15. I believe that RING used the Internet, via his Google account associated with email address danielring159012@gmail.com to transmit in interstate or foreign commerce communication containing a threat to injure the person of another. This belief is based upon information provided by Google, both voluntarily and in response to court order and search warrant, through statements made by RING, and information reported to law enforcement by the Washington Post.

16. I believe that RING used the Internet, via his Google account associated with email address danielring159012@gmail.com, as a resident of Bell, Florida, within the Northern District of Florida, to consume content within the YouTube service, and subsequently post threatening content within that application. RING used a publicly viewable platform, with a demonstrably large audience, to threaten specific persons (Mehdi Hasan, Jimmy Kimmel, Barack Obama, and Ilhan Omar), including the families of specific persons (Hasan, Kimmel, Omar, and specifically the children of Former President Obama, Malia

and Sasha), and groups of people (Democrats, communists). RING further ensured that recipients of his threatening communication were placed in actual fear for their safety (paragraph 14, J., *supra*, “People like you will get killed by people like me and I’m not afraid. But you should [be]”), as if to ensure that his comments were not taken as merely rhetoric but a true threat of impending violence. Finally, RING appears to have the means to carry out his threat given his admission on 07/29/2025 in a direct post to Brian Tyle Cohen that “People like u are why people like me have mini arsenals in my house...” *See* paragraph 3(b)(v) *supra*.

17. Based upon the foregoing, there is probable cause to believe that Peter Daniel Ring has violated 18 U.S.C. § 875(c).
