DEFENDANTS' REPLY IN SUPPORT OF THEIR MOTION FOR ENLARGEMENT OF TIME TO RESPOND TO THE COMPLAINT

Defendants requested a 45-day extension of the time to respond to the two-patent Complaint because they are in the process of retaining counsel and require additional time to analyze the issues and prepare a response to the Complaint. (D.I. 18). Plaintiffs have opposed that routine request. (D.I. 19).

Plaintiffs point to no prejudice from such an extension, and there is none. Plaintiffs' sole basis for opposing the requested extension is that it should be conditioned upon each of the defendants agreeing to meet with them individually regarding settlement during that 45-day period. There is no basis for plaintiffs' attempt to hold a routine extension of time hostage to settlement meetings. Nor is there any basis for plaintiffs to insist that each of the defendants engage in a settlement meeting immediately after having been served with an

unexpected lawsuit, before defendants have retained counsel, analyzed the issues, and responded to the Complaint.

Defendants request that the Court grant their motion for a 45-day extension of time to respond to the Complaint.
