On November 22, 2022, the Court issued an Order granting in part and denying in part Movants Minnesota Reformer and Tony Webster’s (“the Media Intervenors”) Motion to Intervene and Unseal Search Warrant Materials, ECF No. 5. *See* ECF No. 21. In relevant part, here, the Court granted the Media Intervenors’ request to “unseal the docket sheet for this case,” but gave the Government the opportunity to first “review the docket entries and propose redactions for any revealing references.” *Id.* at 13.

On December 1, 2022, the Government filed its Submission Concerning Proposed Redactions to Docket Sheet in this Matter. ECF No. 22. The Government notes that it “has reviewed the entire docket sheet, including entries that are currently under seal and not visible to the general public.” *Id.* at 1.
