatories to Plaintiffs.

2. All documents and things referring to, relating to or concerning U.S. Patent No. 5,988,078 ("the '078 patent").

3. All documents and things constituting, referring or relating to any Related Application of the '078 patent and any Related Patent.

4. All documents and things constituting, referring or relating to the prosecution history of the '078 patent, including from the patent prosecution attorneys, from TV Guide and its attorneys, from Michael R. Levine and his attorneys, from Smart VCR Limited and its

attorneys, and from any other Person involved in the filing and/or prosecution of the '078 patent application.

5. All documents and things constituting, referring or relating to the prosecution history of any Related Application of the '078 patent, including from the patent prosecution attorneys, from TV Guide and its attorneys, from Michael R. Levine and his attorneys, from Smart VCR Limited and its attorneys, and from any other Person involved in the filing and/or prosecution of the '078 patent application.

6. All documents and things evidencing, referring or relating to the novelty, patentability, validity, or enforceability of the '078 patent or any Related Application.

7. All articles or papers authored by the named inventor of the '078 patent, including internal technical memoranda.

8. All documents and things referring or relating to the named inventor of the '078 patent, including notes, notebooks, journals, reports, e-mails, technical files, diaries, appointment calendars, trip reports, employment agreements and records of compensation.

9. All documents and things constituting, evidencing, referring or relating to the conception, research, testing, design, reduction to practice, or other development of each alleged invention claimed in the '078 patent, including all documents and things corroborating the alleged date of conception and the alleged date of any actual reduction to practice of each alleged invention claimed in the '078 patent.

10. All documents and things evidencing, referring or relating to the contribution of any Person, in any way, to the conception, research, testing, design, reduction to practice, or other development of each alleged invention claimed in the '078 patent.

11. All documents and things constituting, evidencing, referring or relating to any of the following activities with regard to the claimed subject matter of the '078 patent:

(i) first written description and/or drawing of such subject matter;

(ii) first publication of such subject matter;

(iii) first promotion of such subject matter;

(iv) first advertisement of such subject matter;

(v) first manufacture of such subject matter;

(vi) first use of such subject matter;

(vii) first offer for sale of such subject matter;

(viii) first sale of such subject matter;

(ix) first availability to the public of knowledge of such subject matter; and

(x) first public use of such subject matter.

12. All documents and things evidencing, referring or relating to TV Guide's or its licensees' use of the technology claimed in the '078 patent.

13. Documents sufficient to show each product (including websites) made, used, offered for sale, sold, or provided by TV Guide or its licensees that TV Guide contends embodies or practices the alleged inventions claimed in the '078 patent.

14. All documents and things evidencing, referring or relating to the dates on which TV Guide and its licensees marked with the '078 patent number any product (including websites) made, used, offered for sale, sold, provided or licensed by TV Guide that TV Guide contends embodies or practices the inventions claimed in the '078 patent.

15. All documents and things evidencing, referring or relating to the features, functions, operation or performance of any product (including websites) made, used, offered for

sale, sold, provided, or licensed by TV Guide that TV Guide contends embodies or practices the alleged inventions claimed in the '078 patent.

16. All documents and things evidencing, referring or relating to persons who participated in the design or development of any product (including websites) made, used, offered for sale, sold, provided or licensed by TV Guide that TV Guide contends embodies or practices the alleged inventions claimed in the '078 patent.

17. All documents and things constituting, evidencing, referring or relating to any communication between TV Guide and any customer, potential customer, user, distributor, manufacturer or other third-party relating to any product (including websites) made, used, offered for sale, sold, provided or licensed by TV Guide that TV Guide contends embodies or practices the alleged inventions claimed in the '078 patent.

18. All documents and things evidencing, referring or relating to any contacts between TV Guide, or anyone acting or purporting to act on TV Guide's behalf, and any party other than TV Guide, regarding the '078 patent, the alleged inventions claimed therein or this litigation.

19. All documents and things evidencing, referring or relating to the field of art for the '078 patent and to the level of ordinary skill in such art.

20. All items known to, made known to or considered by any Person involved in the prosecution of the '078 patent as prior art or potential prior art to part or all of the claimed subject matter of the '078 patent or any Related Application.

21. All documents or things constituting, referring or relating to, or obtained as a result of, any patentability, validity, enforceability or prior art search, study, report, opinion or

analysis relating to the subject matter claimed or disclosed in the '078 patent or any Related Application, including any prior art identified through such search, study, or analysis.

22. For each interactive program guide made, used, sold, offered for sale, provided or licensed by TV Guide (as defined herein) before 1993, all documents and things evidencing, referring, or relating to how the user received local program schedule information, including whether any geographical location information was entered during the initialization routine.

23. All documents and things evidencing, referring, or relating to how cable operators and direct broadcast satellite providers received local program schedule information from TV Guide (as defined herein) before 1993.

24. All documents and things evidencing, referring, or relating to ownership and assignment of any rights in or to the '078 patent, including but not limited to all such agreements involving Michael Levine, Smart VCR Limited Partnership, Index Systems Inc., Gemstar Development Corporation, Gemstar-TV Guide International, Inc., or TV Guide Online, LLC, and including all documents and things relating to TV Guide's allegation that "The predecessor in ownership of the '078 patent, a company now associated with TV Guide Online, and its affiliated companies, recognized the importance and value of Mr. Levine's invention and acquired the patent application that resulted in the '078 patent."

25. All documents and things referring or relating to any of TMS's products (including websites) that TV Guide contends infringe the '078 patent.

26. All documents and things constituting, referring or relating to each study, report, test, opinion, or other evaluation that TV Guide has received, conducted, or prepared, or had conducted or prepared, concerning any of TMS's products (including websites).

27. All documents identifying the actual product(s) (including websites) inspected, analyzed, and/or tested by or for TV Guide that formed the basis of the infringement allegations in TV Guide's Complaint in this litigation.

28. All documents and things constituting, referring or relating to any communications between TV Guide and TMS regarding the '078 patent or any communications between TV Guide and TMS regarding any product (including websites) made, used, offered for sale, sold or provided by TMS that TV Guide contends infringes the '078 patent.

29. All prior art, all sworn statements, all transcripts, all expert reports, all discovery responses, all dispositive motions and related filings, and all decisions from any lawsuit or other legal proceeding before any court or agency to which TV Guide is or was a party, whether pending or settled, involving interactive program guide technology, including but not limited to: (1) *Gemstar Development Corp. v. For purposes of these interrogatories, the following terms shall have the meaning set forth below:

A. "TV Guide" refers to TV Guide Online, LLC and TV Guide Online, Inc. themselves, and their officers, directors, current and former employees, counsel, agents, consultants, representatives and any other persons acting on behalf of any of the foregoing, and includes TV Guide Online, LLC's and TV Guide Online, Inc.'s affiliates, parents, divisions, subsidiaries, joint ventures, licensees, franchisees, assigns, predecessors and successors in interest, and any other legal entities, whether foreign or domestic, that own or control, or are owned or controlled by, TV Guide Online, LLC and TV Guide Online, Inc., and all predecessors and successors in interest to such entities, and specifically includes Gemstar-TV Guide International, Inc., Gemstar International Group Limited, Gemstar Development Corporation, Index Systems Inc., TV Guide, Inc., United Video Properties, Inc., United Video Satellite Group, Inc., and Prevue Interactive, Inc.

B. "TMS" refers to Tribune Media Services, Inc. itself, and its officers, directors, current and former employees, counsel, agents, consultants, representatives and any other persons acting on behalf of any of the foregoing, and includes TMS's affiliates, parents, divisions, subsidiaries, joint ventures, licensees, franchisees, assigns, predecessors and successors in interest, and any other legal entities, whether foreign or domestic, that own or control, or are owned or controlled by, TMS, and all predecessors and successors in interest to such entities.

C. "You," "your," or "Plaintiff" means TV Guide, as previously defined.

D. "Person" or "persons" means any natural person, individual, firm, association, corporation, partnership, foundation, proprietorship, joint venture, organization or entity, including all governmental entities, agencies, officers and departments.

E. "Document" means all material defined in Federal Rule of Civil Procedure 34 that is or has been at any time under TV Guide's possession, custody or control, referring, relating or pertaining in any way to the subject matter to which the interrogatories refer and includes, without limitation, originals, all file copies, all other non-identical copies, no matter how prepared, and all drafts prepared in connection with such documents, whether used or not, in any form, including documents stored electronically, any kind of written, typewritten, printed, graphic, or recorded material whatsoever, including, but without limitation, notes, memoranda, correspondence, letters, reports, studies, E-mail, telegrams, publications, contracts, manuals, business plans, proposals, licenses, charts, drawings, designs, data sheets, laboratory notebooks, diaries, logs, journals, specifications, brochures, product or service descriptions, advertisements, promotional materials, periodicals, prior art, schematics, blueprints, recordings, summaries, pamphlets, books, prospectuses, interoffice and intra-office communications, offers, notations of any sort of conversations, working papers, applications, permits, surveys, indices, telephone calls, meeting minutes, film, video tape, audio recordings, tapes, databases, electronic files, software, source code, transcriptions of recordings, computer data, computer tapes, diskettes, or other magnetic media, bank checks, vouchers, charge slips, invoices, expense account reports, hotel charges, receipts, freight bills, maps, agreements, corporate resolutions, minutes, books, binders, accounts, photographs, and business records. The term "thing" includes, without limitation, models, molds, prototypes, software disks, hard disks, floppy disks, CD ROMs, back-

up tapes or disks, electronic database files, electronic files, and samples of any device, apparatus, or program.

F. The terms "concerning," "relating to," "relate to," "relates to," "related to," "referring or relating to," "referring to," "regarding," and "refer or relate to" mean in whole or in any part alluding to, responding to, concerning, relating to, connected with, involving, commenting on, in respect of, about, associated with, discussing, evidencing, showing, describing, reflecting, analyzing, summarizing, memorializing, consisting of, constituting, identifying, stating, tending to support, tending to discredit, referring to, or in any way touching upon.

G. "Communication" means any transmission, exchange or transfer of information by any means, including, but not limited to, letters, numbers, images, symbols, data, photographs and sound.

H. "And" and "or" shall be construed both conjunctively and disjunctively and each shall include the other whenever such construction will serve to bring within the scope of these interrogatories any information that would otherwise not be brought within their scope.

I. "Including" means including but not limited to.

J. "Any" or "each" should be understood to include and encompass "all."

K. The singular shall include the plural and the masculine gender shall include the feminine and the gender neutral.

L. "Prior art" means all documents and activities that constitute, describe or refer to part or all of the subject matter claimed in the '078 patent prior to the filing date of the patent, including any products and services (including websites) containing the same. By way of example, and without limitation, the term "prior art" includes the items described in 35 U.S.C. §§

102 and 103, including publications, patents, physical devices, prototypes, knowledge, uses, sales, and offers for sale and any document or thing evidencing any of the foregoing, whether before or after any alleged reduction to practice date.

M. "Related Application" means any application in the prosecution history of the '078 patent (including parent, grandparent and all other predecessor applications), and all applications related to the referenced patent, any continuations, continuations-in-part, divisions, interferences, reexaminations, reissues, parents, foreign counterpart applications, and any other applications disclosing, describing, or claiming any invention disclosed, described, or claimed in the referenced patent, or claiming the benefit of the filing date of any application whose benefit is claimed in the referenced patent, whether or not abandoned and whether or not issued.

N. "Related Patent" means any patent that issued from a "Related Application."

O. "Foreign counterpart" means any and all non-U.S. patents corresponding to or claiming priority from the '078 patent, any application related to the '078 patent, or the subject matter of the '078 patent, regardless of whether such application is now abandoned.

INSTRUCTIONS

A. The requests herein shall be deemed to include any and all relevant documents within the possession, custody or control of TV Guide, including without limitation documents located in the personal files of any and all past and present directors, officers, agents, representatives, employees, attorneys and accountants of TV Guide.

B. Documents from any single file should be produced in the same order as they were found in such file. If copies of documents are produced in lieu of the originals, such copies should be legible and bound or stapled in the same manner as the original.

C. These requests are not limited as to time period unless so stated.

D. These requests are continuing in nature.

E. These requests seek both information which is in your possession and which is within your custody, control or obtainable by you.

F. If you withhold production of any documents or things, or refuse to answer, on grounds of privilege, please timely provide a privilege log stating, for each document or thing withheld, (1) the number of pages, if applicable, (2) the author and all recipients (including by way of example, all recipients listed in the "To:" as well as the "CC:" and "BCC:" fields of an e-mail or memorandum), (3) the date of creation, (4) a description of the contents, and (5) the basis for withholding production, including any applicable privileges.
