The material is soft. It does run a tad small. Have not washed it yet to see if it shrinks. I can get back if it does.. wish the material was a little thicker. Has good stretch... Super cute. Super excited to have it.

The softest most comfortable shirt. Ladies shirts are typically to tight in the arms but this one fit so perfectly. I want all of my shirts to fit and feel like this one!

feels like the bella canvas material but thicker. it is short (i'm 5'11) so a large would fit me best length wise. definitely recommend!

The material is great, the fit is true to size and it washes well. I pair it with jeans, white sneakers and a white tank under for a casual day look & brown boots, jeans and NOTHING under it for a night out. I get so many compliments. Definitely recommend!

The colors were just as pictured. The material was very soft and cool in this Texas heat. I ordered a XL. I should have sized down so the fit was a little snug. I loved the shirt

This is a really cute tee but the only small issue is that the designs are almost like fabric printed on it. It's super soft and honestly really good quality but I wish the design wasn't like screen printed on it if that makes sense. But really cute and recommend!

Product Description

To Dear Buyer

【 Material Description 】 Canvas

【 Accessories structure 】 In the specification color block, Unframe beige means frameless painting, Frame gray means framed painting (including wooden frame + non-marking nails)

【 Product performance 】 Fine workmanship: select high-quality materials, high density, and durable. High-quality canvas, delicate and textured. Can be hung for a long time.

Good color fastness: The fine craftsmanship guarantees good color fastness, making the picture full of color, lifelike, and does not fade. You can enjoy painting as a leisure and relaxation after work.

Good beauty: The modern and simple style perfectly matches the home decoration in the room, enhancing the sense of art. Light up the entire room, reflecting the good and individual taste of the owner.

【 Applicable scenarios 】 Suitable for living room, bedroom, kitchen, office, hotel, restaurant and bar, etc.

【 Washing instructions 】 It is recommended to wipe and clean regularly.

【 Special Note 】 This size data is due to different measurement methods. The error of frameless pictures is within 1cm, and the error of framed pictures is within 3-4cm due to hemming problems. It is a normal phenomenon.

The smell was super strong right off the bat! Super pretty and high quality. Although I am a bit sensitive to smell so the strength of the smell did hurt my head in the beginning but now it doesn't hurt as much!
