Re: ***Nichia Corporation v. TCL Multimedia Technology Holdings, Ltd. and TTE Technology, Inc., C.A. No 16-681-RGA***

Dear Judge Andrews:

Pursuant to Your Honor's Order Setting Rule 16(b) Conference [D.I. 17] and in preparation for the conference scheduled for December 19, 2016 at 3:30 pm, the parties have conferred regarding scheduling and discovery limitations.

We enclose for Your Honor's consideration the parties' proposed Scheduling Order. As Your Honor will read, there are only two sections in dispute – Section 3(f)(i) and Section 3(f)(ii).

In advance of the scheduling conference, Defendants would like to respectfully advise the Court that they intend to file a motion to stay this litigation pending resolution of the appeal in *Everlight Elecs. Co., Ltd. et al. v. Nichia Corp. et al.*, No. 4:12-cv-11758-GAD-MKM (E.D. Mich.), *appeal docketed*, Nos. 16-1577, 16-1611 (Fed. Cir.) ("*Everlight* Appeal"). In the *Everlight* case, Plaintiff asserted infringement of two patents that are in the same family as all four patents-in-suit.

Respectfully submitted,

/s/ Arthur G. Connolly, III
