Sidney,

Everything went smoothly yesterday with the Coffee County collection. Everyone involved was extremely helpful.

We are consolidating all of the data collected and will be uploading it to our secure site for access by your team. Hopefully we can take care of payment today.

Thank you and let us know if there is anything else that you need.

Sidney,

Good morning.

Per Jim Penrose's request, we are on our way to Coffee County Georgia to collect what we can from the Election / Voting machines and systems.

As per our existing agreement, I am attaching the invoice for our initial retainer. Please let me know if there are any questions or concerns.

If Tricia can send payment / Fed Ex label information as before, it would be much appreciated.

Thank you

Nevada must be paid by the campaign. I have seen none of that information. I am authorizing payment today for Michigan.

The Nevada team is still waiting on the judges ruling. I spoke to Jesse and he said the payment is in process. Let's hope we get discovery here in Nevada from the state Supreme Court. If so you will be back here before you know it!
