Re: *Takeda Pharmaceutical Company Limited, et al. v. Teva Pharmaceuticals USA, Inc., et al.*, C.A. No. 07-331-SLR

Dear Judge Robinson:

Pursuant to the scheduling order entered in the above-captioned matter, this case is scheduled for an in-person discovery status conference on December 13, 2007 at 4:30 p.m. The parties respectfully request that the Court postpone this conference until a time in January when such conference may be more productive.

The current deadline for completion of document production is February 11, 2008. Plaintiffs expect to begin a rolling production of their documents before the upcoming holidays. Defendants began producing documents on October 23. Until the parties have had a meaningful opportunity to review these productions and attempt to work out any differences amongst themselves, we believe that a conference is premature.

Respectfully submitted,

Rodger D. Smith II (#3778)
