The Honorable Joseph J. Farnan, Jr.
United States District Court

Wilmington, Delaware 19801

Re: The Dow Chemical Company v. Nova Chemicals Corporation, et al.
C.A. No. 05-737-JJF

Dear Judge Farnan:

Pursuant to Your Honor's Order at the hearing on May 9, 2008, Dow has produced approximately 500 additional documents (about 11,000 pages) to Nova that were previously on its privilege/work product log. Nova believes that Dow's seventh privilege log still contains large numbers of documents withheld inappropriately. Approximately 1,500 documents (about 30,000 pages) remain on Dow's log.

Accordingly, Nova respectfully requests the Court to review in camera the 30 documents listed in the attachment to this letter under the procedure the Court set forth on May 9. By copy of this letter, we request Dow's counsel to produce these documents at the scheduled 11:00 a.m. hearing on June 6, 2008.

Respectfully,

/s/ Richard L. Horwitz
