**2. The number of recidivist border crossers for whom DHS has applied expedited removal.**

From June 1 - 30, 2022, U.S. Border Patrol (“USBP”) applied expedited removal, 8 U.S.C. § 1225(b)(1), to 1,427 single adults who attempted to unlawfully enter the United States between a port of entry and who had previously been encountered by USBP and processed under Title 42 or Title 8 at least one time since March 20, 2020.

**3. The number of migrants that have been excepted from Title 42 under the NGO-supported humanitarian exception process.**

From the month of June 2022, CBP’s Office of Field Operations processed 8,792 Title 42 exceptions at the 6 ports of entry that utilize the above-referenced NGO-supported humanitarian exception process. The below shows the data broken down by port.<sup>1</sup>

- Hidalgo, TX: **3,781**
- Laredo, TX: **773**
- Eagle Pass, TX: **595**
- Paso del Norte, El Paso, TX: **1,137**

<sup>1</sup> Given a significant increase in the number of individuals who have presented themselves with situations that warrant humanitarian exceptions pursuant to the terms of the CDC’s Title 42 public health orders, DHS has, beginning July 13, 2022, begun to gradually increase the number of humanitarian exceptions it applies, subject to operational constraints.

- Nogales, AZ: 357
- San Ysidro, CA: 2,149

**4. Any material changes to policy regarding DHS's application of the Title 42 process.**

DHS reports that it has made no material changes to its policy on application of the Title 42 process.

Date: July 15, 2022
