Statement by Donald J. Trump, 45th President of the United States of America

Not only will I not oppose the release of documents related to the unAmerican, unwarranted, and unnecessary raid and break-in of my home in Palm Beach, Florida, Mar-a-Lago, I am going a step further by ENCOURAGING the immediate release of those documents, even though they have been drawn up by radical left Democrats and possible future political opponents, who have a strong and powerful vested interest in attacking me, much as they have done for the last 6 years. My poll numbers are the strongest they have ever been, fundraising by the Republican Party is breaking all records, and midterm elections are fast approaching. This unprecedented political weaponization of law enforcement is inappropriate and highly unethical. The world is watching as our Country is being

brought to a new low, not only on our border, crime, economy, energy, national security, and so much more, but also with respect to our sacred elections!

Release the documents now!
