Re: *SenoRX, Inc. v. Hologic, Inc.*
C.A. No. 12-173 (LPS) (CJB)

Dear Judge Burke:

Briefing has been completed on Defendant Hologic, Inc.'s Motion to Bifurcate and Stay Discovery on Damages and Willfulness. Plaintiff SenoRx, Inc. requests argument on that motion at the Court's convenience. We note that Hologic has discussed for the first time in its reply brief other litigation between the parties pending in California, without providing the proper context for the Court to understand why the issues in that litigation were bifurcated. In the event that SenoRx is not able to address that litigation at oral argument, we request the opportunity to submit a short surreply brief on that limited issue.

Respectfully,

Jack B. Blumenfeld (#1014)
