THE GRAND JURY CHARGES:

COUNT 1  
CONSPIRACY  
[18 U.S.C. § 371]

AT ALL TIMES RELEVANT HEREIN:

**A. Background**

1. Defendant JEREMIAH MICAH DEARE (DEARE) was a United States citizen residing in or near Broussard, Louisiana. DEARE did not hold a Federal Firearms License in his individual capacity.

2. Defendant SARAH ELAINE FOGLE (FOGLE) was a United States citizen residing in or near Broussard, Louisiana. FOGLE did not hold a Federal Firearms License in her individual capacity nor was she the responsible party for the holder of a Federal Firearms License.

3. DAVE'S GUNSHOP, LLC (DAVE'S) is a Louisiana limited liability company. DAVE'S was the holder of a Federal Firearms License. DEARE is the

owner of DAVE'S and responsible party for DAVE'S Federal Firearms License.

4. DEARE operated DAVE'S from a storefront on Kaliste Saloom Road in Lafayette, Louisiana.

5. On or about August 13, 2019, a compliance inspection was conducted at DAVE'S by an Industry Operations Investigator from the Bureau of Alcohol, Tobacco, Firearms & Explosives (ATF). DAVE'S, through DEARE, was warned for violations of failing to complete an ATF-4473 (one time), failing to accurately keep acquisition and disposition records for dispositions (67 times), failing to accurately keep acquisition and disposition records for acquisitions (62 times), transferring firearms without having a final response from the National Instant Criminal Background Check System (two times), inaccurate completion of ATF-4473 forms (111 times), and for missing firearms.

6. On the same day, the Industry Operations Investigator provided an Acknowledgment of Federal Firearms Regulations. The purpose of the acknowledgment was to inform DAVE'S and representatives of DAVE'S, such as DEARE, of their responsibility as a Federal Firearms License holder in accordance with ATF's authority to regulate firearms. The acknowledgment also included a list of various firearms statutes from Title 18 and regulations from Part 478 of Title 27 of the Code of Federal Regulations. The "Acknowledgment & Signature" section bears DEARE's signature. By signing the acknowledgment, DEARE certified, among other things, that he understood that he was responsible for familiarizing himself with the laws and regulations governing the operation of DAVE'S.

7. On or about September 19, 2019, DEARE and FOGLE attended an in-person warning conference conducted by an Industry Operations Investigator at the ATF Field Office in Baton Rouge, Louisiana. The violations were discussed and DEARE was provided the opportunity to comment on the violations and articulate the corrective actions that would be taken to ensure that future violations would not occur.

**B. Pertinent Federal Law**

8. Federal Firearms License holders must comply with the Gun Control Act of 1986, as amended, 18 United States Code, Chapter 44, and the regulations issued thereunder in Part 478 of Title 27 of the Code of Federal Regulations. Compliance includes, but is not limited to, making certain that the actual transferee of a firearm completes a Department of Justice, Bureau of Alcohol, Tobacco, Firearms and Explosives, Form 4473 Firearms Transaction Record (referred to herein as “ATF-4473”), certification that the customer is the actual purchaser of the firearm being sold, and recordation of certain information about the transferee in the Federal Firearms License holder’s acquisition and disposition records (referred to herein as “Acquisition & Disposition Book”).

9. In addition, compliance includes, but is not limited to, completing a background check through the National Instant Criminal Background Check System (“NICS”) before completing the sale of a firearm to an unlicensed individual.

10. A background check must be made before any unlicensed individual can purchase a firearm from a licensed dealer. The background check allows the licensed dealer to verify information provided by the individual on the ATF-4473 certifying

that the individual is not a convicted felon or otherwise prohibited from possessing a firearm.

11. A “dealer” includes any person engaged in the business of selling firearms at wholesale or retail. 18 U.S.C. § 921(a)(11)(A).

12. A “licensed dealer” is any dealer who is licensed under the provisions of Chapter 44 of Title 18 of the United States Code. 18 U.S.C. § 921(a)(11)(A).

13. “Engaged in the business” means, as applied to a dealer in firearms, a person who devotes time, attention, and labor to dealing in firearms as a regular course of trade or business with the principal objective of livelihood and profit through the repetitive purchase and resale of firearms. However, such term does not include a person who makes occasional sales, exchanges or purchases of firearms for the enhancement of a personal collection or for a hobby, or who sells all or part of his personal collection of firearms. 18 U.S.C. § 921(a)(21)(C).

14. “With the principal objective of livelihood and profit” means that the intent underlying the sale or disposition of firearms is predominantly one of obtaining livelihood and pecuniary gain, as opposed to other intents, such as improving or liquidating a personal firearms collection. 18 U.S.C. § 921(a)(22).

15. A licensed dealer is not required to conduct a NICS check or complete an ATF-4473 for the sale or disposition of a firearm maintained as part of the licensee’s personal collection provided that (1) the licensee has maintained the firearm as part of such collection for one year from the date the firearm was transferred from the business inventory to the personal collection or otherwise acquired as a personal firearm; (2) the licensee recorded in the Acquisition &

Disposition Book the receipt of the firearm into the business inventory; (3) the licensee recorded the firearm as a disposition in the Acquisition & Disposition Book when the firearm was transferred from the business inventory into the personal firearms collection or otherwise acquired as a personal firearm; and (4) the licensee enters the sale or other disposition of the firearm from the personal firearms collection into a bound record under the format prescribed in the regulation. Any licensed dealer selling or otherwise disposing of a firearm from the licensee's personal collection shall be subject to the restrictions imposed by the Act and Part 478 of Title 27 of the Code of Federal Regulations on the disposition of firearms by persons other than licensed dealers. 27 C.F.R. § 478.125a.

16. Section 478.125a of Title 27 of the Code of Federal Regulations, pertaining to the disposition of firearms from a personal collection, was listed in the Acknowledgment of Federal Firearms Regulations signed by DEARE on or about August 13, 2019.

### **C. The Conspiracy**

17. Beginning on an unknown date but not later than on or about August 13, 2019 and continuing until on or about February 2, 2021, in the Western District of Louisiana and elsewhere, the defendants, JEREMIAH MICAH DEARE and SARAH ELAINE FOGLE, did knowingly and willfully combine, confederate and agree together and with others known and unknown to the Grand Jury, to commit offenses against the United States, that is, to willfully and intentionally engage in the business of dealing in firearms without a license in violation of Title 18, United States Code Sections 922(a)(1)(A) and 924(a)(1)(D), and in the course of such

business, willfully shipped, transported, and received in interstate or foreign commerce firearms, said firearms having previously traveled in interstate commerce, in violation of Title 18, United States Code, Section 371.

**D. The Object of the Conspiracy**

18. It was the object of the conspiracy that the defendants, JEREMIAH MICAH DEARE and SARAH ELAINE FOGLE, engaged in the business of dealing firearms without a license for the purpose of livelihood or pecuniary gain by acquiring and selling firearms without complying with the recordkeeping and background check requirements as set forth by statute and regulation.

**E. The Manner and Means of the Conspiracy**

19. In order to carry out the conspiracy:

- i. DEARE and FOGLE acquired large quantities of firearms and ammunition, including from but not limited to estate sales.
- ii. DEARE would not document the firearms in DAVE'S Acquisition & Disposition Book as required by federal law.
- iii. DEARE and FOGLE kept firearms at their residence and not place them into the store inventory at DAVE'S.
- iv. DEARE and FOGLE traveled with firearms not included in the store inventory for DAVE'S from the Western District of Louisiana to gun shows conducted at locations inside the Western District of Louisiana and other locations inside and outside the State of Louisiana.

- v. DEARE and FOGLE sold firearms at gun shows to non-Louisiana residents.
- vi. No background check or forms as required by federal law, including ATF-4473, were completed for the sales of firearms to non-Louisiana residents at the gun shows.
- vii. The failure to conduct background checks resulted in the sales of firearms to prohibited persons, including convicted felons. DEARE and FOGLE did not verify or be in a position to know whether the individuals to whom they were selling firearms were prohibited from possessing firearms.
- viii. The sales of firearms at gun shows outside the State of Louisiana were not conducted through a dealer licensed in the state where the gun show was conducted.
- ix. The proceeds from the sales of firearms at gun shows would not be included as revenue for DAVE'S but was instead used by DEARE and FOGLE for livelihood and pecuniary gain.
- x. Owners of firearms brought firearms to DAVE'S to be sold on consignment which were not logged into DAVE'S Acquisition & Disposition Book and were not placed for sale at DAVE'S.
