AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

I, Ronald Daniels, being first duly sworn, hereby depose and state the following:

INTRODUCTION AND AGENT BACKGROUND

1. I am a Special Agent with the Federal Bureau of Investigation (“FBI”) and have been since September 19, 2015. I have received basic law enforcement training at the FBI Academy in Quantico, Virginia. I am currently assigned to the FBI’s Tampa Field Office, where I am responsible for conducting and assisting in Domestic Terrorism investigations, and white-collar crimes. I have investigated financial crimes for nearly six years. My training included instruction on investigative tools and criminal law, such as the development and identification of probable cause to support applications to intercept wire and electronic communications. I have become well versed in the methodology utilized in criminal conspiracies and activities. I have arrested numerous individuals for various criminal violations.

2. I submit this affidavit in support of a criminal complaint charging Kenneth Morgan (“**MORGAN**”), a U.S. citizen who resides in North Port, Florida, with transmitting in interstate commerce a threat to injure, in violation of 18 U.S.C. § 875(c).

3. The statements contained in this affidavit are based on my personal knowledge and experience, and reliable information from other law enforcement

officers and computer databases. Because of the limited purpose of this affidavit, I have not included each and every fact known to me. Rather, I have included only those facts necessary to establish probable cause supporting the requested complaint.

PROBABLE CAUSE

4. **MORGAN** is the owner and operator of the public X account @anonNymous16703 with the vanity name “Victory.” A screenshot of **MORGAN**’s X Account is depicted below:

5. On or about March 14, 2025, in the United States, **MORGAN** posted the following directed at Government officials from his X account:

- a. “[Government Official 1] Blow your brains out or you will have to kill your children in front of your wife before you cut her into mm’s with tablesaws like they tried to force suicide on me with antichrist in vermont to bring me to florida concentration camps(house imprisonment/poverty).”
- b. “[Government Official 2] you have to blow your brains out on live tv in taiwan in the name of betraying china on the second

coming or else you will have to kill your entire family with your own hands.”

6. On the same day, **MORGAN** also posted the following messages on his X account:

- c. “If [Government Official 1] says islam is terrorism again instead of telling you there was revelations fo an antichrist in usa and starts giving the details he should just be killed on the spot. This isn't the best way to initiate war but between [Government Official 1 and 2] theyve worked for kufr too long.”
- d. “[Government Official 3] wants to stay in power anti-drug anti-islam for usa facade/bullshit leadership to be the dominant leadership/popularity on the planet; supporting dea and the antichrist is what he did the first agenda;” X.com user “Victory” (@AnonNymous16703) further posted on the same thread, stating, “and he appears to be going this route any signs of it without backing down needs to be killed immediately he is status quo murder/genocide/anti-salvation.”
- e. “I'm getting done with how hard im being pushed by antichrist in my own house; do not judge the way corrupt usa government deserves to be treated; god has already judged this case and I have to get them killed where found; while being murdered 24/7 this is deserved. burn the flags”, the user continued on the same thread, stating, “I am being too abused by antichrist and followers murderously in my own house to not return fire on governors of the untied states in ways to kill them by caliphate.”
- f. “You will be doing this for me to behead the entire dea including yourself Revealing the details of the antichrist/crimes that coincide w/revelation to understand it to the world or die as enemy of mankind. Dea is too in the wrong to allow you to stay alive; even if submissive.”

A review of this account also revealed that on July 15, 2025, the user of the account @anonymou55607, posted “[p]repare for all dea in America to be killed where found Liberation of usa is coming about time people get to live free with laws where they can be innocent until proven guilty Liberation may have already of started and you all have to die nothing else should be accepted.”

22. Opensource research confirms that **MORGAN**'s threats traveled through interstate commerce via X's data servers. On December 3, 2025, your affiant reviewed an article dated December 30, 2022, on siliconangle.com regarding the closing of a Data Center located in Sacramento, California. The article was titled "Twitter reportedly closes Sacramento data center as part of cost-cutting initiative." The article explained that since Twitter, now known as X, was acquired by Elon Musk he sought to reduce costs by closing data centers. After the closing of the Sacramento data center, the remaining open data centers are located in Atlanta and Portland. Your affiant reviewed another article dated May 22, 2025, on wired.com titled "Fire Breaks Out at a Data Center Leased by Elon Musk's X." The author explains that due to the closing of the Sacramento data center in 2022 more than 2,573 server racks were moved to X's Portland and Atlanta data centers. Other open source searches all came back with the same results of the X's servers being located Sacramento, Portland and Atlanta. Your affiant was unable to locate any X servers or datacenters within the State of Florida.

23. From my training and experience, I know that 18 U.S.C. § 875(c) prohibits the transmitting in interstate or foreign commerce any communication containing any threat to injure the person of another. The existence of a threat depends on what the statement conveys to the recipient of the message. To not infringe on the First Amendment, the threat must be a "true threat," which is a serious threat—not idle talk, a careless remark, or something said jokingly—that is made under circumstance that would place a reasonable person in fear of being

injured or in fear of another person being injured, and the speaker must intend to issue a threat, have knowledge that the communication will be viewed as a threat, or be aware that others could regard the statement as threatening violence.

24. Based on my training, experience, and knowledge of the investigation, I have probable cause to believe that, in creating and publishing the above threats, **MORGAN** made true threats, in violation of 18 U.S.C. § 875(c). I have probable cause to believe that **MORGAN** acted at least recklessly and was aware that others could regard his statements as threatening violence when he created and published them. All of the above threats would place a reasonable person in fear of being injured or in fear of another person being injured.

CONCLUSION

25. Based on the foregoing information, I respectfully submit that probable cause exists to believe that Kenneth **MORGAN** knowingly transmitted in interstate

commerce a true threat to injure the person of another, in violation of 18 U.S.C. § 875(c) (transmitting in interstate commerce a threat to injure). Accordingly, I request issuance of the proposed Complaint and Arrest Warrant.
