[1] Elan has not provided Abraxis with trial-stamped copies of myriad exhibits, including all of the joint exhibits. Abraxis reserves its objection to exhibits subsequently provided to the extent they are illegible or differ from the descriptions provided by Elan.

[2] Abraxis objects to Elan's mischaracterization of exhibits in its exhibit list. Such mischaracterizations would prejudice Abraxis if perpetuated during trial before the Court and/or the jury.

Re: *Elan Pharma Int'l Ltd. v. Abraxis BioScience, Inc.*, C.A. No. 06-438-GMS

Dear Chief Judge Sleet:

On behalf of both plaintiff and defendant, we are filing with this letter an amended version of Exhibit 4 (Parties' Combined Exhibit List) to the Proposed Joint Pre-Trial Order filed with the Court on April 7, 2008 (DI 507 and 508). We request that the Court substitute this version of Exhibit 4 for that which was filed earlier, and apologize for any inconvenience this amendment may cause the Court.

Respectfully submitted,
