

UNITED STATES DISTRICT COURT EASTERN DISTRICT OF MICHIGAN

CONRAD ROCKENHAUS, Petitioner

Register Number: 39400-480 FCI Milan 4000 E Arkona Rd Milan, MI 48160,

v.

LT. TARNESEIA PRINGLE, et al., Respondents.

Case No. 2:25-cv-12913 Hon. Johnathan Grey Mag. Judge Curtis Ivy Jr.

EMERGENCY TENTH SUPPLEMENTAL DECLARATION IN SUPPORT OF PETITION FOR  
WRIT OF HABEAS CORPUS

I, Adrienne Rockenhaus, next of friend to Conrad Rockenhaus, declare under penalty of perjury that the following is true and correct:

This Tenth Supplemental Declaration is filed on an emergency basis to inform the Court of a coordinated conspiracy by BOP staff to tamper with a federal witness (Petitioner) and to present new, irrefutable evidence that the U.S. Marshals Service deliberately fabricated Petitioner's criminal history to justify their violent and unconstitutional actions.

I. WITNESS TAMPERING AND OBSTRUCTION AT FCI MILAN

1. On the evening of October 2, 2025, following the retaliatory assault detailed in the Ninth Declaration, Petitioner's communications were severed. In an email sent just before this occurred, he detailed the events leading to the communication blackout. A true and correct copy of this email is attached as **Exhibit N**.
2. In this email, Petitioner states, "**...they are not happy with my intelligence and the tweets and told me to stop relaying things and I agreed...**" This is a direct confession from the victim that BOP staff illegally ordered him to stop reporting their criminal conduct. This is a blatant act of witness tampering.
3. Petitioner continues, "**...I think I have been cut off from calling you...**" This confirms that after he was threatened, his ability to communicate with his family and next of friend was severed. This is a deliberate and illegal obstruction of his access to counsel and aid.
4. This sequence of events proves the subsequent visit from the "good cop" lieutenant was not a random act of kindness, but the culmination of a multi-step conspiracy to threaten, silence, and isolate a federal witness.

II. THE FABRICATED CRIMINAL HISTORY: A PREMEDITATED CONSPIRACY

5. Through a FOIA request, we have obtained the U.S. Marshals Service "Individual Custody/Detention Report" for Petitioner. This document contains a maliciously and

demonstrably fabricated criminal history. A true and correct copy of the relevant pages from this report is attached as **Exhibit O**.

6. On page 11 of this official report, the U.S. Marshals Service falsely claims Petitioner has the following felony history:
  - **Burglary/Larceny/Theft:** 1 Arrest, 1 Conviction.
  - **Forgery/Fraud:** 4 Arrests, 3 Convictions.
7. These are profane lies. Petitioner has zero such convictions. This false history appears to be a malicious exaggeration of a single, dismissed charge for a bad check from many years ago.
8. The report also lists two arrests for "**Failure to Appear**." This is a particularly cynical lie, as the failure to appear was for the aforementioned dismissed charge, and the reason he "failed" to appear was because he was already a captive in the government's own federal jail for three years **pre-trial** in Texas, a fact his attorney at the time failed to address. They have charged him with the crime of not being free while they themselves were imprisoning him.
9. Critically, the date this false history was compiled is listed on the report as "**04/29/2025**"—the exact same day that U.S. Probation Supervisor Jeffry Konal authored the fraudulent "absconder" warrant. This is the divine proof that the fabrication of Petitioner's history was a premeditated act, part of a coordinated conspiracy to paint him as a career criminal to justify the Coven's escalating campaign of terror.

For these reasons, it is now proven that the very foundation of the government's entire posture in this case is a fiction they themselves created. They are persecuting a man based on a criminal history they invented. This, combined with the active and ongoing witness tampering at FCI Milan, places Petitioner in a position of intolerable and unconstitutional danger. I implore this Court to act.

I declare under penalty of perjury that the foregoing is true and correct. Executed on: October 6, 2025

Adrienne Rockenhaus, Next of Friend

Baby,

I'm trying to call you at 734-585-6277 and it rings once and it instantly clicks for the past few hours and [REDACTED] and it does the same thing. I am also trying to call my mom at [REDACTED] just to let you know that I'm okay and that number just rings and rings and there's no answer. Please let me know how I can contact you because I think I have been cut off from calling you they are not happy with my intelligence and the tweets and told me to stop relaying things and I agreed I just want to be able to speak with my wife. I love you and I miss you. I will try calling again before lockdown if I can get a phone back but I'm not sure if I will be able to I love you.
