Hi Steve,

I'm writing on behalf of the YouTube channel Popcorned Planet. We have been doing extensive coverage on the It Ends With Us Blake Lively and Justin Baldoni suits.

We are looking to see if you would be interested in being interviewed for a documentary. As the suits claim this was surrounding what happened during filming on set and production. We would love to hear from people who were actively involved and what your personal experience was like.

Please see the link below which is the promo trailer for our channel.

Hello Mr. Freedman,

I'm writing on behalf of the YouTube channel Popcorned Planet. We have been doing extensive coverage of the Justin Baldoni/Blake Lively suits.

We did a video today about how Blake is feeling attacked just because Justin is defending himself, which everyone should be able to do!

Dear Stephanie,

I hope you're doing well. I'm reaching out on behalf of the YouTube channel Popcorned Planet. We are currently producing a documentary about It Ends With Us, including the related lawsuits and the content surrounding them.

We have secured various experts, character witnesses, TikTok analysts, Hollywood reporters and IEWU crew members to gain a well-rounded perspective.

We understand that you may be unable to comment due to legal proceedings, but if there is anyone in your network who would like to share their perspective, we would be happy to connect.

For full transparency, we are reaching out to all sides to ensure fair and accurate reporting.

Thank you for your time, and I look forward to hearing from you.

Best regards,

Michelle
