SUPREME COURT OF THE STATE OF NEW YORK  
COUNTY OF NEW YORK: PART 59

THE PEOPLE OF THE STATE OF NEW YORK

-against-

DONALD J. TRUMP,

Defendant.

AFFIDAVIT OF NICHOLAS  
PISTILLI

Ind. No. 71543-23

**AFFIDAVIT**

Nicholas Pistilli, a person not a party to this action, states under penalty of perjury that:

1. I am a Sergeant in the New York Police Department (“NYPD”). Since January of 2022, I have served as the commanding officer of the security detail for New York County District Attorney Alvin Bragg. In that role, I am responsible for, among other things, monitoring threats of violence against the District Attorney, his family, and his Office.

2. I am familiar with the facts and circumstances stated herein. This affidavit is based upon my personal knowledge, as well as upon information and belief based on information providing by other employees of the NYPD or the DA’s Office, and on records maintained by the NYPD or the DA’s Office in the ordinary course of business, which I believe to be true and correct.

3. I monitor threats in coordination with the NYPD’s Threat Assessment & Protection Unit (“TAPU”), a unit within NYPD’s Intelligence Bureau. NYPD’s Intelligence Bureau gathers and analyzes information to assist in the detection and prevention of unlawful activity, including acts of terror. Within the Intelligence Bureau, TAPU’s purview includes monitoring and investigating threats against public officials, including the District Attorney. TAPU monitors social media posts, including activity on the “dark web”, as well as any threats

reported to TAPU by public officials, including threats received by phone call, text message, social media direct message, voicemail, email, and mail.

4. In 2022, TAPU logged 483 threat cases. Of the 483 threat cases, 1 involved threats to the District Attorney, his family, or his employees. The remaining cases were threats against other public officers or elected officials.

5. In 2023, TAPU logged 577 threat cases. Of the 577 threat cases, 89 involved threats to the District Attorney, his family, or his employees. The remaining cases were threats against other public officers or elected officials.

6. In 2023, the first threat case involving the District Attorney, his family, or his employees was logged on March 18, 2023.

7. Prior to March 20, 2023, the first review of threatening, harassing, or offensive calls and emails was conducted by DA investigators or NYPD detectives detailed to the DA's Office. The volume of such calls and emails was so low that initial review could be conducted by these investigators and detectives while they fulfilled their primary responsibility of assisting in the casework of the DA's Office. Additionally, because the volume of such calls and emails was low, the DA's Office did not have a system for tracking such calls and emails.

8. By March 20, 2023, the volume of threatening, harassing, or offensive calls and emails increased significantly, exceeding the capacity of the DA Office's investigators and NYPD detectives detailed to the DA's Office. Starting on March 20, 2023, all such calls and emails were forwarded directly to TAPU for review and assessment.

9. When TAPU reviews an item (e.g., social media post, phone call, text, email, etc.), TAPU makes an initial determination of whether the item warrants additional investigative steps. If it does, TAPU opens a "Threat Case." Depending on the results of additional

investigative steps, the item may be referred for further investigation in partnership with a prosecutor's office.

10. Since the DA took office on January 1, 2022, through mid-March of 2023, none of the threats received required referral for further investigation in partnership with a prosecutor's office. In the three weeks following March 18, 2023, several threats received that ultimately were referred for further investigation in partnership with a prosecutor's office.

11. One public example of a threat during that time-period is documented in the felony complaint in *People v. Craig Deleeuw Robertson* (D. Utah, 2003). The complaint details that:

“On or about March 18, 2023 . . . [the defendant], did knowingly transmit in interstate commerce a communication containing a threat to injure the person of another, the New York County District Attorney, Alvin Bragg, to wit:

ALVIN BRAGG

Heading to New York to fulfill my dream of iradicating [sic] another of George Soros two-but political hach [sic] DAs.

I'll be waiting in the courthouse parking garage with my suppressed Smith & Wesson M&P 9mm to smoke a radical fool prosecutor that should never have been elected.

I want to stand over Bragg and put a nice hole in his forehead with my 9mm and watch him twitch as a drop of blood oozes from the hole as his life ebbs away to hell!!

BYE, BYE, TO ANOTHER CORRUPT BASTARD!!!'

all in violation of 18 § U.S.C. 875(c).”

12. According to the DA Office's IT systems, at its peak, in March 2023, more than 600 emails and phone calls received by the DA's office were forwarded for security review; this represents a small subset of the calls and emails received by the office relating to *People v.*

*Trump*. Around this time, the emails, calls, and text messages received were directed not just to the DA or to the Office generally, but also to senior members of the DA executive team and ADAs publicly associated with *People v. Trump*, via both Office email or phone and personal email and phone. The messages received in March of 2023 were the first time I was aware of threatening messages relating to the work of the DA’s Office being directed at employees of the Office other than the DA.

13. Some of the specific threats that were recorded as a threat case include:
  - a. On March 19, 2023: “Leave Trump alone . . . or Bragg will get assassinated”
  - b. On March 19, 2023: “Just shoot Bragg in the head and he stops being a problem.”
  - c. On March 21, 2023, “If you lay a hand on President Trump or his family, friends, supporters, or myself, my family or any patriot—instant death.”
  - d. On March 22, 2023, “Just wanted to say I can’t wait to watch you swing from a rope in your military tribunal, you disgusting George Soros puppet, fucking money will get you nowhere, you better get on your knees and pray to Jesus Christ your gonna find your maker soon.”
  - e. On April 3, 2023, “When your fat fuck DA is more interested in a witch hunt on president Trump than prosecuting crime in you shit hole city, its time to get rid of both of you n\*\*\*\*\*” (modified with asterisks to obscure racial slur).
  - f. On April 4, 2023, “You want to go after Donald Trump because you have a crime ridden city, all that shit is racially and politically motivated. More so racial because Alvin Bragg is nothing but a racist n\*\*\*\*\*” (modified with asterisks to obscure racial slur).

g. On April 6, 2023, "...Your going to get what you got coming. Your tearing the country apart, your going to get it. I'm not making threats...."

14. In addition to monitoring threats of violence received by the Office, my unit is also involved in responding to attacks on the Office. In the past year, the Office has twice received terroristic mailings. Last year, the Office twice received envelopes containing white powder. Both incidents disturbed normal operations at the DA's Office, although in both incidents the powder was determined not to be a dangerous substance.

a. On March 24, 2023, the Office received a letter addressed to the DA containing a small amount of white powder and a note stating: "Alvin: I'm going to kill you".

b. On April 12, 2023, the Office received a letter addressed to the DA containing a white powder and a note including images of the DA and of Donald Trump and the words "you will be sorry."

1. I am a Sergeant in the New York Police Department (“NYPD”). Since January of 2022, I have served as the commanding officer of the security detail for New York County District Attorney Alvin Bragg. In that role, I am responsible for, among other things, monitoring threats of violence against the District Attorney, his family, and his Office.

2. I am familiar with the facts and circumstances stated herein. This affidavit supplements my earlier affidavit dated February 22, 2024, and is based upon my personal knowledge, as well as upon information and belief based on information provided by other employees of the NYPD or the DA’s Office, and on records maintained by the NYPD or the DA’s Office in the ordinary course of business, which I believe to be true and correct.

3. In 2024, as of today, NYPD’s Threat Assessment & Protection Unit (“TAPU”), a unit within NYPD’s Intelligence Bureau, logged 289 threat cases. Of the 289 threat cases, 61 involved threats to the District Attorney, his family, or his employees. The remaining cases were threats against other public officers or elected officials.

4. Most of the 61 threat cases in 2024 that involve threats to the District Attorney, his family, or employees of the District Attorney's Office were made in the past few months, including 25 in April 2024, 24 in May 2024, and 7 in June to date.

5. In 2024, four threats regarding the District Attorney or the Office were referred for further investigation in partnership with a prosecutor's office.

6. For example, threat cases logged in 2024 included language: "we will kill you all"; "[...] should be in witness protection"; "you are dead [expletive]"; "Your life is done"; and "RIP". Threat cases were also logged for a post showing sniper sights on people involved in this case or a family member of such a person; and a post disclosing the home address of a DA Office employee.

7. Another of the threats logged, on April 15, 2024, was a bomb threat to the residences of two people involved in this case. April 15 was the first day of the trial in *People v. Trump*.

8. According to the DA Office's IT systems, from April 2024 to date, nearly 500 emails and phone calls received by the DA's office were forwarded for security review. As not all emails and calls received are forwarded for security review, this presumably represents only a subset of the calls and emails received by the office relating to *People v. Trump*.

#### PROBABLE CAUSE

This complaint is made on the basis of investigation consisting of the following:

1. I am a Special Agent with the Federal Bureau of Investigation (FBI), [REDACTED]

[REDACTED]

[REDACTED] I am currently assigned [REDACTED]

[REDACTED] and primarily investigate complex criminal organizations, such as criminal gangs and drug trafficking organizations.

During my time as a law enforcement officer, I have investigated matters involving violent acts, to include aggravated assault, rape, and homicide, threats of violence, extortion, kidnapping, murder-for-hire, money laundering, weapons violations, drug trafficking, fraud, and more.

2. As a federal agent, I am authorized to investigate violations of laws of the United States and to execute warrants issued under the authority of the United States. Consequently, I am an “investigative or law enforcement officer of the United States,” within the meaning of Section 2510(7) of Title 18, United States Code, that is, an officer of the United States who is empowered by law to conduct investigations of and to make arrests for offenses enumerated in Section 2516 of Title 18, United States Code.

3. The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other agents and witnesses. This affidavit is intended to show merely that there is sufficient probable cause for the requested arrest warrant for CRAIG DELEEUW ROBERTSON for violations of 18 U.S.C. § 875(c) (Interstate Threats), 18 U.S.C. § 115(a)(1)(B) (Influencing, Impeding, Retaliating Against Federal Law Enforcement Officers by Threat), and 18 U.S.C. § 871(a) (Threats Against the President), and does not set forth all of my knowledge about this matter. Information developed to date as a result of my investigation and the investigation of others revealed the following:

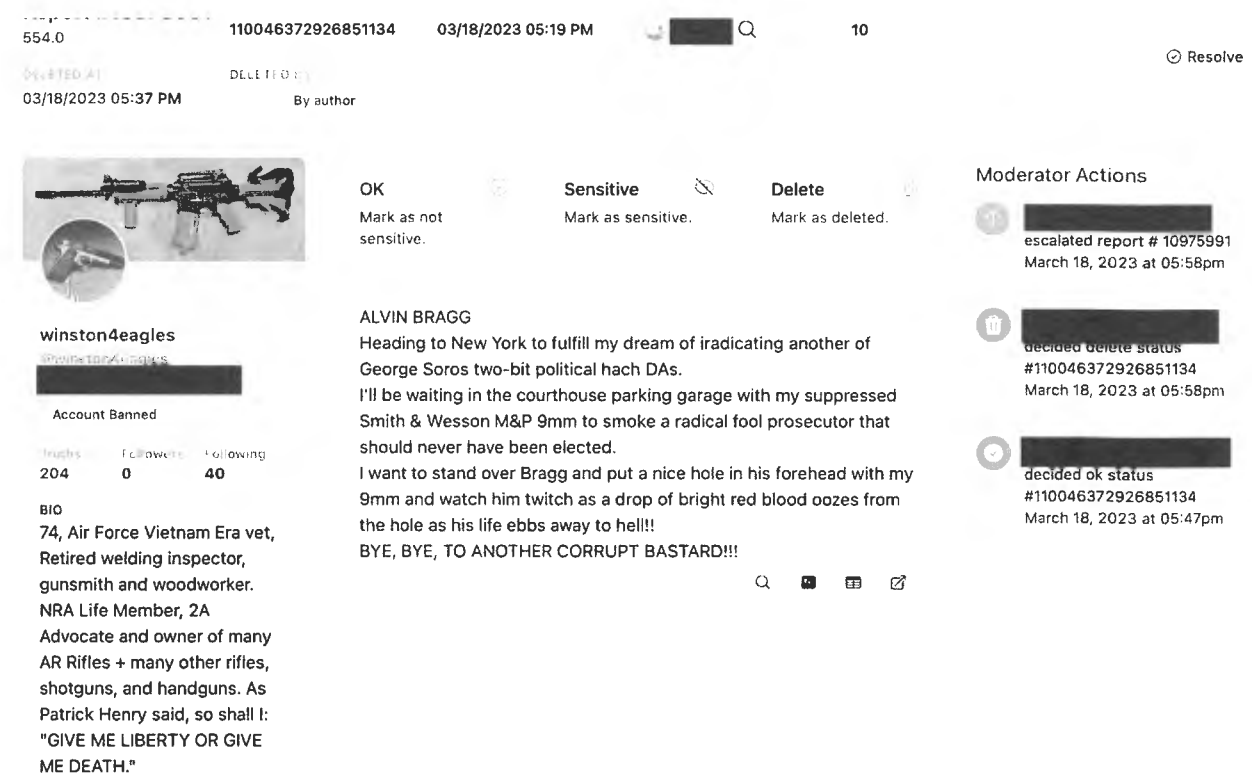

4. On, or about, March 19, 2023, I received a notification, which had come from the FBI National Threat Operations Center (“NTOC”), regarding a threat to life.<sup>1</sup> NTOC had received a tip from a social media company (“Company-1”) regarding username @winston4eagles posting a threat on Company-1’s platform to kill New York

---

1 NTOC fields calls and electronic tips from the public.

County District Attorney (“DA”) Alvin Bragg. At the time of the post, DA Bragg was overseeing a criminal investigation into former President Donald J. Trump.

The following is a screenshot of the posted threat:

The screenshot shows that User @winston4eagles posted the following true threat:

“ALVIN BRAGG  
Heading to New York to fulfill my dream of iradicating [sic] another of George Soros two-but political hach [sic] DAs.  
I’ll be waiting in the courthouse parking garage with my suppressed Smith & Wesson M&P 9mm to smoke a radical fool prosecutor that should never have been elected.  
I want to stand over Bragg and put a nice hole in his forehead with my 9mm and watch him twitch as a drop of blood oozes from the hole as his life ebbs away to hell!!  
BYE, BYE, TO ANOTHER CORRUPT BASTARD!!!”

5. NTOC provided the following information for the person associated with username @winston4eagles: a telephone number, email address, and home addresses all believed to belong to Craig Deleeuw ROBERTSON (hereafter "ROBERTSON"). The email address associated with the @winston4eagles [REDACTED]

6. On March 19, 2023, I, along with another FBI Special Agent (hereafter "SA-1"), conducted physical surveillance in the vicinity of an address in Provo, Utah where the FBI believed ROBERTSON to reside ("Residence-1"). During surveillance, the following was observed:

- a. A blue Honda, parked in the driveway of Residence-1, bearing a Utah State License Plate number which, based on my review of records, matched a vehicle listed as registered to ROBERTSON at Residence-1.
- b. A heavy-set white male, approximately 70-75 years old, with gray hair, wearing a bright blue jacket, white shirt, and tie (hereafter "UM-1"), walked from the east area of the above listed residence and got into the passenger's side front seat of the Honda.
- c. ROBERTSON, wearing a dark suit (later observed as having an AR-15 style rifle lapel pin attached), a white shirt, a red tie, and a multi-colored (possibly camouflage) hat bearing the word "TRUMP" on the front, walked from the east area of the residence, and got into the driver's seat of the Honda. ROBERTSON drove the Honda out of the driveway and traveled a

short distance northbound into the parking lot of a church. ROBERTSON and UM-1 exited the Honda and walked into the church building.

- d. After several hours, UM-1 exited the church building and walked back to Residence-1.
- e. Approximately one hour later, ROBERTSON exited the church building and entered the Honda with another unknown male (hereafter "UM-2"). ROBERTSON and UM-2 drove out of the parking lot and out of sight. Several minutes later, ROBERTSON and UM-2 returned to the church parking lot in the Honda. UM-2 exited the Honda, and ROBERTSON drove to Residence-1.

7. After arriving at the residence, SA-1 and I spoke with ROBERTSON outside of the residence. The conversation began when I called out, "Mr. Robertson?" and ROBERTSON responded in the positive.

8. After advising ROBERTSON of SA-1's and my identities as Federal Law Enforcement Officers for the FBI, ROBERTSON admitted his username on Company-1 was winston4eagles. When I advised ROBERTSON that we would like to speak with him regarding a comment he had posted on Company-1's social media platform, ROBERTSON stated, "I said it was a dream!" ROBERTSON then said, "We're done here! Don't return without a warrant!"

9. A court authorized search of a social media company (“Company-2”) account registered to “Craig Robertson,” with ROBERTSON’s same email address and displaying the name “Craig D. Robertson,” showed ROBERTSON was living in Provo, Utah.

10. As part of this investigation, I have also reviewed public posts from Company-2’s social media platform made by ROBERTSON. Based on my review of those posts by ROBERTSON from that account, I know that ROBERTSON does, in fact, appear to own a sniper rifle and a ghillie suit, has made violent threats to murder public officials, and appears to possess numerous firearms (in addition to what appears to be a long-range sniper rifle). The search also yielded, in part, multiple posts regarding threats, violent acts, firearms, and the possession and use of firearms in furtherance of committing violence against government officials. The posts show ROBERTSON’s intent to kill, at a minimum, D.A. Bragg and President Joe Biden. The posts further show ROBERTSON’s intent to impede and intimidate SA-1, me, and other FBI special agents while engaged in the performance of our official duties and that ROBERTSON intended to retaliate against the FBI. The following are screenshots of the posts:<sup>2</sup>

Because this post was posted on March 21, 2023, subsequent to SA-1 and me speaking with ROBERTSON, I believe “jackboot Nazi FBI” refers to the FBI in general and to SA-1 and me in particular.

p.

I believe "MERRICK GARLAND" refers to AG Garland.

q.

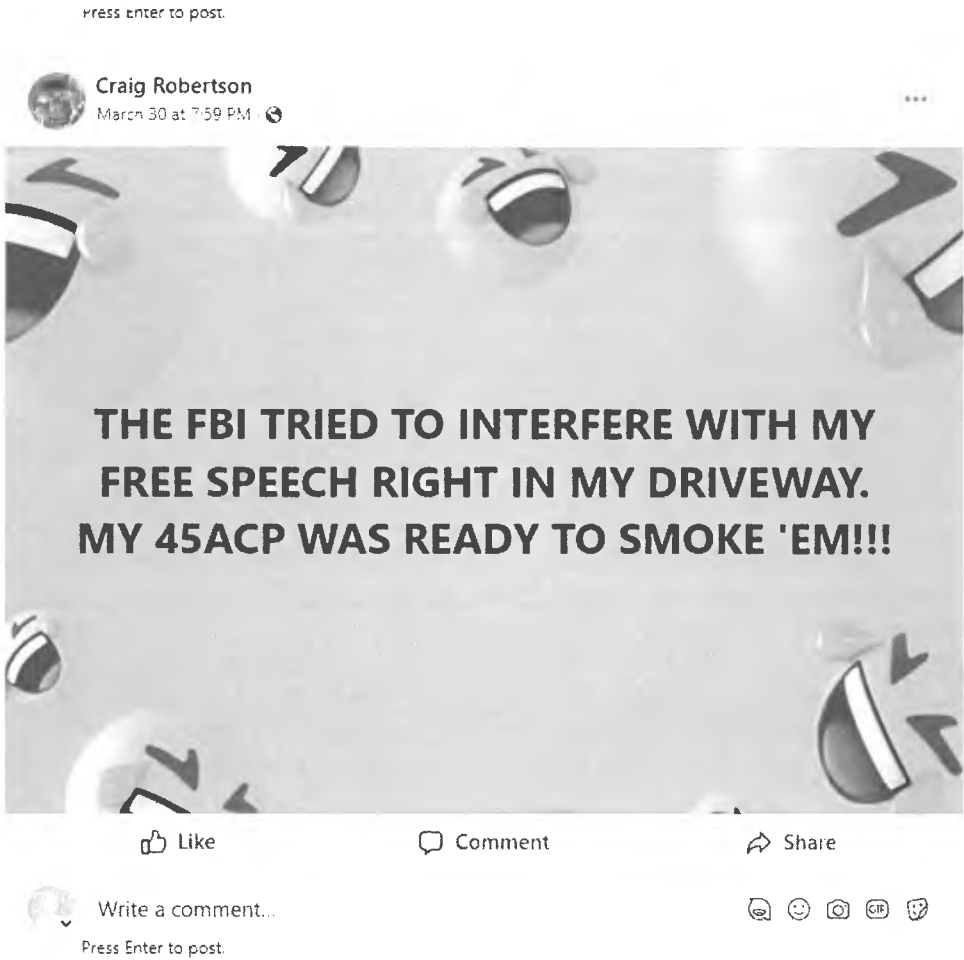

I believe this was posted on or about March 24, 2023. As such, I believe “YOUR AGENTS” refers to SA-1 and me, who spoke with ROBERTSON just five days prior on March 19, 2023, and informed him we were investigating his posting(s) on social media. I believe “VIOLENT ERADICATION” refers to ROBERTSON assaulting and murdering SA-1 and me by shooting us with a firearm. I believe he made this threat with the intent to impede, intimidate, and interfere with FBI special agents engaged in the performance of their official

duties and also had the intent to retaliate against such FBI agents on account of the performance of their official duties.

S.

I believe this was posted on March 25, 2023, as it was discovered on March 30, 2023. Additionally, I believe "YOUR AGENTS" refers to SA-1 and me who spoke with ROBERTSON on March 19, 2023, and "BANG" to be referring to being shot. Like the previous posting, I believe he made this threat with the intent to impede, intimidate, and interfere with FBI special agents engaged in the performance of their official duties and also had the intent to retaliate against such FBI agents on account of the performance of their official duties.

t.

I believe “FBI” refers SA-1 and me, “45ACP” refers to a .45 caliber handgun, and “SMOKE ‘EM’ refers to shooting SA-1 and me.

u.

I believe this was posted by ROBERTSON on Facebook on or about April 11, 2023. I believe "ALVIN" to be referring to DA Bragg and ROBERTSON intended this to be a true threat to shoot DA Bragg with firearm.

v.

I believe "ALVIN BRAGG" is DA Bragg. I believe ROBERTSON intended this to be a true threat to shoot DA Bragg with firearm.

I believe this, along with other postings I have reviewed to ROBERTSON's public social media accounts, demonstrate ROBERTSON is in possession of firearms capable of inflicting death and/or bodily injury and that he intends to use these

firearms and ammunition in furtherance of committing crimes of violence as alleged above in Counts 1-3.

x.

I believe this to be a threat of death against FBI special agents if any FBI special agents arrive at ROBERTSON's residence.

I believe this to be a threat of violence against President Biden.

The above post was published on, or about August 6, 2023. President Biden is scheduled to arrive in Utah on August 9, 2023. There have been media stories in Utah about President Biden's upcoming visit. I therefore believe this is knowing and willful true threat to kill or cause injury to President Biden using an M24 sniper rifle while being concealed by a ghillie suit during President Biden's visit to Utah.

Consistent with ROBERTSON’S threat to kill President Biden above, these posts show ROBERTSON dressed in a ghillie suite demonstrating his ability to conduct sniper tactics. While these postings are somewhat dated, they nevertheless show ROBERTSON has access to a ghillie suit and a long-range rifle. Indeed, ROBERTSON confirmed in his recent threat to kill President Biden from two days ago, that he will get out his “OLD GHILLIE SUIT” and “DUST OFF” his sniper rifle, thus indicating he has been in possession of these items for some time and is still in possession of these items. I believe that ROBERTSON intends to use them to commit crimes of violence discussed in this affidavit.

11. I respectfully request that this Complaint and Affidavit, as it reveals an ongoing investigation, be sealed until further order of the Court in order to avoid premature disclosure of the investigation, guard against flight, and better ensure the safety of agents and others, except that working copies may be served on Special Agents

and other investigative and law enforcement officers, federally deputized state and local law enforcement officers, and other government and contract personnel acting under the supervision of such investigative or law enforcement officers as necessary to effectuate the Court's Order.

12. Based on the foregoing information, I respectfully request that a warrant of arrest be issued for CRAIG DELEEUEW ROBERTSON for violations of 18 U.S.C. § 875(c), 18 U.S.C. §§115(a)(1)(B) and 115(b)(4), and 18 U.S.C. § 871(a).

I, Darin Schierbaum, am currently serving as the Chief of Police for the City of Atlanta and have served in that role since June 2022.

I have served as a sworn police officer for the City of Atlanta since 2003.

Prior to joining the Atlanta Police Department, I served as a Deputy Sheriff in Johnson County, Illinois for approximately ten years.

In August 2023, I became aware that the identities of members of one of the Fulton County Grand Juries serving for the July-August term of court had been listed on a website known to be a location where information for "doxing" people is listed. Those listings called for harassment and violence against the grand jurors.

I was able to determine that members of the Fulton County Grand Jury who returned a true bill of indictment against 19 people, including Defendant Donald J. Trump, on charges of racketeering and other felony allegations, were being contacted by people in harassing and/or threatening manners. The doxing included home addresses of the grand jurors whose names were found on the doxing website.

As a result of determining that doxing had occurred, the Atlanta Police Department enacted an operational plan to protect those that resided in the city of Atlanta. The Atlanta Police Department also contacted the Fulton County Sheriff's Office who in turn coordinated efforts with the other police departments where grand jurors resided outside the City of Atlanta. The Sheriff, the Atlanta Police Department, and other police departments with jurisdiction where grand jurors live coordinated to ensure that safety measures were put in place to prevent harassment and violence against the grand jurors.

On August 30, 2023, the Atlanta Police Department was able to determine that the Fulton County District Attorney and her family were doxed in a similar manner as the grand jurors. The doxing of the District Attorney established it was due to her indictment of Defendant Donald J. Trump.

A website where both the Grand Jurors who returned the indictment against Donald J. Trump and the Fulton County District Attorney is operated by a Russian company. They openly state on the website that the reason they are doxing the Fulton County District Attorney and the Grand Jury individuals is due to the indictment of Donald J. Trump.

The Russian company that is housing the doxing has refused to remove doxing information and the Federal Government has been unsuccessful in having such

information removed. Thus, the doxing of both the grand jurors and the District Attorney are permanent.

The actions taken by local law enforcement to protect the grand jurors, as well as the District Attorney and her family members, require a significant devotion of our capacity and represent a strain on law enforcement resources to allow them to complete their civic duty without being subjected to unnecessary danger.

**AFFIDAVIT OF FULTON COUNTY DISTRICT ATTORNEY'S OFFICE**  
**ASSISTANT CHIEF INVESTIGATOR OF THE TECHNOLOGY UNIT,**  
**GERALD WALSH**

Personally appeared before me, the undersigned officer duly authorized to administer oaths, Gerald Walsh, who first being duly sworn, on oath deposes and states that he is a citizen of the United States, 18 years of age or older, and employed by the Fulton County District Attorney's Office as a P.O.S.T certified peace officer. Affiant further states the following:

I, Assistant Chief Investigator Gerald Walsh conducted in synopsis the following investigation during the period of August 30 to September 1, 2023. I received a complaint on August 30, 2023 in reference to Madam District Attorney Fani T. Willis, being doxed. According to UC Berkeley, *Doxxing refers to the collection of a user's private information, across multiple platforms (including social media) by an unauthorized individual, who then publishes the information in an attempt to shame or embarrass the user.*

In working with members of the United States Department of Homeland Security (DHS), it was determined that Fani T. Willis is a victim of doxing, and that information was listed about her, her family members by name, ages with dates of birth, home physical addresses, phone numbers (VOIP and wireless), GPS coordinates, places of employment, work physical addresses, email addresses and social media user names. Information was intertwined with derogatory and racist remarks, such as "Degenerate...nigger" and "fuck this stupid bitch" and "bitch is own3d! Trump 2024".

The information was viewed on the dark web utilizing special equipment. The terms deep web and dark web are often interchanged loosely, but there is a difference between them and the surface web. The surface web is what is generally used by everyday users and is indexed. The surface web is where searches such as Google and others are completed by a user. The deep web is utilized by many people for usually non-criminal and legitimate uses such as electronic health records and banking records and is tied to many sites on the surface web. Dark web is where nefarious content is often kept and is not usually indexed or easy to find. One must know where they are going to get to or utilize the information, or systems can be damaged, a virus or malware can be picked up, or a user can just see criminal content that cannot be unseen. Criminals use the dark web for selling or trading illegal substances, firearms and human trafficking to describe a small amount of what is present.

The website where Madam District Attorney Fani T. Willis was being doxed was determined to be hosted in Russia and is known by DHS as to be uncooperative with law enforcement. The users who post on this particular site have doxed other District Attorneys and their families from multiple states, Judges and their families, along with federal employees and their families, and now also members of the Fulton County Grand Jury who voted to indict Former President Donald Trump and their families.

One of the same users that doxed Madam District Attorney Fani T. Willis, doxed the members of the Fulton County Grand Jury on the same site, to include names, home addresses,

phone numbers, relatives, and vehicle information. This user went so far as to say, "...how long would it take for Antifa to show up in their front lawns and work places?"

Due to this information in all likelihood not ever being removed off of the dark web and the owners/hosts of the websites being uncooperative with law enforcement or government process, the members of the Fulton County Grand Juries should have their personal identifiable information protected from access by the general public through the courts. Some information present on the internet regarding Grand Jurors is inaccurate and should not then be corrected or verified by being released by the courts to the general public without measures being taken to minimize potential danger to those who perform their civic duty serving on Grand Juries.
