During a presidential campaign in Grand Rapids MT, Candidate (2024) Donald J. Trump spoke about my case and mentioned me by name! Calling me out and labeling me as a prime example to Americas problem!! Although I was not present, I heard about his speech. On the night of March 26th B.O.V I was detained for crime that changed my life. Because I was remorseful for my actions on the 26th I turned my self in and cofessed to the murder of my partner at the time being. Knowing the B.O.V consequences it would bring. I stood tall and respectful B.O.V was when asked about the actions that took place on the night of March 24th, 2024. But what I did Not know was how everything could unfold on all News networks and Social Media outlets! From there my nightmare began, My life was now in the eyes of the public, friend or foe! Anyone in the U.S with access to a T.V. or phone had access to my Full name, Age, ethnicity, prior criminal History and what School I graduated from. The guilt and anguish I Felt, was Only a portion of what my family was going through B.O.V, I can only imagine. I was housed in Maximum at Kent County Correctional Facility, with my business displayed on T.V. I was an outcast. Not only did everyone see my personal business on T.V. but they now knew my personal B.O.V life B.O.V B.O.V Forcing me to isolate myself from others! It all became clear to me when I first met with my court appointed attorneys. They explained how my case had now gotten blown out of proportion and was now a High Profile case! The shock in their eyes and the tears from mine was reaction to my

realization that I was living everyones worst nightmare! To be publicly infamous, A target! To the United States of America from here everything went downhill, I was now labeled a cold blooded murderer in the eyes of the people of this nation. The anxiety and dispair I felt Compares to no other. Being a subject on pubic television made me a target, a risk to my case, A risk to my family and a risk to my life. I predented myself at my preliminary hearing and was repectful, although I was over whelmed by all the cameras and people in the courtroom, due to the fact that I had a high profi case. It felt worse when Staff and inmates Spoke their mind about my case in my pre-B.O.P. ense comments like "Smile for the Cameras" rot in prison" "Mr. Famous" dont kill me"... The nightmare wasn't when I was ~~asleep~~ asleep, It was going through my day, in my Skin, while they Spoke about me on pubic Television. Hearing about it and the way others laughed at how I was portrayed reassured me that labels and how a person views you is poweful! Seeing it myself, first hand Showed me that in the eyes of this nation, I was viewed as a threat. I was put into a category. Who I wa as a person NO Longer mattered! What only mattere was my race, My case and immigrationstatus! Once again it belitted me, Shattered my dignity and what I was as a person. "All this propaganda, before being Sentenced thought to myself wishing they dust change the Channal or better yet, turn off the T.V.!

the Shame it brought to my family name is a reality I have to live with now. I took full responsibility for my actions but for them to use my case for political gain on T.V. was unjust. Humiliating. when I thought it couldn't get worse it did. I was Centerstage in front of a Nation, pubulic scrutiny at it's finest!
Mean while, being, incarcerated I had to deal with the humiliation that came from seeing myself on the News and on political campaign Commercials. It was now football Season we would watch the Lions play, During Commercials they showed presidential Campaing propaganda for our B.O.P. crimes Comitted by illegan aliens, Labeling us like, Murderers rapists, Drugs traffikers... they displayed 5 individuals including myself. Below our mugshots. what we were "accussed of Captioned. Broken inside, with no resources while being incarcerated. I felt like I had no voice, while others used my name and public humiliation I felt isolated, Fear of what was consumed me to the point where I asked to be put on medications, to Cope with Situation. With public defenders at my Side, they could only do so much. So with all the publicity I knew one thing. I had to take any deal they offered me. I would never win. Not with how the media portrayed me! Coerced into taking any deal they offered, I Plead guilty to Second degree murder. At Sentencing I was Charged with Murder, Carjacking, weapons Charges My guideilines were 40 to 100 years, way over my guidilines for a first time offender.

Cameras outnubered the people in the Courtroom that day, I knew deep down it was because I was a political Sacrifice, Shattered by the out come, I expressed to my attorneys how unreal it felt, to have my life picked a part due to public Scruting, Going into the courtroom that day. Subconciously they had already made up. Their minds because of how I was portrayed on T.V. there for it was a foregone Conclusion.

V. **Notice to Plaintiff Regarding Consent**

In accordance with the provisions of 28 U.S.C. § 636(c) and Federal Rule of Civil Procedure 73, you are hereby notified that the United States magistrate judges of this district court may, upon your consent, conduct any or all proceedings in this case, including a jury trial and entry of a final judgment. If you consent, any appeal from a judgment entered by a magistrate judge shall be taken directly to the United States Court of Appeals for this judicial circuit in the same manner as an appeal from any other judgment of a district court.

Magistrate judges have greater flexibility in their schedules than district judges, who have heavy criminal caseloads that take priority over civil trials. Accordingly, the magistrate judges are generally able to schedule prisoner civil rights cases for jury trial much sooner, and they are able to provide firm trial dates. Magistrate judges are experienced trial judges who handle a great number of prisoner civil rights cases.

Your decision to consent to the dispositive jurisdiction of a United States magistrate is entirely voluntary. If you do not consent to a magistrate judge, the case will be randomly assigned to a district judge. The magistrate judge already assigned to this case would continue to decide all pretrial matters and would handle all dispositive motions by report and recommendation.

Please check **ONE** box below to indicate whether you voluntarily consent to proceed with a United States magistrate judge or if you would instead prefer that the case be assigned to a district judge.

☐ I hereby voluntarily consent to the United States magistrate judge conducting all proceedings in this case, including entry of a final judgment and all post-judgment matters.

☑ I request that this case be assigned to a district judge.
