IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF DELAWARE

OSRAM GMBH and OSRAM OPTO SEMICONDUCTORS GMBH Plaintiffs, v. CITIZEN WATCH CO., LTD., CITIZEN ELECTRONICS CO., LTD., and CECOL, INC. Defendants.	Civil Action No. 06-710-SLR

JOINT REQUEST TO ADJOURN SCHEDULING CONFERENCE TO PERMIT NEGOTIATION AND FINALIZING OF SETTLEMENT AGREEMENT

WHEREAS, this Court on May 22, 2007, issued an Order For Scheduling Conference to be held on Friday, June 29, 2007, at 8:15 a.m.;

WHEREAS, party representatives met in Frankfurt, Germany on May 16, 2007, and the parties have agreed to use their best efforts to negotiate, agree upon, and execute a formal global settlement agreement;

WHEREAS, the parties have commenced the process of negotiating and drafting the details of a formal settlement agreement that would resolve this instant action;

WHEREAS, paragraph six of this Court's May 22, 2007, Order For Scheduling Conference stated that the parties should advise the Court immediately if this matter has been settled;

WHEREAS, although this matter has not yet been finally settled, the parties have the good faith belief that they can negotiate and finalize a settlement agreement, which in turn would settle this instant action;

WHEREAS, the parties desire sufficient time to prepare, exchange, negotiate, and finalize such a settlement agreement;

WHEREAS, the parties do not wish to take up the time and resources of this Court for a scheduling conference that may be premature in view of the present efforts by the parties to reach settlement, and the upcoming negotiations to develop and finalize a settlement agreement that would resolve this action;

IT IS THEREFORE HEREBY JOINTLY REQUESTED, by and between the undersigned attorneys for the respective parties that:

(1) The Court adjourn the telephonic scheduling conference presently set for Friday, June 29, 2007, at 8:15 a.m.; and

(2) The Court set a new telephonic scheduling conference at its convenience approximately four (4) months after the presently scheduled June 29, 2007 conference.
