PROLOGUE**

**NOTICE AND CAVEAT:  
DEMAND IS MADE THAT ALL JUDICIAL GOVERNMENT EMPLOYEE(S) WITH WHOM  
THIS CLAIM IS FILED COMPLY WITH THE LAWS SET FORTH HEREIN AND THE  
ISSUANCE OF THE INDICTMENTS SET FORTH HEREIN.**

**I. GOOD GOVERNANCE**

1. According to the U.N. Human Rights Office of the High Commissioner, <sup>4</sup>the true test of 'good' governance is the degree to which it delivers on the promise of human rights: civil, cultural, economic, political and social rights.
2. The Human Rights Council has identified the key attributes of good governance:
  - a. transparency
  - b. responsibility
  - c. accountability
  - d. participation
  - e. responsiveness (to the needs of the people)
3. Good governance and human rights are mutually reinforcing. Human rights standards and principles provide a set of values to guide the work of governments and other political and social actors. They also provide a set of performance standards against which these actors can be held accountable.
4. On the other hand, without good governance, human rights cannot be respected and protected in a sustainable manner. The implementation of human rights relies on a conducive and enabling environment.

<sup>1</sup> This is a false, fraudulent "caption" as is the government norm that uses reverse names for the actions taking place -- in this case decrying "politics" for "justice" when the filing itself is only politics, injustice and flouting of non-facts

<sup>2</sup> See Article IV, Paragraph 18: Constitution; Required, Aggrieved, Interested, Joinder, Intervenor Parties and Witnesses. Claimants are set forth in signatory provisions.

<sup>3</sup> See Article IV, Paragraph 18

## II. RESPONSIBILITY TO PROTECT

5. Reference is made to the following principals of humanity and civilized societies ("Humanity Law"):
  - a. the Responsibility to Protect<sup>5</sup> known as R2P, an international norm that seeks to ensure that the international community never again fails to halt the mass atrocity crimes of genocide, war crimes, ethnic cleansing and crimes against humanity. See Exhibit A.
  - b. Common Law fundamentals upon which the United State was founded, the foundations of which are "Do Not Harm Anyone"<sup>6</sup> and "Keep your Agreements."<sup>7</sup>
  - c. The Non-Corporate Constitution<sup>8</sup> including but not limited to First Amendment right of Petition for grievances and Fourth Amendment protections prohibiting unlawful search and seizure.
  - d. The Laws of Nature and Natures Law, equity and commonsense. See Article IV herein.

## III. SUMMARY OF CLAIMS AND INDICTMENTS

6. The claim brought by Donald Trump affects the Unalienable Rights of the entire U.S. population.
7. Claimants herein ("Claimants") bring this Claim for Crimes against the Public Trust as Aggrieved Americans whose Unalienable Rights have also been seized by trespass, tyranny and fraud parallel to those unlawful and criminal acts against Donald Trump ("Perpetrator Trump"). See Part Four.<sup>9</sup>
8. In addition, Claimants, as Living and Breathing Men and Women bring Claims against the perpetrators set forth in Part Two and Part Three (the "Perpetrators") including Perpetrator Trump, Ron DeSantis ("Perpetrator DeSantis") under Humanity Law for:
  - a. Genocide, Crimes against Humanity, Sex and Human Trafficking, Pillaging, War Crimes and Crimes of Aggression (collectively "U.S. Atrocity Crimes").   - b. Claims against the false, fraudulent corporate government.
9. This Claim and Complaint is filed on behalf of the estimated **HUNDREDS OF MILLIONS** of victims of the U.S. Guardian Genocide Regime and U.S. Child Sex/Human Trafficking Regime.
10. This Claim and Indictments are the dastardly, diabolical result of:
  - a. The installation of a false illegitimate corporate government and Constitution by government and corporate tyrants who usurped, trespassed and stole the We the People government and Constitution and by trickery and fraud created a corporate U.S. government in the Act of 1871;
  - b. Vesting unlawful sole powers and false authority in top level falsely represented public servants who operate under corporate governance to protect their shareholders comprised of their affiliate and associate government employees;
  - c. the color of law, criminal use by false corporate government employees of their illegitimate corporate positions to unleash and weaponize their fraudulent laws and fraudulent/corporate

<sup>35</sup> Article 8 bis3 Crime of aggression 1. **For the purpose of this Statute, “crime of aggression” means the planning, preparation, initiation or execution, by a person in a position effectively to exercise control over or to direct the political or military action of a State, of an act of aggression which, by its character, gravity and scale, constitutes a manifest violation of the Charter of the United Nations.** 2. For the purpose of paragraph 1, “act of aggression” means the use of armed force by a State against the sovereignty, territorial integrity or political independence of another State, or in any other manner inconsistent with the Charter of the United Nations. Any of the following acts, regardless of a declaration of war, shall, in accordance with United Nations General Assembly resolution 3314 (XXIX) of 14 Dec. 1974, qualify as an act of aggression: (a) The invasion or attack by the armed forces of a State of the territory of another State, or any military occupation, however temporary, resulting from such invasion or attack, or any annexation by the use of force of the territory of another State or part thereof; (b) Bombardment by the armed forces of a State against the territory of another State or the use of any weapons by a State against the territory of another State; (c) The blockade of the ports or coasts of a State by the armed forces of another State; (d) An attack by the armed forces of a State on the land, sea or air forces, or marine and air fleets of another State; 3 Inserted by resolution RC/Res.6 of 11 June 2010. 8 Rome Statute of the ICC (e) The use of armed forces of one State which are within the territory of another State with the agreement of the receiving State, in contravention of the conditions provided for in the agreement or any extension of their presence in such territory beyond the termination

#### **E. ENFORCED/FORCIBLE DISAPPEARANCE**

45. The International Convention for the Protection of all Persons from Enforced Disappearance enacted December 20, 2006 provides in relevant part:

**PART I - ART. 2:** For the purposes of this Convention, "enforced disappearance" is considered to be the arrest, detention, abduction or any other form of deprivation of liberty by agents of the State or by persons or groups of persons acting with the authorization, support or acquiescence of the State, followed by a refusal to acknowledge the deprivation of liberty or by concealment of the fate or whereabouts of the disappeared person, which place such a person outside the protection of the law.

46. The Crime of Enforced Disappearance, is graphically described by Amnesty.Org:<sup>36</sup>
  - a. Victims of enforced disappearance are people who have literally disappeared; from their loved ones and their community. They go missing when state officials (or someone acting with state consent) grabs them from the street or from their homes and then deny it, or refuse to say where they are. Some disappearances may be committed by armed non-state actors, like armed opposition groups. And it is always a crime under international law.
  - b. These people are almost never released and their fate remains unknown. Victims are frequently tortured and many are killed or live in constant fear of being killed. They know their families have no idea where they are and there is little chance of anyone coming to help them. Even if they escape death and are eventually released, the physical and psychological scars stay with them.
  - c. Tool of Terror: Enforced disappearance is frequently used as a strategy to spread terror within a society. The feeling of insecurity and fear it generates is not limited to the close relatives of the disappeared, but also affects communities and society as a whole.
  - d. A Global Issue: Once largely used by dictatorships, disappearances now happen in every region of the world and in a wide range of contexts. They are commonly carried out in internal conflicts, particularly by governments trying to repress political opponents or by armed opposition groups.
  - e. Who is at Risk? Human rights defenders, relatives of those already disappeared, key witnesses and lawyers seem to be particular targets.
  - f. Agony and Danger for Families. Families and friends of people who have disappeared experience slow mental anguish. Not knowing whether their son or daughter, mother or father is still alive. Not knowing where he or she is being held, or how they are being treated.

of the agreement; (f) The action of a State in allowing its territory, which it has placed at the disposal of another State, to be used by that other State for perpetrating an act of aggression against a third State; (g) The sending by or on behalf of a State of armed bands, groups, irregulars or mercenaries, which carry out acts of armed force against another State of such gravity as to amount to the acts listed above, or its substantial involvement therein.

<sup>36</sup> <https://www.amnesty.org/en/what-we-do/enforced-disappearances/>

Searching for the truth may put the whole family in great danger. Not knowing if their loved one will ever return leaves their relatives living in limbo.

- g. **Men Most Targeted, Women Lead the Struggle.** Globally, the vast majority of victims of enforced disappearance are men. However it is women who most often lead the struggle to find out what happened in the minutes, days and years since the disappearance – putting themselves at risk for intimidation, persecution and violence. On top of this, the disappeared person is often the main breadwinner, the only one able to cultivate the crops or run the family business. This is then made even worse by some national laws that don't let you draw a pension or receive other support without a death certificate.<sup>37</sup>
- h. **Arbitrary Detention:** Many victims of enforced disappearance have been arbitrarily arrested or detained – in other words arrested or detained without a warrant of arrest.
- i. **Torture:** A disappeared person is also at a high risk of torture since they are placed completely outside the protection of the law. A victim's lack of access to legal remedies put them in a terrifying situation of complete defencelessness. Victims of enforced disappearance are also at high risk of other human rights violations, such as sexual violence or even murder.

#### **F. PERFIDY**

- 47. **The U.S. Atrocity Crimes constitute the War Crime of Perfidy in violation of the Geneva Convention.** <sup>38</sup>
- 48. **Further, the deliberate and systemic betrayal of its own people and the world population by the U.S. makes the government the enemy of the people, engaged in a COLD WAR against the American and World Population and constitutes self-authenticated Crimes of Aggression.**

#### **G. VIOLATION OF NUREMBERG CODE:** <sup>39</sup>

<sup>37</sup> The human traffickers steal the federally protected social security of the Crime Victims.

<sup>38</sup> Customary IHL - Rule 65, Perfidy ([icrc.org](http://icrc.org)) Additional Protocol I defines perfidy as “acts inviting the confidence of an adversary to lead him to believe that he is entitled to, or obliged to accord, protection under the rules of international law applicable in armed conflict, with intent to betray that confidence” This definition is restated in the Elements of Crimes for the International Criminal Court. It is also contained in numerous military manuals. It is supported by other practice. This practice includes that of States not, or not at the time, party to Additional Protocol I. New Zealand's Military Manual and Sweden's IHL Manual point out that the definition of perfidy contained in Article 37 codifies customary international law. The essence of perfidy is thus the invitation to obtain and then breach the adversary's confidence, i.e., an abuse of good faith. This requirement of a specific intent to breach the adversary's confidence sets perfidy apart from an improper use, making perfidy a more serious violation of international humanitarian law. Some military manuals translate this rule as follows: it is prohibited to commit a hostile act under the cover of a legal protection.

<sup>39</sup> **The Nuremberg Code (1947)** <https://media.tehcn.org › medialibrary › 2011/04>The judgment *by* the war crimes tribunal at **Nuremberg** laid down 10 standards to which physicians must conform when carrying out experiments *on* human subjects. THE NUREMBERG CODE - a medical code of ethics based on the laws under which the Nazi criminals were judged in U.S.A. vs. Karl Brandt, et al. (Nuremberg physicians' trial), for their role in conducting horrific medical experiments during the Second World War. The Nuremberg Code later constituted the basis for the Helsinki Declaration 1965 which binds the World Medical Association and practicing physicians to ‘act in the [individual] patient's best interest when providing medical care’. Any physician or research scientist found to have breached any of the 10 principles of the Nuremberg code would face criminal liability, The first principle of the Nuremberg Code is a willingness and informed consent by the person to receive treatment and participate in an experiment. The person is supposed to activate freedom of choice without the intervention, either through force, deceit, fraud, threat, solicitation, or any other type of binding or coercion. Informed consent, with specific reliance on the Nuremberg Code, is also the basis of the International Ethical Guidelines for Biomedical Research Involving Human Subjects. Article 21 of the Rome Statute sets out the legal sources upon which the ICC may draw. The statute defines three primary sources of international law; international treaties, international custom, and general principles of law recognised by civilized nations. It is recognised that the three sources are of equal value and that there is no hierarchy among them. The elements of customary (jus cogens) international law include: • the widespread

Oct 15, 2014 — *Courting Corruption: The Auctioning of the Judicial System ... the desperation to raise money means lawmakers pandering to big donors or ...*

<sup>55</sup>Nuremberg laws are used to strip citizens of their rights, criminalize human rights in order for public official to illegal seize their assets and steal their liberty.

<sup>56</sup> See video of an armed government employee seizing the parent of a Crime Victim herein from her home and son. See photo of the SWAT team terrorizing and arresting the son of a Crime Victim.

86. The tactics deployed to destroy and exterminate the Unalienable Rights and Human Dignity of parents/family members (“Family Elimination Nuremberg Decrees”) are shared in common by judicial perpetrators throughout the U.S.
87. The Family Elimination and Retaliation Nuremberg Decrees include:
- a. Holding family members in “contempt” of Human Trafficking Court by accusing them of “violating” Nuremberg Decrees if they attempt to protect their loved ones who have been decreed “DEAD” and “state” owned by the U.S. Guardian Genocide Regime or become “state” owned in the U.S. Child Trafficking Regime.
  - b. Issuing Nuremberg false arrest “decrees” against family members;
  - c. Erasing and eliminating their familial relationship on the Human Trafficking “fake fraudulent “docket” of the Human Trafficking Courts;
  - d. Issuing “Nuremberg Blackmail Decrees” to prohibit family members from speaking about, exposing or reporting the Atrocity Crimes;
  - e. Pillaging their assets and keeping them in indentured servitude by Nuremberg Decrees commanding them to turn over their property to “insiders” in the U.S. Guardian Genocide/Child Trafficking Regime;
  - f. Torturing them by threats; stalking them and invading their privacy by a relentless stream of fraudulent Nuremberg Decrees by mail and wire;
  - g. Attacking them by using their circle of “insider predators” to stalk them with an endless array of Nuremberg “summons” “warrants” “capias” and “arrest writs;.”
  - h. Stealing the assets and home of family members by fabricated, fraudulent, engineered lawsuits against them to render them indigent and unable to pursue remedy as they are struggling to financially support themselves;
  - i. Murdering the “state owned” mother, father, child or spouse to retaliate and destroy a family member when none of the Atrocity Crimes are effective to silence and eliminate them.
88. U.S. Atrocity Crimes are perpetrated against an estimated **SIXTY MILLION** mostly women and children and over **ONE HUNDRED MILLION** family members throughout the world.
89. The U.S deploys and profits from an army of third-party human trafficker/vendors it pays to steal, traffic, murder and pillage children, parents and spouses in the entire world population.<sup>57</sup>
90. The Perpetrators and the U. S. government perpetrates systemic atrocity crimes under the charade of a democracy.
91. The U.S. Genocide/Child Trafficking Regime is a terror enterprise parallel to the Nazi Holocaust:
- a. Children, mothers and fathers are Kidnapped from their home and family often in the dark of night at GUNPOINT by Grifters/Traffickers paid by the U.S. government to Humanly Own, Sell, Pillage and Murder them;
  - b. Atrocity Crime Victims who expose U.S. Atrocity Crimes and demand remedy are in heightened life endangerment by savage retaliation: the RETALIATORY MURDER of their family member captured in the Regime; their false arrest; seizing their homes and assets; and stripping their professional licenses to deprive them of their livelihood to eliminate them and make them indigent to silence them;

- c. **The Atrocity Crimes include the use of Torture to induce the suicide of Atrocity Crime Victims and fuel murderous rage against them and ignore life threatening danger against them to set up the Murder of Atrocity Crime Victims to eliminate and silence them and cover up the Atrocity Crimes.**<sup>58</sup>
92. The U.S. government attempts to keep all world countries blind to the enormity of the systemic U.S. Genocide, Trafficking and Pillaging Holocaust
93. Claimants are U.S. Atrocity Crime Victims and give testament herein to the world of the **ENORMITY OF THE U.S. ATROCITY CRIMES** just as the Nazi victims who escaped and attested to Nazi Atrocity Crimes
94. Just like in Nazi Germany, the U.S. atrocity crimes are a systemic, epidemic course of conduct.
95. Just as in the Nazi Holocaust, victims are forced plead for their lives and safety to the very U.S. government employees responsible for their protection but are perpetrators or their protectors.
96. The systemic U.S. Atrocity Crimes are a U.S. Holocaust far worse than the Nazi Holocaust.
97. There are an estimated **TEN MILLION CRIME VICTIMS** of the U.S. Guardian Genocide Regime using a 10 % increase per year based on the statistics below.<sup>59</sup>
98. There are an estimated **FIFTY MILLION VICTIMS** of the U.S. Child Trafficking Regime.<sup>60</sup>
99. With the inclusion of only two (2) direct Family Member Crime Victims, the staggering number of estimated Atrocity Crime Victims surpasses **ONE HUNDRED MILLION,**
100. **TRILLION OF DOLLARS** a year are Pillaged from the Crime Victims.<sup>61</sup>
101. The U.S. Atrocity Crimes are Crimes of Aggression by a government that falsely represents itself as a “world leader” in human rights, but has failed to sign most human rights treaties.
102. The U.S. Atrocity Crimes are a Global Terror Threat and Security Risk.
103. Using the citizenship statistics of Claimants, almost 25% of the world population are U.S Atrocity Crimes Victims.

#### A. SUMMARY OF THE U.S. GUARDIAN GENOCIDE REGIME <sup>62</sup>

104. The U.S. Atrocity Crimes by the U.S. Guardian Genocide Regime are perpetrated by **MURDER/STRIPPING/RAPING/THEFT** of the **Unalienable Rights and Human Dignity** of their Victims in order to kidnap, enslave, forcibly disappear, human traffic and pillage their assets in human trafficking courts in the ruse of and by calling the U.S. Atrocity Crimes by the false moniker “guardianship/conservatorship”.
105. Human beings are tortured by depraved indifference to their care; starved; deprived medical care; subjected to sensory deprivation by prohibiting them from touching, embracing or being

<sup>58</sup> Part Two

<sup>59</sup> [http://aja.ncsc.dni.us/pdfs/GuardianshipSurveyReport\\_FINAL.pdf](http://aja.ncsc.dni.us/pdfs/GuardianshipSurveyReport_FINAL.pdf) Research on guardianships continues to be hampered by the lack of quality data. The number of adults under guardianship in the U.S. can only be estimated—a 1996 estimate by Schmidt put the total at approximately 1.5 million. Recent attempts at collecting state data on guardianships have demonstrated the absence of meaningful data—NCSC found in 2006 only thirteen states and DC could report complete statewide guardianship data to the Court Statistics project. Results from this survey show inconsistencies within states that suggest that much of the reported statewide data is inaccurate or incomplete

affectionate to their loved ones; removal of their eyeglasses, hearing aids, and dentures as forms of torture and to accelerate their death; chemically restrained with toxic, lethal, illegal drugs; and Murdered once their life savings and possessions are pillaged.

106. The life savings and possessions of the Family Member Crime Victims are **pillaged to pay Perpetrators who Murder and Traffic vulnerable adult family members.**
107. Many targeted persons are women, vulnerable and protected classes with even greater protections under International and Federal Laws, including the Convention on the Elimination of All Forms of Discrimination against Women; Convention on the Rights of Persons with Disabilities and Americans with Disabilities Act.

#### **B. SUMMARY OF THE U.S. CHILD TRAFFICKING REGIME <sup>63</sup>**

108. The U.S. Atrocity Crimes against children by the U.S. Child Trafficking Regime are perpetrated in the ruse of and by calling them by the false moniker “child protection.”
109. The U.S. Child Trafficking Regime orchestrates unlawful, null and void color of law statutes to pay government employees and insider grifters and criminals to:
- abduct, steals and kidnap children from their families;
  - Groom** children to be sex trafficked;
  - Extort and threaten parents to silence them from reporting their Crimes Against Humanity;
  - blackmail their parents to extort them to pay judicial criminals and grifters;
  - Murder/steal/rape/strip the Inalienable Rights of parents and children.

#### **C. SUMMARY OF THE INEXTRICABLY INTERTWINED RACKETS**

110. The U.S. Genocide/Child Trafficking Regimes spawn an endless array of inextricably intertwined rackets (“Inextricably Intertwined Rackets”) <sup>64</sup>against Victims to silence and extort them and cover up the rackets.
111. We the People are Tortured, Stripped/Deprived of our Liberty, Pillaged of our Assets, subjected to Enforced Disappearance at all levels and by all branches of government employees to Perpetrate and Protect the U.S. Genocide/ Child Trafficking Regime. <sup>65</sup>

### **II. “ALL RIGHTS STOLEN, STRIPPED, GANG-RAPED BY FALSE U.S. NUREMBERG “LAWS” AND “ORDERS”**

#### **A: FALSE U.S. NUREMBERG LAWS**

112. U.S. Nuremberg Laws are encapsulated in “gang rights rape laws” by federal and state Legislators and Governor Perpetrators are **identical to the false “protection sounding names” used by the Nazis in German** euphemistically called by protection sounding names, such as “For the Protection of the People and State,” suspending all of the basic rights of citizens. <sup>66</sup>

<sup>66</sup> [Decree of the Reich President for the Protection of the People and... | Holocaust Encyclopedia \(ushmm.org\)](#) The Decree of the Reich President for the Protection of the People and the State is also known as the Reichstag Fire Decree. It was passed on February 28, 1933. On February 27, 1933, 24-year-old Dutch militant Marinus van der Lubbe **set fire to the German parliament (Reichstag)**, causing extensive damage to the building that had long been the symbol of German unity.

113. The U.S. parallel state and federal Nuremberg Laws are used to steal children and parents from their families and homes parallel to Nazi Nuremberg Laws.

114. U.S. Nuremberg Child Trafficking Laws include:

a. "Title IV" ("Title IV Child Trafficking Decree"):

- Title IV Child Trafficking Decree funds Biden's appointee, Perpetrator Becerra's army of third-party vendors called by "protection sounding names" such as "Child Protection Services" to kidnap and abduct children and deploy them into the slave trade enterprise perpetrated by the U.S. Child Trafficking Regime.
- "Child support" is not rendered to mothers and fathers but funds<sup>67</sup> and money launders fund paid to Perpetrator Becerra, using his HHS criminal enterprise; his crime syndicate network of state child trafficking agencies and Perpetrator judicial employees who operate the child selling and trafficking enterprises in false "courts" and run pay-backs to legislative government employees.

b. "Adoption and Safe Families Act" ("ASFA Child Trafficking Decree") was signed by Perpetrator William Jefferson Clinton and includes countless Gang Rights Rape and slave trade Nuremberg provisions:

---

The government falsely portrayed the incident as part of a Communist plot to overthrow the state in response to Adolf Hitler's appointment as Reich Chancellor by President Paul von Hindenburg on January 30, 1933.

On February 4, Hitler's cabinet had restricted the press and authorized the police to ban political meetings and marches. Nazi leaders then exploited the Reichstag fire to gain President von Hindenburg's approval for a more extreme measure called the Decree for the Protection of the People and the State.

Popularly known as the Reichstag Fire Decree, the regulations suspended important provisions of the German constitution, especially those safeguarding individual rights and due process of law. The decree permitted the restriction of the right to assembly, freedom of speech, and freedom of the press, among other rights, and it removed all restraints on police investigations. With the decree in place, the regime was free to arrest and incarcerate political opponents without specific charge, dissolve political organizations, and suppress publications. It also gave the central government the authority to overrule state and local laws and overthrow state and local governments. This law became a permanent feature of the Nazi police state.

- requires States move to **terminate parental rights** for children who have been in Foster Care for 15 out of the last 22 months.
- “Clarifying” cases in which State are not “required” to reunite Families
- Extends subsidies for adoptive children
- Provides incentives for States to improve adoption rates
- Provides funding for efforts at encouraging adoption
- Promotes the transport of child slave trade by “clarifying” that interstate boundaries should not delay adoption.

115. Examples of U.S. Nuremberg Adult trafficking laws include:

- a. Public Law No: 115-70” (“Genocide Funding Decree”)
  - The Genocide Funding Decree purports to “protect seniors” from extortion and abuse when it tangentially only deals with the relatively benign issue of telemarketer calls.
  - The Genocide Funding Decree superficially refers to U.S. Atrocity Crimes by the U.S. Guardian Genocide Regime to imply it provides some element of “remedy” when in the hidden “back end” it FUNDS the U.S. Guardian Genocide Regime.
- b. An Elder Kickback/Extortion Funding Decree called by the false protection sounding name the “Elder Justice Act,” a fabricated fraudulent decree that pretends protection to elderly adults but is used to steal taxpayer funds and pay kickbacks to government agencies that abet and conspire with the U.S. Guardian Genocide Regime.

116. Examples of the state U.S. Nazi Nuremberg Laws include:

- a. State Child Trafficking Nuremberg Laws:
  - **44.301 Florida Statutes: Natural guardians.**
    - (1) The parents jointly are the natural guardians of their own children and of their adopted children, during minority, unless the parents’ parental rights have been terminated pursuant to chapter 39.
  - **700.5215 Michigan Statutes: Powers and duties of guardian of minor.**

A minor's guardian has the powers and responsibilities of a parent who is not deprived of custody of the parent's minor and unemancipated child, except that a guardian is not legally obligated to provide for the ward from the guardian's own money and is not liable to third persons because of the parental relationship for the ward's acts.
- b. State Guardian Genocide Nuremberg Laws:
  - **744, Florida Statutes – Rape of all rights/defiling/slurring/dehumanizing a human being as a “ward” and pretending a judicial government employee can criminally violate laws and make “medical determinations” all in one sentence:**
    - (b)“Plenary guardian” means a person who has been appointed by the court to exercise all delegable legal rights and powers of the ward after the court has found that the ward lacks the capacity to perform all of the tasks necessary to care for his or her person or property
  - **700.5314 Michigan Statutes – the Third Party Trafficker can decide to murder their Crime Victim at any time (degrades/slurs/defames/dehumanized the mother, father child or their other Atrocity Crime Victim by identifying them as a “ward”):**
    - (d) power to execute, reaffirm, and revoke a do-not-resuscitate order on behalf of a ward.

117. The U.S. Nuremberg Laws are a lethally concocted systemic attack against the world population at their inception:

- a. The very kidnappers/traffickers who abduct, kidnap and traffic our parents and children are paid by the government to perpetrate the U.S. Atrocity Crimes;
- b. The very same government funded kidnappers/traffickers are “authorized” under Nuremberg Laws to be the entities who “decide” to “terminate” parental rights and familial rights to the children, parents and vulnerable adults they kidnap;
- c. The very same government funded kidnappers/traffickers are “authorized” under Nuremberg Laws to “investigate” their own Atrocity Crimes.<sup>68</sup> In the Kafkaesque Genocide/Trafficking Regime, government insider traffickers openly flout they ignore reported Atrocity Crimes and fail to open official law enforcement investigations and instead rewards the perpetrators by providing them “resources” and criminalizes Atrocity Crime Victim by raping/stripping their Unalienable Rights and Human Dignity and selling them into ownership by a “guardian” or “conservator” or both.<sup>69</sup>
- d. “Guardian” Nuremberg Laws are void “financial slave trading incentives” to fund, “certify” and deploy Third party grafter/criminals called by the protection sounding names “guardian” and “conservator” to perpetrate U.S. Atrocity Crimes and enable, abet and conspire with their theft and concealment of theft of U.S taxpayer funds including Medicare, Medicaid, IRS, Pensions, Social Security and 401ks.

118. All U.S. Nuremberg Laws are specifically incorporated herein and void.

**B. THE U.S. NUREMBERG LAWS AND U.S. ATROCITY CRIMES  
ARE SELF-AUTHENTICATED AND ADMITTED BY THE PERPETRATORS**

**B-1: COLLUSION, CONSPIRACY AND COVER UP**

119. The U.S. Nuremberg Laws and U.S. Atrocity Crimes are exposed by mainstream influencers and authors.<sup>70</sup>

120. They are rampantly reported in the media, documentaries and movies.

121. The U.S. Nuremberg Laws and U.S. Atrocity Crimes are affirmed and admitted by the top officials of the United States themselves.

122. Ted Cruz, Ranking Member of the Senate Judiciary Subcommittee on the Constitution; Richard Blumenthal, Chairman of the Senate Judiciary Subcommittee on the Constitution and Bob Casey and Susan Collins, Chairman and Committee Member respectively of the Senate Special Committee on Aging are Perpetrators and Protectors of the U.S. Atrocity Crimes:

- a. Cruz and Blumenthal falsely represent themselves as “fixers” of the U.S. Guardian Genocide Regime.
- b. Cruz and Blumenthal orchestrated an ex parte sham hearing they titled “**Toxic Guardianship**”<sup>71</sup> where the following events occurred:

---

<sup>68</sup> Part Seven where HSS, APS, CPS and countless other traffickers using “protection alphabets” acting under the auspices of “law enforcement receive Atrocity Crime Complaint against themselves and issue “NO REMEDY” Nuremberg determinations in the charade that they have “investigated” their own Atrocity Crimes.

- Atrocity Crime Victims were prohibited to appear;
  - Cruz and Blumenthal used the ex parte sham hearing to issue pre-arranged “edicts” to cover up, conspire and fund the U.S. Guardian Genocide Regime;
  - The Cease and Desist Demand to Crux and Blumenthal was ignored.<sup>72</sup>
- c. Bob Casey, Senator and Chairman Senate Special Committee on Aging and Susan Collins Senator and Committee Member Senate Special Committee are leading Perpetrators and Protection arms of the U.S. Guardian Genocide Regime by their diabolical back-door Nuremberg Laws that fund the U.S. Guardian Regime while using false “protection sounding euphemisms” such as “Guardian Accountability Act” to delude the public that payment to judicial and other criminals to perpetrate Atrocity Crimes is “accountability.”<sup>73</sup>
- d. They hold endless farcical, color of law “legislative hearings” where they affirm and profess outrage to the U.S. Atrocity Crimes taking place in the U.S. Guardian Genocide Regime while conspiring to and funding the racket <sup>74</sup> thereby committing Perfidy.
- e. Perpetrator Rick Scott is a mastermind of the U.S. Guardian Genocide Regime that is an apocalypse in Florida due to its large population of older adults with wealth. Perpetrator Scott devised the largest Medicare embezzlement racket in the country.<sup>75</sup> Instead of being indicted and incarcerated, he went on to bamboozle the public by becoming Florida’s governor where he deployed his tactics used in the Medicare fraud scheme to make Florida the human trafficking capital of the world and then deployed his trafficking tactics on the entire country as a U.S. legislator.
- f. The legislative Perpetrators use taxpayer funds to “track” these known U.S. Atrocity Crimes by the “Government Accountability Office” <sup>76</sup> one of their government employee vendors and then ignore, cover up and conspire.

127. Repeated hearings by top government officials before the Senate Committee on Aging report and admit the U.S. Atrocity Crimes by the U.S. Guardian Genocide Regime. <sup>83</sup>
128. Instead of mandating criminal investigation, these cross-corrupted top U.S. government officials act in collusion, sponsoring legislation to fund the U.S. Atrocity Crimes.
129. Perpetrator Biden and his processors “enact and adopt” the unlawful, rights-rape-murder “Nuremberg bills,” thereby accomplices and conspirators to the U.S. Atrocity Crimes.
130. As the entire government watched Britney Spears being humanly owned, trafficked, medicated with toxic drugs in violation of the Nuremberg Code and Pillaged, instead of ordering the arrest of Brenda Penny and all other judicial and other Perpetrators, Perpetrators Crux and Blumenthal pretended outrage by ridiculous “tweets” as if they were watching a tennis match.

### **B-3: EXPOSURE BY STATE SENATOR NANCY SCHAEFER**

131. Nancy Schaefer, a Senator in the state of Georgia devoted her public service career exposing the Atrocity Crimes of the U.S. Child Trafficking Regime and the third-Party Vendor Child traffickers using the protection sounding name” Child Protection Services” (“CPS”), calling their actions “Crimes against Humanity.”<sup>84</sup>
132. **Schaefer reports the staggering unlawful Nuremberg control judicial government employees have over the rights of Americans and the world population:**
  - a. Judicial government employees have control of the private living arrangements and income of over 48.3 million Americans;
  - b. the Third-Party Vendor Child Traffickers known as CPS looks to the children for their job security;
  - c. According to the U.S. census bureau \$40 billion in transfer payments were made between households of custody parents and “others;” <sup>85</sup>
  - d. That money is under the control of family judicial employers under confidentiality laws that protect the wrong persons;
  - e. Rights are removed from parents, human rights, civil rights and even religious rights
  - f. Three fathers that she was aware of committed suicide because of the theft and trafficking of their children by third party vendor traffickers CPS;
  - g. These are Crimes Against Humanity for Financial Gain**
133. Nancy Schaefer published a report entitled “The Corrupt Business of Child Protective Services” where she states: <sup>86</sup>

“The Department of Child Protective Services, known as the Department of Family and Children Service (DFCS) in Georgia and other titles in other states, has become a “protected empire” built on taking children and separating families. This report is concerned with the children and parents

caught up in “legal kidnapping,” ineffective policies, and DFCS who do does not remove a child or children when a child is enduring torment and abuse.

In one county in my District, I arranged a meeting for thirty-seven families to speak freely and without fear. These poor parents and grandparents spoke of their painful, heart wrenching encounters with DFCS. Their suffering was overwhelming. They wept and cried. Some did not know where their children were and had not seen them in years.

**I had witnessed the “Gestapo” at work and I witnessed the deceitful conditions under which children were taken in the middle of the night, out of hospitals, off of school buses, and out - 3 - of homes.** Due to being exposed, several employees in a particular DFCS office were fired. However, they have now been rehired either in neighboring counties or in the same county again. According to the calls I am now receiving, the conditions in that county are returning to the same practices that they had before the light was shown on their deeds.

**Having worked with probably 300 cases statewide, I am convinced there is no responsibility and no accountability in the system.”**

134. **In this macabre, monstrous U.S. Holocaust, Atrocity Crime Victims live in terror and constant fear of suicide by their parents and children, shown in these testaments and affidavits herein.**
135. Nancy Schaefer was found dead at her home in Turnerville, Georgia in Habersham County on March 26, 2010 with a single gunshot wound to her back along with her husband of 52 years, Bruce Schaefer who was found with a single gunshot wound to his chest.
136. **Any reasonable person would conclude Nancy Schaefer was calculatedly and deliberately Murdered because of her whistleblowing expose of the U.S. Child Trafficking Regime.**

#### **B-5: U.S. NUREMBERG LAWS ARE USED TO FUND THIRD PARTY GRIFTER/TRAFFICKER/HUMAN OWNER VENDORS**

137. U.S. Nuremberg Laws fund the Perpetrators of Genocide and Trafficking by calling them by protection sounding “euphemisms/code words” such as “Health and Human Services,” Child Protection Services” and “Adult Protection Services” to conceal their function – stealing children from their parents, selling them to slave traders and funding subsidies to Third-Party Vendor Traffickers to incentivize them to kidnap children from their families and traffic them.
138. Xavier Becerra, Secretary of HHS perpetrates the U.S. Atrocity Crimes:
  - a. Becerra and HHS are in charge of, administer and pay trafficker/slavery agencies with protection sounding names as “Administration for Children & Families”<sup>87</sup> and “Adult Protection”<sup>88</sup> third-party insider traffickers funded by the Perpetrators to steal, kidnap and abduct children and parents from their families.
  - b. Becerra and HHS control top government leaders by backdoor funding deals.
  - c. Becerra and HHS control the human trafficking courts called by the “protection sounding euphemisms” “Family Court” and “Guardian Court.”

d. Becerra deploys grifters, rapists and those with criminal records to perpetrate the U.S. Atrocity Crimes; See Part Four re Perpetrator DeSantis

e. Becerra learned his trade by engaging in direct systemic attacks on the U.S. and world population in his prior capacity as the Attorney General of California as evidenced and attested by Claimants.

139. Predators like Perpetrator Anthony Palmieri concoct a “National” Genocide, Pillaging, Trafficking Regime called by the outrageous “protection sounding name” National Guardian Association to use the U.S. and the world as a platform to transport U.S. Atrocity Crime Victims from state to state to traffic, pillage their assets and murder them.

140. Perpetrator Anthony Palmieri conspires with legislator perpetrators to seize Victims and their assets in all countries, endangering the entire world population.

141. Victims who are embroiled in the U.S. Guardian Genocide Regime and/or the U.S. Child Trafficking typically become embroiled in “Inextricably Intertwined Rackets” concocted by the Perpetrators to further terrorize, silence and retaliate against them.

### C. U.S. NUREMBERG “ORDERS”

142. The epitome of barbaric U.S. Nuremberg Orders that are the product of the U.S. Nuremberg Laws is exemplified by that below:

144. The judicial predator/perpetrator who gang raped and murdered the rights of a young Afro-American man is **MARK A. SPIESER**.

145. **MARK A. SPEISER** is part of the Florida Genocide/Human trafficking army of Perpetrator Ron DeSantis.

146. Another of the many judicial predators in Perpetrator DeSantis' arsenal is **CHARLES GREENE**<sup>89</sup> who openly spews his racist hate crimes opining a black victim is NHI (no human involved).
147. These brazen criminals who wear black robes and conduct human trafficking crimes in the guise of a "court hearing" are deployed and protected by Perpetrator DeSantis who routinely issues "protection/cover up letters" for his trafficking army.<sup>90</sup>
148. Their victims are forced to resort to seek remedy by sending Petitions<sup>91</sup> exposing their U.S. Atrocity Crimes and futilely suing him in the lawless courts of crony corporate government employees<sup>92</sup> as they are perpetrated by design as a systemic war crime against humanity.

**TAMMY MORGAN AND HER MOTHER  
VIRGINIA BEVERIDGE**

Poppy Helgren's father Lester G. Moore, died at age 92 on 2/2/2021 in Camarillo CA, under a Conservatorship. He was a U.S. Navy Veteran, killed by very negligent nursing care. His death certificate states his cause of death is septic shock, bowel obstruction and fecal impaction. It is an incredibly painful way to die. He had a fecal impaction (his care takers were not monitoring his bowel movements) that led to a Bowel Impaction (blockage in the intestines) that caused necrosis (dying of the tissues/organs) which caused septic shock (a massive infection). I was notified by Email by the conservator of his death. It was an unnecessary death. I am his only child and was capable of caring for him. But the Probate Court smelled his money/assets and would not allow me to assume the role of successor trustee which was written in his 1993 Trust.

These pictures are in his casket that they finally sent to NV almost 6 weeks after he died. Inhumane is what happened.

### My letter to Joe Biden March 21, 2022

Impeachment evidence: You have ignored these growing numbers, Mr. President, since you took office.

**President Biden:**

The numbers: It has been over two years since I have seen my beloved sons Nikolay and Kennedy alive. The last time I saw my boys alive was March 10, 2020, or 741 days. To be denied their father is an unconscionable abuse of my children's rights. 10,000 dead children. On February 24, 2022, Acting director of DCFS Ginger Pryor and her Deputy Dawna Yokoyama stated for the record that DCFS has murdered 10,000 children over the past twenty years. You have ignored this Holocaust for 35 days, Mr. President.

I have reported these crimes against humanity to Interpol as of March 10, 2022. That was 11 days ago.

On March 5, 2022, Lauren Kupersmith of your Department of Justice said, in her letter to me, that the Justice Department would not investigate the mass murder of children in Los Angeles. In other words, your Justice Department is on the side of mass murder as well as child sex trafficking. It has been 16 days since, and you have not fired her. I will follow up with Katharine Chon, head of OTIP in your administration, to see if she is also in favor of mass murder of children.

I asked these two questions of Katherine Chon, again, who serves in your administration, and got these answers:

1. Katherine Chon, do you support the mass murder of children carried out by Los Angeles DCFS?

I, Katherine Chon of OTIP, support the mass murder of children carried out by DCFS. I applaud Ginger Pryor and her deputy Dawna Yokoyama for killing 10,000 children and hope they kill many more.

2. Do you support the child sex trafficking, carried out by DCFS, of my beloved sons Nikolay and Kennedy Taylor?

I, Katherine Chon of OTIP, support the child sex trafficking of the boys Nikolay and Kennedy Taylor.

I got these answers on March 10, 2022, President Biden, so that means 11 days that you have not fired her.

425 days (since January 20, 2021) that you have ignored the plight of my beloved sons, Nikolay and Kennedy Taylor, who have been child sex trafficked and disappeared in violation of Federal law and their human rights.

**ADD WHEN THEY WERE TRAFFICKED APRIL 2, 2021**

173 days since Nikolay and Kennedy were disappeared into Eslynne Weaver's extreme porn site (since September 29, 2021). I don't know if my boys are alive or dead.

574 days since the boys' mother, my ex-wife Liz Taylor, was disappeared (since August 24, 2020). She was murdered on that day by Kanaan Ng of DCFS (by his account) and his accessory (by her account) was the above mentioned Eslynne Weaver.

125 days since Eslynne Weaver confessed to working with Kanaan Ng to kill Liz (since November 16, 2021).

156 days since the above mentioned Katherine Chon of your administration announced her support of child sex trafficking and murder (since October 16, 2021). She's worse now, and still working in your administration.

1,477 days since my sons were kidnapped by Los Angeles DCFS (since March 5, 2018). Then and in the years since, the only reason ever stated for taking my sons was to force them into child porn. No legal reason has ever been given.

Mr. President, my children are in the care of the psychotic killer and extreme pornographer Eslynne Weaver. See the crime letter that I will send you next. Three criminal gangs, Los Angeles DCFS and Ohio JFS and OTIP in your administration are working to cover up the multiple murders and daily child abuse.

Note that the Acting Director of DCFS, Ginger Pryor, like the head of Ohio JFS, Matt Damschroder, has confessed to child rape and murder. What about negligent homicide?

Besides Liz there are the DCFS murders of Guler Ugur, Richard Kasa and four-year-old Noah Cuarto which are directly linked to this case.

Besides all that there was the fifth DCFS attempt on my life, January 28, 2022, and a police terror attack on me, February 8, but I'm still standing.

We conclude with the ever rising r

director, Ginger Pryor, and her

Deputy Dawna Yokoyama, and there is no reason to doubt them. Do the math—that means that DCFS kills a child each and every day.

#### **A-5: TORTURE; PROLONGED TORTURE AND SEXUAL ATROCITIES**

163. The Crime Victims are sexually assaulted and sexually molested and raped and trafficked.

164. The torture atrocities are excruciatingly protracted to pretend a “court proceeding” is taking place in order to devise countless fraudulent, fabricated “hearings” in human trafficking courts as events to trigger ongoing Pillaging of the property of Crime Victims whereby the Crime Victims are forced to pay attorneys/guardians and their criminal affiliate to perpetrate the Atrocity Crimes to which they are subjected.

166. They are prohibited from embracing, touching or any contact with their loved ones

167. These monstrous atrocities are devised to systemically, deliberately and willfully to:

- a. debilitate, incapacitate and dehumanize the Crime Victims, cause them to be compliant and incoherent and medically induce them to mimic signs of “dementia.”
- b. accelerate their death.

#### **A-7: TORTURE BY WATERBOARDING**

It's been almost 60 days since I had to hand over my sons to their abuser. I didn't know how I would survive the first hour, forget the days and weeks. I hoped the passing of time would make it less painful, but it hasn't. The pain has become stacked upon itself, it has grown heavier with each passing day, magnifying and multiplying exponentially. Some days I wake up and cannot fathom enduring another day of agony. I take it, not one day at a time, but literally one minute at a time. I go on bc my love for my children transcends my own desire to stop the pain, lay down, and give up.

If you cannot fathom the sheer agony of turning over your children to their abuser, neither could I. It's a horrible mixture of disbelief, pain, resistance, guilt and fear. It was, without a doubt, the hardest thing I have ever done in my life. It made me doubt everything I had ever been told about right and wrong, fairness and justice. At 44 years old, I learned it was all a lie. These boys learned that lesson at six years old. Six years old. I don't know how they will get through the years and live a normal life, openly and lovingly, knowing that the world is a cruel place where they victims are disbelieved, debased, and devalued by those entrusted with their protection. How do you find your place and navigate this world knowing that justice, truth and the right to protection do not apply to you? That's for other kids. Judge Ryon's and Christinn Hughes' kids. The same rules and mercies can't apply for William and Luke.

The added cruelty was that I had to tell my sons the verdict and deliver them to their abuser. Those who made the decision didn't have to look them in the eye and see the horror on their faces or hear their pleading words of disbelief. I will never forget a second of it. You know those stories where killers make victims dig their own graves before killing them? I could never fathom why people complied and kept digging. Now I understand. It was bc there was some small sliver of hope left in them, that they would somehow be spared or someone would come to their rescue. No one ever does, and no one did here either. I stood in the grave they made me dig. They pointed the gun at my head, and in the final sadistic act, they made me pull the trigger.

On that day, these two beautiful six year old boys who had trusted that there was at least one person in the world who would always protect them, learned the cold hard truth: that there is no protection. The Judge and BIA made the one person that they trusted, betray them. I had to tell them I had turn them over. I had to give them up.

With the verdict, they made it very clear that day that no one would hear their voices and that their pain and suffering didn't matter. I had to tell them not to cry or show any resistance bc the judge said he could use force. That's right, I had to tell two six year olds to stence their voices and not resist, bc if they did, their abuser was authorized by Joan Ryon "to use force," to get their submission. You know how we tell our kids that if anyone tries to force them into a car or take them, to scream and fight like hell? I had to tell my kids to do the exact opposite. I put them in their abusers car and told them to not fight back. Their lives literally depended on it.

Everything we tell our kids: tell the truth, speak up, ask for help, right and wrong matter, have a strong moral compass, help others, put good into the world and things will be ok. Justice will prevail. Truth always wins. Fairness matters. It's all a lie and now these two little boys know it.

### **E. ATROCITY CRIME VICTIMS ARE SET UP BY THE PERPETRATORS**

243. In addition to third-party trafficking agencies HHS and its state subsidiaries Perpetrators hire an army of other third-party trafficking agencies represented to the public as pseudo “law enforcement appendages” used to intimidate the confidence of Atrocity Crime Victims and reveal their whereabouts when they flee for their life and seek refuge and safe harbor.
244. Atrocity Crime Victims who confide in these decoy agencies to report Atrocity Crime are entrapped, captured and criminalized.

246. They are villainized by a Playbook devised by the Perpetrators accusing them of the very Atrocity Crimes being perpetrated by the Perpetrators including “kidnapping,” and a fictitious “Nuremberg Charge” invented by the Perpetrators they call “interference” with the “custody” of their own child or parent, thus creating multiple systemic attacks -that the family member protecting their parent or child from U.S Atrocity Crimes has committed a crime and that the Atrocity Crime Victim is being held in criminal custody.

investigation that immediately followed. The order was issued by Judge Harold Erwin, and it sure appears like authorities want information about the case hidden from the public...

Former Senator Linda Collins-Smith was the primary sponsor of HB1923, which became Act 922 in April 2017, drafted to make people aware of **human trafficking**.

**We are posing some important questions: Was Linda Collins-Smith getting ready to expose child trafficking in Arkansas government?** Did she have information that could incriminate a specific person or organization? Could one of those organizations be Child Protective Services? **There are still a lot of unanswered questions...** Could there be a connection between the recent suspicious deaths of 3 former state senators? According to FOX News, TWO former state senators were fatally shot at their homes in June 2019: Linda Collins-Smith from Pochontas, Arkansas and Jonathan Nichols from Norman, Oklahoma. Another brave former senator, Nancy Schaefer from Georgia, was killed the same way in 2010. Schaefer published "The Corrupt Business of Child Protective Services".

**All three former senators who met with suspicious deaths were looking into problems with Child Protective Services (CPS)! Child Protective Services (CPS) and/or the Department of Human Services (DHS) are private, non-governmental agencies funded by federal grants. Child Protective Services (CPS) is a multi-billion dollar business and can be a very corrupt service. Unfortunately, there is an incentive to sell children.**

**List of other names and acronyms for Child Protective Services (CPS):**

- Department of Children and Families – DCF
- Department of Children and Family Services – DCFS
- Department of Social Services – DSS
- Department of Human Services – DHS
- Department of Child Safety – DCS
- Department of Child Services – DCS

## **VI. RETALIATION ATROCITY CRIMES AGAINST THOSE WHO REPRESENT ATROCITY CRIME VICTIMS FOR SEEKING REMEDY**

253. The rare attorney who attempts remedy instead of being a conspirator to U.S. Atrocity Crimes is subjected to the "Playbook" of Retaliation Atrocity Crimes used against "Whistleblower Bar Members" who expose Atrocity Crimes of the "Bar Crime Syndicate."

254. The Playbook used against Attorneys for Atrocity Crime Victims who seek remedy includes:

- a. They are typically stripped of their license to both cripple them financially and to defame and slur them in endless lawsuit where they become embroiled by labeling them as a "DISBARRED ATTORNEY to destroy their credibility;"<sup>120</sup>
- b. They are arrested or threatened with arrest;
- c. Their careers are destroyed by defamatory slurs against them;
- d. Their assets are stolen by Nuremberg "Contempt Orders," fabricated lawsuits and threats of seizure of their assets;

e. They live in fear of the seizure of their assets, arrest and savage retaliation attacks.

#### **A. ATTORNEY MICHELLE MACDONALD**

255. While attempting remedy for Atrocity Crimes against Sandra Grazzini-Rucki by Perpetrator David L. Knutson in the U.S. Child Trafficking Regime,<sup>121</sup> Attorney Michelle MacDonald was subjected to vicious retaliation Atrocity Crimes:

- a. Attorney Michelle MacDonald was falsely arrested;<sup>122</sup>
- b. She was “Ordered” by Nuremberg Decree to continue the “human trafficking trial” of her client while under arrest, handcuffed, with no files, without her glasses and without her client present;
- c. Her license was stolen/suspended in retaliation in a 42-page diatribe with made up fabricated false cover up “facts;”<sup>123</sup>
- d. Attorney Macdonald was seeking office as state Supreme Court judge and the Retaliation Atrocity Crimes were calculated to strip and destroy her ability to pursue this livelihood.

#### **B. ATTORNEY NICKOLA CUNHA**

256. While attempting remedy for the Atrocity Crimes against her clients who were stripped/raped of their rights by Perpetrator Gerald I. Adelman in the U.S. Child Trafficking Regime Attorney Nickola Cunha was subjected to vicious retaliation Atrocity Crimes exposed to the world in an “Atrocity Crime Report.”<sup>124</sup>

- a. Perpetrator Thomas G. Moukawsher, the judicial protection arm of Perpetrator Adelman stole/stripped her of her license;
- b. After stealing her license, Perpetrator Moukawsher ordered Cunha to turn over her clients’ confidential contact information and active and pending files to a court-appointed trustee;
- c. Perpetrator Moukawsher seized her escrow account, falsely accusing her of withdrawing funds that Cunha accounted for and earned;
- d. Perpetrator Mouskawsher ordered a CT State Marshal to arrest without criminal charges being filed against her.
- e. Attorney Cunha was arrested

“What should be questioned is why I was targeted for going public with the truth,” Cunha said.

#### **C. ATTORNEY BARBARA STONE**

257. Attorney Barbara Stone herself filed for guardianship of her OWN mother to protect her from theft and physical abuse by her son documented by forged checks and medical records.

258. The remedy is arrest and incarceration of the perpetrator, but U.S. law enforcement agencies systemically refuse to comply with their own criminal laws, leaving victims no remedy to fuel the charade that remedy must be sought in the very civil courts that conspire in the crimes.

259. Thus the decoy/trap of “guardianship” is forced on victims as a pretend “remedy” to fuel the U.S. Guardian Genocide and Child Trafficking Regimes.
260. Attorney Stone herself filed a guardianship with the expectation her mother would be protected from crimes by a **civil court** as she would be “designated guardian” of her own mother as if she, the natural daughter needed a civil court to **validate her Unalienable rights to protect her own mother**.
261. Once Attorney Stone entered the terror syndicate called “guardianship,” Stone’s mother <sup>125</sup>and Stone <sup>126</sup> were subjected to barbaric Atrocity Crimes.
262. Helen Stone, Attorney Stone’s mother was subjected to:
- a. beatings and starvation, sensory deprivation, and denial of medical care;
  - b. emergency admitted to the hospital almost 20 times for life endangerment;
  - c. pillaged of her home, all assets and her life savings;
  - d. ruthlessly drugging with toxic lethal drugs;
  - e. Helen Stone was MURDERED by GENOCIDE by toxic drugging and depraved indifference to care.
263. Attorney Stone was weaponized and criminalized for the Atrocity Crimes by the Perpetrators:
- a. Unlawfully stripped of her law license **after** she retired from law with a letter of appreciation from the bar for her many years of service to retaliate against her for being a whistleblower to their Atrocity Crimes. The stripping of bar licenses of whistleblower attorneys by the Perpetrator Bar Association is done to destroy them on many fronts: to steal their financial livelihood, to slur and defame them and attack their credibility by referring to them as a “disbarred attorney” or “frivolous litigant” in lawsuits by or against them; prevent them from filing class actions for victims and to threaten and blackmail them from seeking remedy; See blackmail letter from “bar president” who blackmailed and threatened Stone with “contempt of court” in a matter in which he was not a party and in which she was filing as a victim in compliance with applicable laws in order to protect the Atrocity Crimes of Governor Perpetrator Ron Desantis;
  - b. repeatedly falsely arrested for trying to save her mother’s life from Atrocity Crimes by the U.S. Guardian Regime including being arrested **for feeding her mother** who was being starved and had the emaciated appearance of a child in a 3rd world country;
  - c. when Stone was sued by perpetrators in the U.S. Genocide Regime by being accused of their Crimes, their federal judicial accomplices including Joan Lenard, Jonathan Goodman, Laurel Isicoff, the entire 11<sup>th</sup> Federal Court of Appeals, Supreme Court Perpetrator Clarence Thomas and an army of accomplice judicial brethren gang raped Stone’s rights by Nuremberg Orders to steal her home, life savings and possessions, prohibit her from reporting their Atrocity Crimes; prohibit her from seeking remedy against them; and slurred, defamed and hate crime labelled as “frivolous” and “vexatious” in a 60 page Nuremberg Order of false facts and

#### D. ATTORNEY KATHERINE HINE

264. Attorney Katherine Hine exposed the putrid rot infested in the “U.S. Bar Association”<sup>129</sup> in her resignation letter:

Maureen O’Connor, Chief Justice  
SUPREME COURT OF OHIO, THE  
65 S Front St  
Columbus, Ohio [43215]

TO ALL CONCERNED:

This letter is for the purpose of publicly announcing that I am resigning as an attorney licensed to “practice law” in the State of Ohio. No one is pressuring me to make this decision. I have no reason to believe there are any attorney disciplinary proceedings pending or being initiated against me. My decision is based solely on my own conscience and sense of ethics. I understand it to be irrevocable.

As a follower of the teachings of our Lord Jesus Christ, I find I can no longer associate myself with those who have abandoned the pursuit of earthly justice in favor of money and power. In particular, I can no longer rationalize the legal system’s increasing disregard of basic Constitutional principles, such as the rights of Us the People to not have our lives, liberties, or properties taken from us without due process of law, the right to bear arms without government approval, the right to be free of unreasonable searches and seizures, and the multiple rights enshrined in the now increasingly ignored First Amendment. I took an oath to become an “officer of the court” and to support the Constitution, not corporate interests, during a mass swearing-in ceremony in Columbus in the spring of 1977. I can no longer tolerate seeing that Constitution besmirched by “courts” at every level. In particular, I can no longer stomach the prospect of ever again working in a system that disregards plain meaning of both its own corporate statutes it calls “law” as well as the principles of higher jurisdictions of Common Law, the Constitution, and holy scripture. I cannot be part of a system that exempts corrupt judges from liability for crimes they commit against their fellow men, women and children under color of law [Stump v. Sparkman, 435 U.S. 349 (1978)], a system that condones pedophilia [State v. Mole, 2016-Ohio-5124; In re CP, 131 Ohio St.3d 513 (2012)], a system that denies recovery of compensation for those whose lives are shattered by the well-connected and the corporations [Arbino v. Johnson & Johnson, 2007-Ohio-6948], a system that destroys attorneys such as Richard Fine who legitimately criticize “judges” [http://edition.cnn.com/2010/CRIME/05/24/jailed.lawyer.richard.fine/index.html], a system, in short, that is very much bifurcated into one kind of justice for the wealthy and another, very different one, for the rest of us.

The last straw for me occurred a few months ago when I finally began to learn about the giant hoax that has been perpetrated against the American people, a process that continues to be expedited by attorneys and judges. My previous belief that the judiciary was a branch of our Constitutionally mandated republic was destroyed when I read former attorney Melvin Stamper's book, *Fruit from a Poisonous Tree* and confirmed the truth of everything he disclosed and for which I could find documentation. What I now know, and which is still concealed from most of the American people, is that our "courts" are private, for-profit corporations that trade in on the churning of controversy for profit via systems such as CRIS (Court Registry Investment System). The most nauseating features of this type of corporate profiteering are not just the multiple frauds that support it, but the fact that it preys on the old, the young, and the disenfranchised of all races and genders. And it does so for dollars or should I say, for Federal Reserve Notes.

Finally, I require that my name be stricken from the rolls of the Ohio Supreme Court due to my recent discovery that any retention by me of "any title of nobility or honour [sic]", such as attorney at law, esquire, or any version thereof, may be prohibited by the original Thirteenth Amendment to the U.S. Constitution, which Amendment was apparently ratified in Ohio on January 31, 2011.

Sincerely,

276. Barbara herself filed for guardianship of her mother, Helen Stone to protect her from documented abuse and financial exploitation by her son, Alan Stone and Barbara's sibling.
277. Barbara was forced to file guardianship after obtaining no relief from any law enforcement agency who criminally ignored their duty to protect Helen Stone; threatened Barbara when she filed complaints and treated crimes as if they were "civil matters."
278. The remedy of course was not to venally punish Barbara's mother for the crimes of her son by stripping/raping/murdering her rights and putting her in the "custody" of the U.S. Guardian Genocide Regime but to criminally indict and arrest Alan Stone.
279. Instead of being protected, Helen Stone was criminalized, her rights stripped, subjected to unthinkable U.S. Atrocity Crimes: forcibly disappeared and secreted in unknown location; deprived of food and medical attention and ruthlessly drugged with toxic illegal psychotropic drugs to incite litigation to pillage her life savings.
280. Mrs. Stone was **MURDERED** after being stripped all of her possessions and life savings.
281. Mrs. Stone was emergency hospitalized over 15 times with horrific conditions of abuse including malnutrition, dehydration, suspicious fractures, fungus and horrific infections which Barbara suspects were caused by sexual abuse.
282. Immediately after entrusting her mother to the court for protection, Barbara was threatened, terrorized and illegally gag ordered to prohibit her from reporting her mother's abuse.
283. Barbara was repeatedly falsely arrested and incarcerated "violating Nuremberg laws" to seek futile protection from government agencies for her mother and herself.
284. Barbara's story was reported world-wide <sup>130</sup> with NO REMEDY; instead retaliation.

On September 21, 2009, I personally witnessed both the chemical and physical restraint of my 89-year-old Father, Al Katz, at Manatee Memorial Hospital, against his will and mine. From September 21 through September 24, with an emergency room diagnosis of cardiac and respiratory distress, my Father, a Ward of the State of Florida, was repeatedly drugged with Haldol, a narcotic that caused him to suffer vivid flashbacks to the tortures he endured as a slave laborer for seven years in the Holocaust.

With each dosage of Haldol, Dad was infused with fear, which invariably led to what is known as four-point physical restraints on his wrists and ankles, **tying him to the bed** so that he could not move at all.

Despite my pleas to cease the pill mill administration of Haldol to my Dad and to loosen the rigid physical restraints on him, which were causing him untold cardiac and respiratory stress, the Hospital staff did not relent.”

347. Instead of being provided with the highest level of protection to which she is entitled as a vulnerable person, Ludmila and her daughter are systemically criminalized.
348. Instead of being provided diagnostic testing and appropriate treatment at the San Andreas services for people with Autism their employees medically kidnapped Ludmila's daughter.
349. As stated in a Declaration by Ludmila Boiko:
  - a. Judge Marigonda took his part to continue the terror of false criminal charges against my autistic daughter. I raised my daughter in Russia in different culture and supported her financially until she was medically kidnapped from me in her 29th. To isolate her from me was equal to put her alone on the different planet. Instead of help for diagnostic test and appropriate treatment at the San Andreas services for people with Autism, BHD employees, with no reason used their power to kidnap her away from me and locked her up in crisis psychiatric facility in the different county Napa, far away from normal society, her family and set up conspiracy for secret chain of conservatorships damaging her immature mind and along with Public Guardian's power began to turn my daughter into BHD life time client. Judges' system of injustice easily disregarded the Rule of Law completely as a priority for family care, education and consolidation with family for strong support of vulnerable client. Judges' orders continued damaging autistic person by isolation far away from family and friends. That was indescribable torture for both of us, permanently disabled women, mother and daughter as a result of Judge decision to advance county employees unlimited power abuse.
  - b. My daughter could be just fine and finish her college education if she wasn't violently disconnected from family. If teammate of Judge Marigonda, Judge Gallagher did not disregard my daughter's statement on October 26, 2017 at the hearing for case 15MH00017 in the basement of county building, that she wants me, her mother to be her conservator, my daughter could be just fine by this time. Statement that Judge Gallagher refused to hear, because his intention was to provide service to County Counsel, Behavioral Health Division (BHD) and Public Guardian. My daughter wanted me to be her conservator.
  - c. Public Guardian and Mental Health System forced my daughter to enter long term homelessness since 2014 by very current 2020 year. When in 2014, after the first illegally

obtained conservatorship of heavy brainwash for 8 months she was dropped homeless on dangerous Santa Cruz streets, she got lost and only I was looking for her and claimed her missing. At the same time, county employees arranged two false identical criminal cases one after each other in the row for no any actual crime, but for fabricated “obstructing police officers” 148(a), when she being found and evaluated of gravely disabled condition as a result of heavy brainwash and neglect after their first violently obtained conservatorship in violation of procedure by County Counsel for Public Guardian. It was outrageous abuse to charge criminally lost in the woods, autistic person that was claimed by me as a missing person, but was arrested and brought to jail to cover up county employees intentional and outrageous neglect of her well-being and safety.

- d. I am deeply committed to ensuring that my daughter could get care that is essential to her life, but no authority likes it. Family has a priority for their own child and adult child too and not the corrupted, nothing good doing Public Guardian Vanessa Bertsche-Shelton and her conservators Vivian Van Dal and Maureen Clawson. Who all was taken care that my daughter won't get benefits and won't be kept on the road to happy life ever.
- e. Judge Gallagher was a Judge for case 15MH00017, who made his violent order against human rights of both mother and daughter, but always work hard helping powerful to enslave powerless.
- f. It is very scary to get into Judge’s hands that without hesitation changing people's destinies by escalating his power to absolute power. My daughter’s brain was destroyed because Judge Order to isolate my daughter against her wish from her family that would take good care of her and prevent ongoing damages.
- g. They try to make sure that I am going to watch my daughter dying slowly and surely. It is impossible to vocalize what torture they dragged my autistic daughter through inside of horrible psychiatric locked facilities. There is no doubt that entire court has working hard to prevent my daughter to get under real protection and care of family.

350. Marty Adair was forced into a fraudulent abusive conservatorship by her son Joe “Joey” Adair and wife Darian Mathias-Adair in 2019.

351. Their first attempt was against both parents in 2015 to take over the parents vast wealth and because they financially cut Joey off for non-payment of over \$500,000.00 in loans.

352. The law office of Eric Becker, the conservator Richard Huntington, and the GAL David Shaver were all part of the conspiracy to force Jodee's mom into conservatorship.
353. The motivation was self enrichment through horrendous billable hours. In 30 months, their fees are over \$1 million dollars.
354. Fiduciary Real Estate Services, husband/wife team Ruben Martinez and attorney Teresa Gorman were paid \$850,000.00 to sell Marty's property.
355. There is a "cabal" of attorneys, for profit Fiduciaries and this real estate team that have perpetuated this fraud in Southern California going back to 2009.
356. Jodee was able to keep her mom out of the lockdown "care" facility they set up.
357. Jodee's mom Marty escaped and fled to Texas where she now resides.
358. Marty left her \$16,700,000.00 from the sale of her property behind, for the corrupt conservator, now Trustee and his cohorts to pillage and drain.
359. Jodee is retaliated and attacked for being a "whistleblower" to U.S. Human Atrocities.

BECKY HARBER AND HER HUSBAND HERSHEL HARBER

INEXTRICABLY INTERTWINED RACKETS**

**Affidavit of Atrocity Crimes:** <https://tinyurl.com/HarberNoRemedies>

**Legislative Testimony:** <https://tinyurl.com/HaberNoRemedies2>

365. Becky and Hershel Harber are Georgia residents who went to Florida for treatment at Mayo Clinic and sent to Daytona Select Specialty Hospital.
366. This story of horrors started with a false report by Select Specialty to DCF to cover up a potential lawsuit.

367. DCF, that has no criminal prosecutorial or investigative powers and with no investigation, or proof, concocted a convoluted story, filed a false charge against Mrs. Harber to strip her of her medical power of attorney for her husband, and obtain illegal "supervised" visitation.
368. Mr. and Mrs. Harber were held hostage at a state run facility Halifax hospital for 5 months.
369. Mrs. Harber was tortured and threatened repeatedly with false accusations, including a false incident report in which police were called for no reason and she was permanently barred from association with her husband.
370. They were told Mr. Harber was going to become a "ward" of the state of Florida.
371. The social worker blocked any transfer of a Medicare facility in Georgia by repeatedly making false accusations about Mrs. Harber to any new facility.
372. They were extorted to withdraw Mr. Hershel's 401k money in the amount of 210k to put him in a "private facility" in Georgia. There was no Medicare option.
373. Immediately upon arrival to TBI the private facility in Georgia, Mrs. Harber was no longer allowed to see her husband.
374. Four days after arrival in Georgia, her husband was in critical shape and had to be transferred to Henry Piedmont Hospital.
375. Mrs. Harber was told by the facility TBI that she has no rights to information about her husband and that his family had no rights. She was told by the hospital he was not there.
376. Mrs. Harber contacted the police and was told her husband was at the hospital and fought for information.
377. Mrs. Harber was not allowed to be with her husband nor were any family members.
378. Mrs. Harber sought clarification for visitation from a Judge in Florida, all to no avail.
379. Florida DCF worked in collusion with the Georgia courts to do their dirty work of keeping a lawsuit from being filed by Mrs. Harber by threatening her with false criminal accusations.
380. Georgia DCF filed an Emergency Temporary Guardianship based on a dismissed case in Fla and a false charge against Mrs. Harber and falsely arrested her.
381. The accusation was made up by a nurse who has 3 felony charges and the loss of a nurse's license twice.
382. Mrs. Harber was falsely arrested without being indicted.
383. Mrs. Harber has been prohibited from seeing her husband who is being terrorized and abused and slowly tortured to death from abuse and drugs.
384. Mr. Harber has been forcibly disappeared and Mrs. Harber does not know where her husband is being kept.
385. Mrs. Harber is being tortured by this depravity and suffering depression and hopelessness.
386. Mrs. Harber's husband has been "Sold" and "Stolen" from under her eyes by the U.S. Guardian Genocide Regime.
387. The DCF attorney bragged she not only wanted temporary guardianship as well as our life savings, but she would be applying for permanent Guardianship as well.
388. The judge and attorneys celebrated the "purchase" of Mr. Harber, Mrs. Harber's husband of 31 years, even listing the assets they embezzled to which they claim "entitlement."

**JOYCE LACEY AND HER MOTHER JUNE LYNNE LACEY  
IN THE U.S. GUARDIAN GENOCIDE REGIME**

389. Joyce's mother was targeted for exploitation by Woodwinds Hospital in Minnesota.
390. Joyce later learned Woodwinds Hospital was going bankrupt.
391. They labeled Joyce's mother Vulnerable at the onset.
392. Joyce's mother was just crowned National Ms. Congeniality at the Ms. Senior USA pageant in Las Vegas weeks earlier. She was by no means incompetent.
393. While volunteering with the Alzheimer's Walk, her breathing wasn't so good, so Joyce took her to the ER. She had congestive heart failure, but people live with that every day.
394. They got her stabilized and insisted she stay in the hospital for observation. All they saw were \$\$\$\$\$\$\$\$\$\$\$\$\$\$. They saw an elderly woman they could exploit.
395. A doctor, social worker, hospice nurse and chaplain tried to convince Joyce, as POA, to change Joyce's mother to DNR, dump her in a nursing home and put her on Hospice.
396. When Joyce said "No", the hospitalist doctor (who had never seen Joyce's mother before) shook his finger at her and said she was a very poor POA. He said he had wasted 27 minutes on her and asked if Joyce was her mother's legal guardian? He was told no, her mother is not incompetent and has no need of a legal guardian and that "she wants to live". To which he replied, She doesn't know what she wants, she has dementia."
397. Joyce's mother did not have dementia. She was legally blind and somewhat hard of hearing.
398. They went over Joyce's instructions and got an emergency guardianship/conservatorship to steal Joyce's mother's honor, dignity, life savings and her very life itself.
399. Joyce's mother clearly stated "No, I don't want to go to a nursing home!" So they drugged her. When Joyce asked what was being done, the nurse replied that the guardian said to use any and all means necessary to get her to comply so they were giving her more morphine!
400. They trafficked Joyce's mother 215 miles from her home to a negligent nursing home, where she was treated worse than a prisoner.
401. She was denied a phone, forced to only use a bedpan her entire stay, drugged with harmful chemical restraints continuously, given only day-old pirated food.
402. Joyce was threatened with arrest, if she so much as took her outside the door.
403. Within three weeks Joyce's mother got septic blood, pneumonia, a staph infection, bed sores, UTI, numerous bruises and a temperature of 102. She had to be taken to the hospital because she wasn't DNR. She fought all that with four IV antibiotics and was doing great in the hospital. Joyce found a reputable nursing home within two miles of the hospital, but the abusive, for-profit, fraudulent guardian forced her to travel 80 miles back to the torture chamber known as Frazee Care Center.
404. Joyce was removed by security when she refused to allow her mother to be forced 80 miles back to the negligent nursing home that nearly killed her in just three weeks. The trip alone could kill her - she was on a ventilator on Monday and forced to travel 80 miles back, sitting in a wheelchair, on Thursday.
405. When she got back to the prison, Joyce was only allowed two hour supervised visits Monday through Friday, leaving her isolated continuously.

406. The nursing home doctor ordered Hospice and she was drugged to death with oxycodone and morphine.
407. Joyce's mother couldn't breathe or swallow on the oxycodone. The harmful drugs gave her migraine headaches and extreme constipation. The drugs gave her seizures, an irregular heartbeat and intense stomach and chest pain.
408. At a care meeting, the Hospice nurse wanted to take her off all the heart meds that she needed and leave her only on the harmful drugs, like oxycodone, that were killing her. The guardian agreed with the hospice nurse to only leave her on the drugs that were killing her. Joyce insisted she be allowed to remain on the meds she needed. Joyce was told by her sabotaging attorney, to keep her mouth shut.
409. When she got a bloodclot by the heart, which could have been treated, the guardian and Hospice nurse refused her medical attention. They gave her oxycodone and said it was heartburn, which the autopsy proved was really a bloodclot by the heart.
410. Joyce wrote Adult Protection 4 times and received 4 "No Action" letters refusing to investigate. The ombudsman refused to investigate. The police officer said Joyce's mother would have more rights if she were a convicted criminal. They can refuse being drugged.
411. The last day the Hospice nurse said Joyce's mother's blood pressure was low. Joyce pleaded to take her mother to ER, but she refused to allow her to be seen by a competent physician. Joyce's mother stopped breathing, Joyce called 911 and was verbally attacked.
412. The paramedics came and resuscitated her, as Joyce's mother was still fighting to live, but the ER doctor refused to take her in because he said her pulse was too weak. They walked away and let her die. Five witnesses heard the paramedic refuse to take Joyce's mother.
413. Joyce has their signatures as the paramedic and hospital later lied on their report, to cover up the murder.
- 414.

**Timeline of Atrocity Crimes: <https://tinyurl.com/ErwinTimeLine>**

415. Adult Protective Service agent Ron Horton came into my home on January 11, 2018 and ordered me to physically take my Mother out of my home to a "1" star rated nursing home called Arlington Heights Rehabilitation Center, 4825 Wellesley St. Fort Worth, Texas 76107 that has a current contract with the Adult Protective Services. The adult protective service agent Ron Horton put my Mother in lock down that you have to have a code to get in, and my Mother cannot walk. My Mother was taken from my home due to an accidental bruise under her eye due to conditions brought on by aggressive behavior in her stages of severe Alzheimer's Disease and

habitual urinary tract infections. She left my home with a small black eye and a skin tear on her right middle finger.

416. Within the next 10 days I have to watch my Mother get beat to an inch of her life.
417. Walking in every day with the less than an hour supervised visit, I get to watch my Mother get big black and blue bruises on top of new bruises and skin tears all over her arms and hands, pretty much all over her body. She gets a total of 2 black eyes and 2 huge knots on her forehead and eyebrow and NO ONE will do anything to help me make the bruising and markings stop the on this very scared 85-year-old fragile woman that does not know what is going on around her, begging me to "please take me home with you."
418. I call Ron Horton the adult Protective Service agent numerous times with never not one phone call returned back. I text his phone number numerous times begging him to let me have my Mother back or could I please get a 24-hour nurse to come stay with her at our home or please move her.!!! With of course no reply back from him. During all this I am having to hire a very expensive incompetent attorney that is dragging his rear on the urgency of this matter as well. So, I am in front of Judge Brooke Allen in an emergency hearing and my expensive attorney Bob Leonard has already told me she does not like doing Guardianship hearings, so she dismisses my guardianship appeal request and leaves my Mother in that nursing home jail. My Mother is showing severe signs of dehydration and losing a lot of weight at this time begging to come home and eating like a starved pup.
419. I had supervised hour visits for the first 5 days as long as they had a cna available. Then on Tuesday, January 16 the nursing home bars me from coming in to see or tend to my Mother at all now. I called the police in there on Saturday, January 20, 2018 because of all the bruising and marking & unattended medical care with bleeding skin tears and then 2 days later my Mother comes up with a serious black eye on her right side with a knot on her eye brow that is swollen and a busted lip all across the front of her mouth and my inadequate attorney didn't even submit the pictures that I gave to him that happened to her THAT MORNING for the emergency court hearing to be reviewed. It was ridiculous. Neither my attorney or my Mothers attorney ad-litem said a thing and never made the adult protective services submit any court ordered papers for why they took my Mother out of my home.
420. The courts waited over 10+ days to require adult protective services to produce papers from her courts why they actually removed my Mother from a home she was well taken care of.
421. Judge Brooke Allen was very perturbed by the fact that no paper work had gone through her approval so they took her without any court orders, claiming to ME they did and using a very large amount of scare tactic to me and all of my family and hired attendant aids, they refused me to be able to do as well. They would not even let me hire my own personal attendant to take care of Mother even at the facility. Ron Horton and the facility has barred all family and attendants and anyone who wants to come see or talk to her. THEY BAR EVERYONE FROM SEEING MY MOTHER AT THIS POINT. And I am begging everyone at hand, my attorney, Mothers attorney ad-litem and begging to get an appointment with the guardianship services to get up there and meet with me so I can see my Mother. All these people, the judge, the courts, my attorney, Mother's attorney ad-litem, Ron Horton, Asana Hospice and the doctor at hand in that holocaust of a nursing home are all claiming to have my Mothers best interest at heart.

422. Finally, after 10+ days my attorney makes additional charges to my account and finally arranges the guardianship service agent Cindy Brown to meet with me at the nursing home at 2:00pm. She already had her mind made up about me before even meeting me. It was the worse day of my entire life and I am not sure I will ever recover from this. She was rude, critical and bullying me into paying a large amount of my Mother's money to that place that just killed her. She threatened financial exploitation if I didn't pay the \$1065.00 for the month of February and my Mother died February 7.
423. And no money was refunded. So, after I walked in on my Mother looking like death and she was literally hanging onto life till someone in her family showed up, she died within 30 minutes of me getting there. We all walked in and I nearly fell out in the floor by the way my MOTHER LOOKED. So finally, after I get Cindy to open her eyes to the fact my Mother is dying we need to call 911 stat, she tells the doctor to call them. They argue for 30+ minutes on why to call the ambulance. The doctor says: "what's the point"?
424. After that horrific scene my Mother had to die in with all the hollering done by Cindy Brown in her orders and demands for me to stop loving and kissing my Mother she had done and then the final death of my Mother even sent her out of the room red as a beet and feeling floored. I wonder to this day what she would have done if that would have been her mother she was looking at and someone screaming at her to stop kissing and loving her parents on their death bed...
425. Yes, the hospice company was in there that morning and did not notify anyone in my family or me of this precious woman's condition. I get there at 4:30pm after being forced to pay \$1065.00 before they will let me see her and my MOTHER DIES IN MY ARMS.
426. All along that Cindy Brown throwing her already bullying assumptions about me around the room telling me not to kiss my Mother and stop loving on her and to GET UP FROM HER AND LISTEN TO WHAT THAT DOCTOR IS SAYING.... I AM AND HAVE BEEN SEVERELY TRAUMATIZED BY ALL OF THIS!!!! I WILL NEVER BE THE SAME!!!!
427. Oh, by the way, have I mentioned that adult protective services filed a case against me for the bruise under her left eye that landed us in all this torturous hell that ended my Mother's life and destroyed mine after the fact I made a report against him when I saw the condition my Mother was in under the care of his lack of observation and care.
428. I have recently received a letter from Family Services saying they DID NOT HAVE SUCH COURT ORDERS as they were merely assisting me in PLACING MY MOTHER!!!!!!!!!!!!!!
429. I DIDN'T WANT TO PLACE MY MOTHER. I had been taking care of her in my home for 5 straight years 24/7. She was my most prized possession. I had to watch them kill her and all the system made me stand back and watch it and watch her get BEAT TO AN INCH OF HER LIFE and then they starved her and dehydrated her in their care of less than 27 days and 22 days of BARRING me from seeing my MOTHER and for no reason!!! I know what they did was wrong and I would Love to bring Asana Hospice, Arlington Heights Nursing Home and Ron Horton, agent of the adult Protective Service agent to justice.
430. I had begged Ron Horton to move her or let me have her back or I would get a full time live in nurse, but he wouldn't do anything or answer my phone calls or text messages begging him. Asana never contacted me again after they took over at the nursing home jail.

431. The guardianship service lady Cindy Brown also made me pay \$1065.00 for the month of February and she died February 7, 2018 and they did not refund any money. The guardianship services and my attorney went longer than 10+ days to make it to where I could see my Mother. No one has still made adult protective services produce any legal papers for taking my Mother out of my home. PLEASE HELP ME.. THIS IS A VERY GOOD CHANCE TO BRING MANY HORRIBLE ACTS OF COMPLETE INSANITY TO JUSTICE.
432. I have MANY pictures, witnesses and everything that is needed to prove their violence against my Mother and my family. I called the cops on that place to get the ambulance to pick her up and take her to the ER and since it was a civil thing, they couldn't do anything about it. I also had an autopsy done.
433. I am waiting on the toxicology and histology of the part of the autopsy, which is due back any time. So as soon as that comes in I am going to be ready to pursue these barbaric mean cruel animals to full accountability. Thank you, Sherri Erwin.
434. Please call me for further details. This is a good case for bringing accountability for more than 5 parties to have done something differently in their efforts of **Murdering** my mother in all claiming to be doing what's best for her.

**P. U.S. ATROCITY CRIMES AGAINST  
BRAD LAMB AND HIS CHILDREN  
IN THE U.S. CHILD TRAFFICKING REGIME**

**Statement from Brad Lamb: <https://tinyurl.com/LambStmt>**

435. This is an extremely well documented case of sexual & physical abuse of my two young children Isaiah, 7 years old, & Aria, 5 years old. Both children have reported sexual & physical abuse at the hands of their mother, Carist Washington, & half-brother, Orlando Simmons, who is now 18 years old. These were reported to Cook Children's Sexual Assault Nurse Examiner (SANE) in 2019. These interviews are with only Isaiah & the SANE nurse. There were reports made in 2018 as well. Isaiah & Aria have now also told all five court ordered supervisors, Ft Worth police officers, many family members, & friends.
436. My son, Isaiah, now 7 years old, made a sexual assault outcry July 1, 2019, at Cook Children's Hospital Ft Worth to a Sexual Assault Nurse Examiner (SANE) with detail of his assault. We were ordered the next day for my son to do a forensic interview at Alliance Center for Children & assigned Detective Joshua Rodriquez & Sgt. Rachel DeHoyos over our case who are with Crimes Against Children Unit (CACU). My son did make another outcry in this forensic interview in front of Detective Rodriquez. Det Rodriquez & Sgt DeHoyos did nothing but impede the investigation from the start, never speaking to any of the SANE nurses, witnesses of the outcries, supervisors assigned to the case, play therapists assigned to the case. CACU issued a warrant for my arrest on July 31, 2019, the day before my recusal hearing of the judge on my case & 48-hour hold was placed on me in jail. This arrest was done by the Fugitive Task Force complete with the riot gear, machine guns, police cars parked all throughout our neighborhood, & roadblocks set up on our street. After missing this recusal due to being in jail, I was released with charges later dropped. Sgt DeHoyos & Det Rodriquez refused to show up for court subpoenas & also refused to release the forensic interview of my son.

437. My very first supervised visit, September 2019, was with Heather Moore & my son told her at the end of the visit "don't make me go back. My mommy still hits me in my face." Heather contacted CPS & reported this on the mother. The next day, at our visit, my daughter had a busted lip & said her mom did it. Heather took a picture & reported that to CPS to find out that CPS had already closed this case including this new report she was filing that day. Heather Moore went on to hear many outcries, she noted & testified to these.
438. We have gone through 5 supervisors now who have all witnessed my children's bruises, knots, & outcries. My wife, Amanda, has lived with the children since Isaiah was 16 months old. She has witnessed all the pickups of my children along with all the bruises, knots, disturbing behavior, & disturbing accounts of what happens to them at their mother's house. It appears the only investigation that CACU did was to talk to the abuser herself & have me arrested (just so happened to be the day before the judge's recusal hearing).
439. FYPD installed a surveillance camera on a light post by our house on April 20, 2020. We have this order; it was issued for our address & was labeled as MHMR. The abuser, the mother, fled with my 2 kids, so we filed a missing person on August 5, 2021.
440. Sgt. DeHoyos took over this missing person on August 9, 2021 & located my kids the next day. She sent me emails with both of my children's eyes black. She left my children there & cut off all contact with me. We have now found out that Sgt DeHoyos has been kicked out of CACU & is currently under investigation. No one will speak to us on this matter, nor will they meet with my wife & me.
441. There have been many violations committed by CACU, even against their own Standard Operating Procedures, signed by Sgt. DeHoyos herself which we also have. These include not only improper investigation of a sexual assault on a child, going out of their way to impede any other agency from getting involved in the investigation (Sheriff's Dept, National Center for Missing & Exploited Children, US Military, FBI, Texas Rangers, & any other organization that has tried to help my children), but also includes ongoing police harassment, illegal arrest with excessive force, surveillance camera installed on a citizen's home for no reason.
442. Please note that all the outcries, & there have been too many to count, have been made against the mother & half-brother, & I have never been accused or had any allegations against me CACU has completely covered up the crimes committed against my two children, & have put their lives in constant danger, & harassed my wife & I in every way possible. I have all the evidence to prove all that I have stated is the truth & factual, & there needs to be a thorough investigation on this matter with all involved & charges should be filed against these officers that did this to my family. CACU & Internal Affairs to this day will not call me back.

**February 9, 2021 Testimony of Opposition**

<https://www.cga.ct.gov/2021/AGEData/Tmy/2021SB...>

Feb 9, 2021 I do so in my opposition to both the specific design and stated purpose of this instant Bill in seeking to have Connecticut's Probate Court.

**February 9, 2021 Testimony of Opposition to Labor And Public Employees Committee H.B. 6382 Raised Bill: AN ACT STRENGTHENING THE PROBATE COURT SYSTEM Honorable Chairs,**

Vice-Chairs, Ranking and Committee Members; I am respectfully herein submitting my opposition to the passage of H.B. 6382. I do so in my opposition to both the specific design and stated purpose of this instant Bill in seeking to have Connecticut's Probate Court employees become Connecticut State Employees and additionally, in my comprehensive, wholesale, sweeping opposition to any direction of action that would serve to increase any of the powers of the already grossly over-powered, above-the-law Connecticut Probate Court System, a system which may be better characterized as being a rampantly corrupt, self-serving, predatory, rapacious, human trafficking Racketeering Enterprise. I label the Connecticut Probate Court in such extreme and repugnant terms not from context of indulgence in perfervid hyperbole or in rancorous bitterness in being a so-called "disgruntled" casualty of this contemptible and despicable mob syndicate; my labeling is instead grounded and founded in the horrifically and agonizingly acquired knowledge and awareness of who and what the Probate Court System is, it is grounded and founded in the terrible cognizance of the ruthless, unconscionable brutality that is perpetrated again and again and again and again upon so many prey victims of this rapaciously marauding pack of predators, it is grounded and founded in the shared excruciatingly torturous experience of so many of us who are prey victims of the Connecticut Probate Court Conservatorship/Guardianship Racketeering Enterprise. As two of the many many prey victims of the ravaging rape/pillage/plunder perpetrated by this marauding estatelooting gang, my Mother Dolores Gray and I have been subjected to such unspeakable evildoing, have been prey victims to such monstrous infliction of torturous pain and suffering at the deliberate hands of these predators that it would almost belie rational credibility of even a rudimentary and superficial telling of our story... Yet, while our story of victimization at the rapaciously predatory hands of the Connecticut Probate Racket is so dark and so ugly to the extreme, it is at its core in commonality with the same horror story that has been agonizingly suffered by literally thousands of Connecticut Probate Prey. And while the ostensible, so-professed reason for the creation of and existence of our probate court goes back hundreds of years to the pre-existence of the United States of America in being created in the so-stated purpose of providing for the surviving widows and their fatherless children of those times, probate court has deliberately and actively transformed 180 degrees away from any such noble and worthy purpose to become an unbridled, self-governing, above-the-law, grossly over-reaching, self-serving business enterprise, a racketeering enterprise that serves to strip prey of their civil rights and their assets for purpose of I.R.A - Involuntary Redistribution of prey's probate-stolen Assets out of the prey's possession/control/ownership and into the probate predators' own pockets, into their own coffers. The putrid reality is this: the probate "system" is a self-serving business enterprise that masquerades in the guise/disguise sham pretense of their purpose being their service to their targeted prey via their deeming unto themselves the powers of the taking of complete control over the lives and assets of those whom they determine to be needing their "services" of their so stripping these probate-sentenced conservatorship/guardianship wards of all their rights of self-governance in all aspects of their own lives and their stripping the prey of all control/possession/ownership of whatever assets the probate-sentenced conservatorship/guardianship wards may have so as to pay themselves from these appropriated assets for their performance of these "services" upon these wards. The truth: their service is not to these wards, their service is to their own greed and avarice. Thus, Probate Court prey become Probate Racket-owned chattel slaves in this Human Trafficking Enterprise as their assets are completely transferred into the pockets and coffers of these wicked, fiendish, diabolical ogres, who,

while presenting themselves in a façade of being polite, decorous, well-dressed, well-educated, well-behaved, respectable honorable professionals, are devoid of basic humanity, are devoid of constraints of ethics, conscience, scruples. principles, integrity as they ruthlessly destroy lives and rob every aspect of their prey’s God-given rights as being Children of God. As Yale Law School Professor of Estate Law John Langbein so testified Connecticut Probate is so irredeemably corrupt that the only legitimate course of action would be the complete elimination of this cancer that is Connecticut Probate Court... As U.S. Senator Richard Blumenthal has testified on the national level, Connecticut Probate Judges are running a hugely self-profiting racket in which they (and their complicit/collusive/collaborative/conspiratorial co-profiting ”interested person” cronies in the Connecticut Probate/ElderLaw/Social Service Human Trafficking RACKET) are contemptibly, despicably exploiting their targeted prey to the tune of many many tens of millions of dollars which are taken from the pockets of the prey and from the pockets of Connecticut taxpayers so as to go into their own pockets, so as to go into their own coffers... The Probate Court players are permitted to operate as separate entities outside of the judicial system; the Probate Court players are able to operate as sovereign entities as these Probate Court parties are able to exert total power over the lives and assets of any who come into their crosshair sights; these Probate Court players thus fully enjoy and thus self-servingly utilize the unbridled and unrestrained power of SOVEREIGN IMMUNITY from accountability and culpability and liability for their actions in stripping rights and seizing assets from their Probate Court Prey. And, as the members of the Connecticut Legislature are so aware of this filthy Racket and as they continue to assist and enable and support and facilitate and empower these human traffickers, so too are the Connecticut Legislators responsible in their own culpability and blameworthiness; so too are they guilty of these murderous crimes against the people of whose interests and rights they are supposed to be representing and upholding.

3. Pillaging the assets of Crime Victim using a human trafficking court

Judicial Perpetrator David Bortneris informed of beatings, atrocities, hospitalization and deprivation of rights of Crime Victim, Renee Mazer’s son including:

p. 24-25 “when I was at U Mass hospital”

p. 25 “I wish my mother had full custody”

p. 26-27 “And my dad has tried manipulating me, yelling at me and hitting me. Two years ago he yelled at me because I was telling people that he had hit me. He said your mom is not going to get full custody over you, and I’m not going to pay for you to go to camp.

That’s what he told me. And there’s one time the whole week he kept hitting me, like kicked me, slapped me and all that. One time he hit me on the head so hard that was another time. And I was a teen and my eyes were watering. “

p. 27 Judicial Perpetrator’s David Bortner’s reply was to purport the only significance to being informed of beatings and atrocities was the period of time in which they occurred.

“THE COURT: Do you have any – can you tell mewhen these things happened recently? “

Crime Victim: “the times he hit me was three years ago, and the other time was two years ago. He was trying to put manipulation on me back in April. “

Notwithstanding being informed of atrocities against a Crime Victim, Judicial Perpetrator David Bortner sold/traded the Crime Victim to the trafficker.

Reference should be made to the attached documents:

1. Communication to Jimmy Patronis (“Patronis Demand”) requesting the bonds of the Florida government employees/public servants set forth therein including that of Patronis as Constitutionally required. See Exhibit A.
2. Email dated August 23, 2022 where it appears instead of response, Jimmy Patronis subversively diverted the Patronis Demand to the Department of Financial Services wherein an unnamed “bot” (the “Bot Email”) indicated that department did not have the bonds and was not the bond custodian. By this subterfuge Jimmy Patronis is criminally misrepresenting/covering up his duties. See Exhibit B.
3. Emails from bots and others in the offices of the Inspector General, Department of State, Office of General Counsel, Dept of Financial Services and other agencies indicating none of these agencies hold the bonds of Florida government servants. These emails include the July 27 and July 29 email from Dept of Financial Services wherein David Harper already stated that agency does not hold the Florida government servant bonds (collectively “No-Bond bot and other email”). See Exhibit C.

By this subterfuge by Patronis, the person responsible for the Florida bonds, is both willfully, grossly and criminally negligent and flouting<sup>1</sup> his unlawful acts and duties to the public.

**A. DEMAND FOR GRAND JURY INVESTIGATION OF RON DESANTIS, JIMMY PATRONIS AND OTHER PERSONS IN THE STATE OF FLORIDA USING OFFICIAL TITLES INCLUDING BUT NOT LIMITED TO THOSE IN THE PATRONIS DEMAND**

The failure to provide bonds governing the state of Florida and its government employees and the subterfuge by Jimmy Patronis makes the following unlawful and illegal acts apparent including but not limited to:

1. It is alleged the State of Florida government officials are operating under color of law;

---

<sup>1</sup> [Flout Definition & Meaning | Britannica Dictionary](#)

to break or ignore (a law, rule, etc.) without hiding what you are doing or showing fear or shame

▪ Despite repeated warnings, they have continued to *flout* the law. *flouting* authority *flouting* convention

2. It is alleged Florida government officials have civilly and criminally violated a string of laws including but not limited to perjured and false oaths;<sup>2</sup> official records tampering and alteration;<sup>3</sup> deprivation of rights under color of law;<sup>4</sup> conspiracy against rights;<sup>5</sup> concealment and falsification of records.<sup>6</sup>
3. It is alleged that all State of Florida official acts are unlawful and void.

Demand is hereby made for a grand jury investigation. Further, Filers demand:

1. direct access to all jury foremen to file these criminal allegations
2. the grand jury investigation and proceeding shall be presided by non-government officials including but not limited to the Filers.

Complete transparency is mandatory, mandated and demanded.

#### **B. GRAND JURY INDICTMENT OF FLORIDA DEPARTMENT OF ELECTIONS**

Tim Vaccaro, the Elections Director is apparently criminally negligent and unfit to hold office. Moreover, the Florida Elections Commission is an unfit agency itself, being a hotbed of criminality, corruption and child trafficking as explosively exposed by law enforcement and the media in Exhibit D.

1. Tim Vaccaro has willfully and criminally negligently failed to vet the Florida candidates for office who are criminally and civilly violating laws.
2. Tim Vaccaro falsely represents to the public his position as “providing administrative support to the Secretary of State” in the Division of Elections website<sup>7</sup> when Tim Vaccaro is on record as on staff of the Florida attorneys general, having an email address at that office ([timothy.vaccaro@myfloridalegal.com](mailto:timothy.vaccaro@myfloridalegal.com));
3. Tim Vaccaro is thereby holding multiple offices in violation of the Florida Constitution as described in Article III of the Patronis Demand in criminal conflict of interest.

#### **C. MANDATORY CEASE AND DESIST OF FLORIDA ELECTIONS AND APPOINTMENT OF MONITORS WHO ARE NON-GOVERNMENT OFFICIALS**

In addition to Grand Jury investigations, Filers hereby demand:

1. The cease and desist of all Florida Elections pending a grand jury investigation;
2. A grand scale audit of the state of Florida and all of its government servants;

**Re: Notice of Apparent Unlawful State of Florida De jure, Banana Republic Government,  
Demand for Bonds; Insurance Policies and Oaths of Office**

TO: JIMMY PATRONIS

We are citizens and the population of the state of Florida. Having repeatedly requested the Bonds, Insurance Policies and Oaths of Office for Florida government public servants including those in Article II, from the Florida government officials responsible to provide same and who cover up and shield their failure to provide same by systemically, willfully, fraudulently and deceptively diverting us to other Florida public servants who engage in the same subterfuge, it appears these fundamental documents establishing the State of Florida as a legitimate government that can guarantee its obligations and the government public servants as obligated to comply with and enforce the Constitutional apparently do not exist.

You purport to “alert consumers” of the need for a fidelity and surety bond to guarantee performance and payment. [Bonds Overview \(myfloridacfo.com\)](https://myfloridacfo.com) on a posting funded by taxpayers.

**Why isn't the fidelity and surety bond of the State of Florida and its government public servants posted thereon?** Deplorable, disingenuous, willful lack of transparency. Why are the taxpayers and citizens of Florida who pay your salary and the salary of these government employees subjected to deceit and subterfuge instead of being immediately provided the documents evidencing and validating that the state of Florida and its government employees are lawfully established and can pay, guarantee and satisfy their obligations, performance and duties.

Further, in the context of a criminal law matter, a constitutional violation occurs when an agent of the state (or an actor acting on behalf of or at the behest of an agent of the state) performs some act that does something that infringes upon one of the rights guaranteed to a citizen under the U.S. Constitution.

Demand is made for an affirmation before a notary public under oath and penalties of perjury by Jimmy Patronis as to the public offices he holds; the private positions he holds and the agencies to which he is affiliated and any monetary payments and other benefits he obtains.

Mr. Moore,

I appreciate your email.

As the Inspector General for the Department of Financial Services (DFS), I can assure you that the Office of Inspector General (OIG) for DFS does not have copies of any bond for anyone with any government office for the State of Florida. Additionally, we only have oversight for DFS – both the Governor and Attorney General each of an Inspector General that reports to them.

I recommend that you visit the Governor's ([https://www.flgov.com/inspector\\_general/](https://www.flgov.com/inspector_general/)) and Attorney General's (<https://myfloridalegal.com/pages.nsf/Main/B954A1A51E04F1D085256CE0004CBB95>) websites for more information on their OIGs and contact information.

Thank you.

VR,

David

#### EXHIBIT D

[Florida Elections Commission official arrested on child porn charges \(floridapolitics.com\)](https://www.floridapolitics.com)

**The Elections Commission is cooperating after the arrest of General Counsel Eric Lipman.**

**Eric M. Lipman**, general counsel for the Florida Elections Commission, was arrested Wednesday and charged with possession of child pornography,

A news release from the Leon County Sheriff's Office stated Lipman, 59, was charged with 11 counts of possession of child pornography. The Sheriff's Office reported he was taken to the Leon County Detention Facility and his mugshot and other identifiers were being withheld. He was not listed as an inmate on the jail's website Thursday.

"The Florida Elections Commission is fully cooperating with law enforcement's investigation. The employee has been placed on administrative leave pending further information," **Tim Vaccaro**, Florida Elections Commission Executive Director, said in a statement released to media Thursday.

The **Tallahassee Democrat**, which reported Lipman's arrest Thursday, said Lipman also served as an officer with the Capitol Soccer Association, a nonprofit soccer league for boys and girls ages 4-17.

The Sheriff's news release said the office's Internet Crimes Against Children Unit received a tip from the The National Center for Missing & Exploited Children regarding possible child pornography being transmitted via an internet electronic email provider to a local email account holder.

After a six-week investigation, Lipman was identified as a suspect, the release stated.

"On April 7, LCSO deputies along with ICAC task force partners with the Florida Department of Law Enforcement and Homeland Security Investigations, executed a residential search warrant in eastern Leon County," the release states. "As a result of the investigation and evidence discovered in the search warrant, Lipman was arrested and charged with 11 counts of possession of child pornography."

The Tallahassee Democrat noted that Lipman began working for the Elections Commission in 2001 as assistant general counsel, according to his online bio. He earns \$85,444 a year, according to a state salary database.

Before that, he worked as a senior attorney with the Florida Department of Children and Families in Leon, Wakulla and Franklin counties.

## I. THE FLORIDA APOCALYPSE

1. The U.S. Guardian Genocide/Child Trafficking Regime in the State of Florida is deliberately populated by grifters and criminals who are certified by Perpetrator Ron DeSantis including but not limited to:
  - a. Rebecca Fierle, found with **NINE DEAD CREMATED BODIES** of her Crime Victims in urns in her office.<sup>1</sup> Fierle and the Governor and other government employee Perpetrators should be sentenced to prison for life or the death sentence. However because the Florida Governor Perpetrator Ron DeSantis uses his self-installed protection arm, FDLE in the guise of “law enforcement,” Fierle remains free and a life threatening danger to the world population and uses his judicial government employees to perpetrate the U.S. Guardian Genocide Regime, Fierle’s pillaged property has not been returned to her Crime Victim and Crime Victims were prohibited from attending a “sentencing hearing” by zoom call;<sup>2</sup>
  - b. Tracy Hudson;<sup>3</sup>
  - c. Lynrod Douglas;<sup>4</sup>
  - d. Betsy Savitt, wife of Perpetrator judicial employee Martin Colin who together operated a vast U.S. Guardian Genocide Regime throughout Palm Beach Florida and their Atrocity

2. These predators are put in place to act under the auspices of government, and rarely held criminally accountable as all government agencies act as their protection arm.

4. The top-level government Perpetrators then pretend outrage themselves, thereby affirming, their knowledge, accomplice, conspiracy and cover up of the U.S. Atrocity Crimes.
5. To retaliate against the Atrocity Crime Victims whose reporting and exposure caused the charges or arrests of the Third-Party Vendor/ Traffickers, the systemic attacks against Crime Victims continue and escalate:<sup>6</sup>

6. The Perpetrator top- level government employees then devise “loophole tactics” in the guise of “reform” to insure NO REMEDY and perpetuation of the U.S. Guardian Genocide Regime.

## II. REPRESENTATIVE SYSTEMIC ATTACKS BY PERPETRATOR DESANTIS

7. Perpetrator DeSantis has set up a trafficking agency called by the “protection sounding name” termed Office of Professional and Public Guardians (“OPPG”).
8. Florida Crime Victims are diabolically led to believe U.S. Atrocity Crimes fall under the “authority” of an agency euphemistically called OPPG that is actually the agency used by Perpetrator DeSantis to “certify” the human traffickers known as “guardians.”
9. Hundreds of Crime Victims have filed Criminal Complaints with OPPG, to which the response was “No Action Letters.”<sup>8</sup>
10. Atrocity Crime Victims are “steered” to report the Atrocity Crimes to the Perpetrators themselves to control them, preclude and discourage them from seeking remedy by other, albeit collusive government agencies.
11. Governor Perpetrator Ron DeSantis admits “someone” should be responsible, pretending the “someone” is not him and anyone else but him.<sup>9</sup>

## III. OTHER PROPENSITIES OF PERPETRATOR DESANTIS

12. Examples of perverse characteristics as to Perpetrator DeSantis as they relate to his perpetration of U.S. Atrocity Crimes include:
  - a. His use of his human trafficking army, OPPG called by false “protection sounding euphemisms” like “child protection service” and “office of professional and private guardians” to kidnap, traffic, extort, and murder Florida children and parents and visitors to Florida and threaten anyone who reports.
  - b. His use of a fabricated, fraudulent illegitimate government agency called the “Florida Department of Law Enforcement” to replace constitutionally installed sheriffs and function as his personal protection racket that he uses to threaten, falsely arrest, terrorize Claimants, all victims of the U.S. Atrocity Crimes and those who report.<sup>10</sup>

  - b. His flouting of his apparent criminal failure to provide bond;
  - c. His running an apparent fraudulent campaign for governor as his failure to provide bond disqualifies him;

- a. The U.S. government has one of the worst records of so called western liberal democracies for its failure to ratify most major multilateral human rights treaties and conventions.

20. These acts of subterfuge and perfidy are known under international law as flouting<sup>20</sup>
21. The perfidy of the United States that purports to be a “democratic republic” and “protector” of human rights when it is a corporate government that weaponizes and criminalizes the world population by its U.S. Atrocity Crimes is perfectly encapsulated in this lethally accurate report:<sup>21</sup> “The U.S. claims it is operating under a “rules-based order” (“RBIO”)but the term is not the same international law recognized by the rest of the world. Rather, it is camouflage to attack, criticize, accuse, and delegitimize countries in their crosshairs as rogue outliers to an international order.”

Boyle, a professor of law at University of Illinois at Urbana-Champaign, states: “It might come as a surprise to learn that the United States government has absolutely one of the very worst records among all of the so called Western liberal democracies when it comes to the ratification of the major multilateral human rights instruments. The U.S. government has failed to ratify the International Covenant on Economic, Social and Cultural Rights (1966); the International Covenant on Civil and Political Rights (1966); the International Convention of the Suppression and Punishment of the Crime of Apartheid (1973); the International Convention of the Elimination of all Forms of Racial Discrimination (1965); the Convention of the Elimination of All Forms of Discrimination Against Women (1979); the Convention on the Reduction of Statelessness (1961); as this article went to press, the Convention on the Prevention and Punishment of the Crimes of Genocide (1948); and the American Convention on Human Rights (1965), among others. The refusal of the U.S. government to ratify these major international human rights treaties simply demonstrates the rank hypocrisy that historically has determined the formulation of U.S. human rights foreign policy:

**What right does American have to preach human rights to other states, governments, and peoples when it has adamantly refused to ratify these major multi-lateral international human rights treaties?”**

<sup>22</sup> [Chapter I: Purposes and Principles \(Articles 1-2\) | United Nations](#)

### CHAPTER I PURPOSES AND PRINCIPLES

Article 1 The Purposes of the United Nations are:

- a. To maintain international peace and security, and to that end: to take effective collective measures for the prevention and removal of threats to the peace, and for the suppression of acts of aggression or other breaches of the peace, and to bring about by peaceful means, and in conformity with the principles of justice and international law, adjustment or settlement of international disputes or situations which might lead to a breach of the peace:

23. Moreover, the U.S. is not only a U.N Member but a host member held to a higher world standard.
24. The U.S. is brazenly a trespasser U.N. member.
25. The grotesque U.S. Atrocity Crimes extend far **beyond greed and money, they are a sadistic form of gratification for the Perpetrators, a savage “blood-sport,” the “human hunting” and ritual killing of Americans and the world population like animal hunts and kills.** <sup>23</sup>

## VI. PERVERSE REALITIES

26. The U.S. Genocide/Trafficking/Pillaging False Flag Corporate Government could only exist as:
  - a. U.S. corporate color of law government employees criminally fail to report the crimes by their fellow corporate government employees and assassinate their corporate government employees who report and expose their genocide/human trafficking/pillaging racket. <sup>24</sup>
  - b. U.S. corporate color of law government employees maintain a pretense of their legitimacy and that of the false corporate government by their endless bursts / rants of “outrage.”
  - c. The manifest traits of obvious mental illness, psychological disease, abnormality and “Dictator/Hitler Mentality” of its top-level corporate officials that are virally reported ignored and flouted.
27. These perversions, immoral and unhuman obscenities and the meaningless, self-serving tirades of the corporate color of law government employees to make themselves appear as if somehow they are protecting the public and complying with Humanity Law are virally reported including by mainstream reporters.

---

b. To develop friendly relations among nations based on respect for the principle of equal rights and self-determination of peoples, and to take other appropriate measures to strengthen universal peace;

c. To achieve international cooperation in solving international problems of an economic, social, cultural, or humanitarian character, and in promoting and encouraging respect for human rights and for fundamental freedoms for all without distinction as to race, sex, language, or religion; and

d. To be a center for harmonizing the actions of nations in the attainment of these common ends.

Article 2 The Organization and its Members, in pursuit of the Purposes stated in Article 1, shall act in accordance with the following Principles.

a. the Organization is based on the principle of the sovereign equality of all its Members.

b. All Members, in order to ensure to all of them the rights and benefits resulting from membership, shall fulfil in good faith the obligations assumed by them in accordance with the present Charter.

c. All Members shall settle their international disputes by peaceful means in such a manner that international peace and security, and justice, are not endangered.

d. All Members shall refrain in their international relations from the threat or use of force against the territorial integrity or political independence of any state, or in any other manner inconsistent with the Purposes of the United Nations.

e. All Members shall give the U.N. every assistance in any action it takes in accordance with the present Charter, and shall refrain from giving assistance to any state against which the U.N. is taking preventive or enforcement action.

f. The Organization shall ensure that states which are not Members of the United Nations act in accordance with these Principles so far as may be necessary for the maintenance of international peace and security.

g. Nothing contained in the present Charter shall authorize the United Nations to intervene in matters which are essentially within the domestic jurisdiction of any state or shall require the Members to submit such matters to settlement under the present Charter; but this principle shall not prejudice the application of enforcement measures under Chapter VII.

28. Constitutional attorney John W. Whitehead, president of The Rutherford Institute:<sup>25</sup> “We have let government's evil-doing, abuses, power grabs, brutality, meanness, inhumanity, immorality, greed, corruption, debauchery and tyranny go on too long. We have seen this convergence in Hitler's Germany, Stalin's Russia, Mussolini's Italy, and Mao's China: the rise of strongmen and demagogues, ascendancy of profit-driven politics over deep-seated principles, warring nationalism that seeks to divide and conquer, callous disregard for basic human rights and dignity and silence of people who should know better. The government has ripped the Constitution to shreds and left us powerless in the face of its power grabs, greed and brutality. Yet the government can only go as far as “we the people” allow. The time to act is now, using all methods of nonviolent resistance available to us.”

### B. NAOMI WOLF NAOMI WOLF – FASCIST AMERICA IN 10 EASY STEPS

29. Naomi Wolf, former political adviser, Rhodes scholar and journalist states<sup>26</sup> “Don't sit around waiting for the two corrupted established parties to restore the Constitution or the Republic,” Naomi Wolf warns. If you're watching, you're not doing. Easily mesmerized by the government's political theater — **endless congressional hearings and investigations that go nowhere, the president's reality show antics, the warring factions, electoral drama** — we have become a society of watchers rather than activists who are distracted by even the clumsiest government attempts at sleight-of-hand. **Start recognizing evil and injustice and tyranny for what it is.**

*"By his manner and methods he made his court an instrumentality of terror and won the fear and hatred of the population. From evidence of his closest associates as well as his victims, we find Oswald Rothaug represented in Germany the personification of the secret Genocide intrigue and cruelty. **EXHIBIT B**  
**RESPONSIBILITY TO PROTECT**

## EXHIBIT A

### Responsibility to Protect

The Responsibility to Protect – known as R2P – is an international norm that seeks to ensure that the international community never again fails to halt the mass atrocity crimes of genocide, war crimes, ethnic cleansing and crimes against humanity. The concept emerged in response to the failure of the international community to adequately respond to mass atrocities committed in Rwanda and the former Yugoslavia during the 1990s. The International Committee on Intervention and State Sovereignty developed the concept of R2P during 2001.

The Responsibility to Protect was unanimously adopted in 2005 at the UN World Summit, the largest gathering of Heads of State and Government in history. It is articulated in paragraphs 138 and 139 of the World Summit Outcome Document:

#### World Summit Outcome Document

138. Each individual State has the responsibility to protect its populations from genocide, war crimes, ethnic cleansing and crimes against humanity. This responsibility entails the prevention of such crimes, including their incitement, through appropriate and necessary means. We accept that responsibility and will act in accordance with it. The international community should, as appropriate, encourage and help States to exercise this responsibility and support the United Nations in establishing an early warning capability.

139. The international community, through the United Nations, also has the responsibility to use appropriate diplomatic, humanitarian and other peaceful means, in accordance with Chapters VI and VIII of the Charter, to help to protect populations from genocide, war crimes, ethnic cleansing and crimes against humanity. In this context, we are prepared to take collective action, in a timely and decisive manner, through the Security Council, in accordance with the Charter, including Chapter VII, on a case-by-case basis and in cooperation with relevant regional organizations as appropriate, should peaceful means be inadequate and national authorities are manifestly failing to protect their populations from genocide, war crimes, ethnic cleansing and crimes against humanity. We stress the need for the General Assembly to continue consideration of the responsibility to protect populations from genocide, war crimes, ethnic cleansing and crimes against humanity and its implications, bearing in mind the principles of the Charter and international law. We also intend to commit ourselves, as necessary and appropriate, to helping States build capacity to protect their populations from genocide, war crimes, ethnic cleansing and crimes against humanity and to assisting those which are under stress before crises and conflicts break out.

R2P stipulates three pillars of responsibility:

- 1

#### PILLAR ONE

Every state has the Responsibility to Protect its populations from four mass atrocity crimes: genocide, war crimes, crimes against humanity and ethnic cleansing.

- 2

#### PILLAR TWO

The wider international community has the responsibility to encourage and assist individual states in meeting that responsibility.

- 3

#### PILLAR THREE

If a state is manifestly failing to protect its populations, the international community must be prepared to take appropriate collective action, in a timely and decisive manner and in accordance with the UN Charter.
