Dear Judge:

The State writes regarding the Court’s Memorandum (Dkt. 228) and Order and Judgment (Dkt. 229) in the above-captioned cases.<sup>1</sup> The State is considering filing a motion for reconsideration and/or a motion for a stay pending appeal in the district court as required by Federal Rule of Appellate Procedure 8(a)(1), and requests a conference with Your Honor to discuss a briefing schedule for these potential motions. For example, the Order and Judgment provides that “the effect of this Order and Judgment is *sua sponte* stayed for thirty days.” (Dkt. 229). However, that will not be enough time for an appeal in this matter to be resolved. Thus the State expects that a motion to this Court for a stay pending appeal is necessary, and seeks to confer with the Court about the briefing schedule for that motion and a potential motion for reconsideration.

Thank you for your consideration.

Respectfully yours,

/s/ Christopher J. Ioannou
