B. Future Dangerousness of the Defendant

Do you, the jury, unanimously find that the Government proved, beyond a reasonable doubt, that the defendant BRENDT A. CHRISTENSEN is likely to commit criminal acts of violence in the future that would constitute a continuing and serious threat to the lives and safety of others, as evidenced by his demonstrated lack of remorse for his serious acts of violence; his expressed desire to be known as a killer; and his claims of additional victims and expertise in avoiding detection?
