BY: CMGIN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MASSACHUSETTSL-3 COMMUNICATIONS SECURITY
AND DETECTION SYSTEMS
CORPORATION DELAWARE,

Plaintiff,

v.

AMERICAN SCIENCE &
ENGINEERING, INC.,

Defendant.

CIVIL ACTION NO. 04-10339-RWZ

**PLAINTIFF'S MOTION FOR LEAVE TO FILE
MEMORANDUM IN EXCESS OF 20 PAGES**

Pursuant to Local Rule 7.1(b)(4), plaintiff, L-3 Communications Security and Detection Systems Corporation Delaware ("L-3"), requests leave of the Court to file a memorandum in excess of 20 pages in opposition to the Defendant's motion to dismiss under Rule 12(b)(1). In support of this motion, L-3 states that defendant's motion to dismiss raised a number of fact-intensive issues concerning various conversations, documents, and court proceedings affecting whether L-3 had an objectively reasonable apprehension of being sued under the two patents-in-suit. L-3 found it necessary to discuss and analyze such materials in detail, and to provide a detailed presentation of the applicable legal precedents and how those precedents apply to the facts in this case, in order to fully respond to defendant's motion.

Respectfully submitted,

L-3 COMMUNICATIONS SECURITY AND
DETECTION SYSTEMS CORPORATION
DELAWARE
