IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

ISIS BENJAMIN; FANTASIA HORTON; NAEOMI MADISON; BRYNN WILSON; and JOHN DOE; on behalf of themselves and all persons similarly situated, Plaintiffs, v. COMMISSIONER TYRONE OLIVER, in his official capacity; ASSISTANT COMMISSIONER RANDY SAULS, in his official capacity; STATEWIDE MEDICAL DIRECTOR DR. MARLAH MARDIS, in her official capacity; and CENTURION OF GEORGIA, LLC, Defendants.	Civil Action No. 1:25-cv-04470-VMC

PARTIAL FINAL JUDGMENT

The Court having granted Plaintiffs' Motion for Partial Summary Judgment (Doc. 71) and having found no just reason for delay, it is

ORDERED, ADJUDGED, AND DECREED that partial final judgment is **ENTERED** in favor of Plaintiffs and the following class members and against Defendants:

A. All individuals incarcerated in GDC[1] facilities who are receiving hormone therapy now proscribed by S.B. 185 or who were receiving hormone therapy proscribed by S.B. 185 on May 8, 2025. (Class Representatives: Horton, Wilson, and Doe).

B. All individuals incarcerated in GDC facilities not in Class A who identify as transgender and request hormone treatment now proscribed by S.B. 185. (Class Representatives: Benjamin and Madison).

It is **FURTHER ORDERED, ADJUDGED, AND DECREED** that the Court **ENTERS** the following permanent injunction:

> **As to Class A**: To the extent they have not done so already, Defendants are **DIRECTED** to immediately cease tapering hormone therapy doses to class members for the purpose of S.B. 185 compliance. Defendants are **FURTHER DIRECTED** to resume providing class members hormone therapy according to the applicable standard of care without regard to S.B. 185 compliance. Nothing in this injunction requires Defendants to increase the dosage of hormone therapy (i) against the wishes of the class member or (ii) at a rate that puts an inmate at an unnecessary risk of harm based on the reasonable medical judgment of Defendants' medical professionals.
>
> **As to Class B**: Defendants are **DIRECTED** to evaluate class members for hormone therapy according to the applicable standard of care without regard to S.B. 185

[1] "GDC" is an abbreviation for the Georgia Department of Corrections.

compliance. For the avoidance of doubt, this injunction does not require Defendants to affirmatively identify class members and schedule them for evaluations. It only requires Defendants to follow their usual procedures for evaluating class members who request or are referred for medical evaluation, or who requested or were referred for such evaluation prior to May 8, 2025, without regard to S.B. 185's ban on hormone therapy.

SO ORDERED this 3rd day of December, 2025.

United States District Judge
