RE: Case No. 22-cv-81294 – an OFFENSIVE filing....

Attn: Hon Aileen M. Cannon (AMC):

While perusing the Yahoo News face page on my computer, I saw an item that announced that the attached was filed. I began reading it, and was immediately *offended* and *repulsed* by the statement of the very first line the end of which falsely state “... ..President”. I find this extremely offensive as a citizen of the United States; as a United States Air Force Vietnam-era Veteran (1972-2002) **Attach 2 just so you know**. The offensive verbiage is highlighted in yellow fyi. It is my fervent hope that your responses, whatever form it takes, to the filing, repudiates the impudent claim evidenced by that verbiage. May I suggest that your very first line state something such as: ‘Movant Donald H. Trump *improperly* identified as ‘President’, Fact is, as I am sure you know, the USA has just one President at a time.

To allow such verbiage to go unchallenged, is to give aid and comfort to the continued effort to undermine the Democracy; the good order; discipline and freedoms, which have been the hallmarks of the grand experiment - - - the United States of America. Please, I beseech you not to let that arrogant falsity go unchallenged, because it is corrosive to our freedoms – our society, the form of government we chose to live by – – *see* what happened on January 6th? Further, the Attorneys who submitted the filing should be sanctioned for they should know better.

Respectfully,

O’Rane M. Cornish, Sr.
A distressed US Citizen.

**MOVANT'S SUPPLEMENTAL FILING IN SUPPORT OF
MOTION FOR JUDICIAL OVERSIGHT AND ADDITIONAL RELIEF**

Pursuant to the Court's Order dated August 23, 2022, Dkt. 10, ~~Donald J. Trump~~ ("President Trump" or "Movant"), by and through his undersigned counsel, respectfully submits this supplemental filing in support of his Motion for Judicial Oversight and Additional Relief. This supplemental filing responds to the Court's request that Movant provide additional information on the basis for the Court's jurisdiction in this proceeding, the relief sought, and any anticipated effect on a matter before Magistrate Judge Bruce E. Reinhart, which has largely concluded with today's release of a heavily redacted affidavit. This filing also addresses the status of Movant's efforts to perfect service on the Government.

This Court has jurisdiction to provide the equitable relief sought by Movant pursuant to the Court's equitable and ancillary jurisdiction, as well as Federal Rule of Civil Procedure 53. In May 2021, the Government pursued a similar avenue for requesting the appointment of a Special Master in *In re Search Warrants Executed on April 28, 2021*, No. 1:21-mc-00425 (S.D.N.Y.). After securing a search warrant from a magistrate judge in the U.S. District Court for the Southern District of New York, the U.S. Department of Justice wrote a letter to a district judge seeking the appointment of a Special Master. *See Id.*, Dkt. 1. There, the Department of Justice wrote, "Consistent with a court's supervisory authority . . . the court may . . . appoint a special master
