**3. The number of migrants that have been excepted from Title 42 under the NGO-supported humanitarian exception process.**

<sup>1</sup> As noted in Defendants’ prior report, given a significant increase in the number of individuals who have presented themselves with situations that warrant humanitarian exceptions pursuant to the terms of the CDC’s Title 42 public health orders, DHS began on July 13, 2022 to gradually increase the number of humanitarian exceptions it applies, subject to operational constraints.

<sup>2</sup> Defendants note that on August 15, 2022, the plaintiffs in *Huisba-Huisba v. Mayorkas*, No. 21-cv-00100 (D.D.C.), a class action challenging the application of the Title 42 policy to family units, filed a motion for partial summary judgment on their claim that the Title 42 policy is arbitrary and capricious. The *Huisba-Huisba* plaintiffs seek entry of an order vacating and setting aside Defendants’ “Title 42 policy,” declaring that the Title 42 policy is arbitrary and capricious, and permanently enjoining Defendants from applying the Title 42 policy to class members. The court has set a hearing on plaintiffs’ motion for October 11, 2022.
