26
27
28

1 13. Venue in the Southern Division of the United States District Court,
2 District of Nevada is proper under Rule 1-6 of the Local Rules of Practice for the
3 District of Nevada because a substantial part of the events or omissions giving rise
4 to Plaintiffs' claims occurred in Clark County, Nevada.

6 14. The Plaintiffs bring this action under Nevada Revised Statutes,
7 Chapter 11; Added by 2023 Nev. SB 129, § 1, which eliminated the statute of
8 limitations for a victim of a sexual assault to commence an action against the
9 alleged perpetrator for damages arising from sexual abuse.

11 **GENERAL FACTUAL ALLEGATIONS**

12 15. For decades, defendant Cosby engaged in the serial sexual assault of
13 dozens of women for his sexual gratification by drugging women and using unknown
14 substances to incapacitate them.

16 16. Each Plaintiff was sexually battered, assaulted, and abused by
17 defendant Cosby in the same or similar manner, as a part of the same conduct,
18 occurrence, plan, or scheme that was perpetrated, conducted, organized, and/or
19 performed in Nevada by defendant Cosby.

21 17. All these sexual assaults and batteries took place in a similar manner
22 between approximately 1979 and 1992 in Nevada. Several of the incidents took
23 place in Cosby's suite in the same Las Vegas hotel.

25 18. For each of these Plaintiffs, defendant Cosby used his enormous
26 power, fame, and prestige, and claimed interest in helping them and/or their careers
27 as a pretense to isolate and sexually assault them.

1 26. During the mentoring session in Cosby's suite, Cosby provided Ms.
2 Lublin with two beverages and instructed her to drink the beverages to help her
3 relax and improvise more effectively.
4

5 27. Ms. Lublin drank the beverages at Cosby's direction.

6 28. Upon information and belief, Cosby had placed or caused to have
7 placed an intoxicant in the beverages, without Ms. Lublin's knowledge or consent,
8 prior to giving the beverages to Ms. Lublin.
9

10 29. After drinking the beverages, Ms. Lublin felt dizzy and became
11 incapable of moving of her own volition.

12 30. As Ms. Lublin began to feel the effects of the beverages, Cosby grabbed
13 her wrists, pulled her between his legs, and held her in place with his legs. He then
14 began stroking Ms. Lublin's hair while masturbating.
15

16 31. Once incapacitated, Cosby dragged Ms. Lublin to the bedroom of the
17 suite.
18

19 32. While incapacitated, Ms. Lublin felt forcible vaginal pressure and
20 penetration from Cosby's hand and fingers.

21 33. Once Cosby had isolated and incapacitated Ms. Lublin, Cosby engaged
22 in sexual acts with Ms. Lublin, including penetration, without her consent and
23 against her will.
24

25 34. Ms. Lublin did not have the mental or physical capacity to consent to
26 or resist any sexual acts that were perpetrated against her by Cosby.
27
28

1 42. Shortly after drinking the beverage, Ms. Bernard felt dizzy,
2 disoriented, and giddy.

3 43. Because of the effects of the beverage, Ms. Bernard fell while in the
4 suite.
5

6 44. After falling, Ms. Bernard was unable to move and lost consciousness
7 because of the effects of the beverage.
8

9 45. When Ms. Bernard awoke, she was naked, lying on her back, and had
10 difficulty moving. Cosby was naked by her feet.

11 46. Ms. Bernard told Cosby that she did not want to have sex and cried
12 out for help.
13

14 47. Despite her pleas, Cosby raped her by penetrating her vagina with his
15 penis.

16 48. Ms. Bernard attempted to fight off Cosby during the rape but was
17 unable to stop him because of the effects of the beverage he had provided to her
18 earlier that evening.
19

20 49. To silence Ms. Bernard's protests, Cosby placed a pillow over her face,
21 preventing Ms. Bernard from breathing.
22

23 50. After removing his penis from Ms. Bernard's vagina and ejaculating
24 on Ms. Bernard, Cosby removed the pillow from Ms. Bernard's face. Ms. Bernard
25 remained incapacitated by the beverage and lost consciousness again.

26 51. When Ms. Bernard next awoke, she was still incapacitated, and Cosby,
27 who was naked, was cleaning Ms. Bernard with a wet towel.
28

1 72. While at dinner, Cosby offered Ms. Cooper a beverage, which she
2 accepted.

3 73. The beverage was brought to the table by an employee of Cosby.
4

5 74. Upon information and belief, Cosby had placed or caused to have
6 placed an intoxicant in the beverage, without Ms. Cooper's knowledge or consent,
7 prior to giving the beverage to Ms. Cooper.
8

9 75. After Ms. Cooper sipped the beverage, Cosby insisted that she drink it
10 all, to which she complied.

11 76. Before Ms. Cooper had a chance to eat dinner, Cosby informed her that
12 they did not have time, and escorted her to his dressing room.
13

14 77. As she was being escorted to the dressing room, Ms. Cooper felt
15 disoriented, wobbly, and uncoordinated.

16 78. Once isolated in his dressing room, Cosby vaginally raped Ms. Cooper
17 with his penis.
18

19 79. Ms. Cooper resisted and told Cosby to stop, but he did not.

20 80. When Cosby raped Ms. Cooper, she was still feeling the effects of the
21 beverage, including an inability to move.

22 81. Cosby engaged in sexual acts with Ms. Cooper, including penetration,
23 without her consent and against her will.
24

25 82. Ms. Cooper did not have the mental or physical capacity to consent to
26 or resist any sexual acts that were perpetrated against her by Cosby.
27
28

1 83. Cosby knew or should have known that Ms. Cooper was mentally or
2 physically incapable of consenting or resisting when he engaged in sexual acts with
3 her.
4

5 **PLAINTIFF LINDA KIRKPATRICK**

6 84. In or around 1981, Ms. Kirkpatrick met Cosby when playing tennis in
7 Las Vegas, Nevada.
8

9 85. After they met, Cosby invited Ms. Kirkpatrick to attend one of his
10 shows in Las Vegas, and she accepted his invitation.
11

12 86. When she arrived at the show, Ms. Kirkpatrick was invited backstage.
13

14 87. Once backstage, Cosby gave Ms. Kirkpatrick a beverage, which she
15 partially drank.
16

17 88. Upon information and belief, Cosby had placed or caused to have
18 placed an intoxicant in the beverage, without Ms. Kirkpatrick's knowledge or
19 consent, prior to giving the beverages to Ms. Kirkpatrick.
20

21 89. After Ms. Kirkpatrick drank the beverage provided by Cosby, she
22 blacked out, and was in and out of consciousness.
23

24 90. During a moment of consciousness, Ms. Kirkpatrick found herself lying
25 on the floor of Cosby's dressing room, incapacitated, with Cosby atop her, forcefully
26 kissing her and reaching into her pants, with his penis pressed against her. She
27 was unable to resist due to incapacitation and paralysis from the beverage.
28

91. Cosby engaged in sexual acts with Ms. Kirkpatrick, including
penetration, without her consent and against her will.

1 109. Upon information and belief, Cosby had placed or caused to have
2 placed an intoxicant in the beverage, without Ms. Leslie's knowledge or consent,
3 prior to giving the beverage to Ms. Leslie.
4

5 110. Ms. Leslie sipped some of the drink at Cosby's direction.

6 111. Cosby then directed Ms. Leslie to wet her hair, which she did in the
7 bathroom, assuming it would be for another acting scene. When she returned from
8 the bathroom, Cosby was sitting on his bed, wearing only a white robe.
9

10 112. Cosby then, without Ms. Leslie's consent, grabbed Ms. Leslie's hand,
11 covering it in lotion.

12 113. Cosby then, without Ms. Leslie's consent, forced Ms. Leslie's hand onto
13 his penis and forced her to masturbate him, by holding and moving her hand on his
14 penis.
15

16 114. Cosby then tried to climb atop Ms. Leslie, but she fought him off.

17 115. Cosby briefly went to the bathroom, and when he returned, told Ms.
18 Leslie that she needed to leave because he had a phone call; Ms. Leslie fled the
19 suite.
20

21 116. Cosby engaged in sexual acts with Ms. Leslie without her consent and
22 against her will.
23

24 117. Ms. Leslie did not consent to any sexual acts that were perpetrated
25 against her by Cosby in his suite.

networking purposes.

119. Ms. Abeyta was first introduced to Cosby in Cosby's dressing room,
while other people were present, after Cosby performed a show in Las Vegas,
Nevada.

120. During their initial meeting, Cosby had his friend/colleague brought
Ms. Abeyta to his suite under the pretense that they could continue their initial
meeting that began in the dressing room.

121. While in his suite that evening, Cosby invited Ms. Abeyta to attend a
dinner show with him and others the next evening.

122. That evening, Ms. Abeyta slept alone in one of the several bedrooms
within Cosby's suite.

123. The next evening, at the dinner show, Ms. Abeyta was provided with
a beverage.

124. Upon information and belief, Cosby had placed or caused to have
placed an intoxicant in the beverage, without Ms. Abeyta's knowledge or consent,
prior to giving the beverage to Ms. Abeyta.

125. After Ms. Abeyta drank the beverage, she felt dizzy and required
assistance to return to the suite.

1 126. After the dinner show ended, Cosby returned to the suite, where Ms.
2 Abeyta was alone, sitting in the living room area.

3 127. When Cosby returned, he put a pill in Ms. Abeyta's mouth without her
4 consent, under the pretense that it would relax her.

5 128. Shortly after swallowing the pill, Ms. Abeyta blacked out.

6 129. When Ms. Abeyta awoke, she was in Cosby's bedroom, within the suite,
7 with Cosby naked and atop her.
8

9 130. Ms. Abeyta also recalls touching Cosby's penis in her compromised
10 state, and the bed being wet, potentially from Cosby's ejaculate.

11 131. That same evening, as Ms. Abeyta was regaining her consciousness
12 and clarity of mind, Cosby placed a second pill in her mouth, without her consent,
13 causing her to black out again.
14

15 132. The next morning, Ms. Abeyta's legs were sore, and she had bruises on
16 her legs, including on her inner thighs.
17

18 133. Upon information and belief, Cosby engaged in sexual acts with Ms.
19 Abeyta, including penetration, without her consent and against her will.
20

21 134. Ms. Abeyta did not consent to and did not have the mental or physical
22 capacity to consent to or resist any sexual acts that were perpetrated against her
23 by Cosby in his suite.
24

25 135. Cosby knew or should have known that Ms. Abeyta was mentally or
26 physically incapable of consenting or resisting when he engaged in sexual acts with
27 her.
28

PLAINTIFF HEIDI THOMAS

1
2 136. In or around 1984, Cosby invited Ms. Thomas to travel from Denver,
3 Colorado to Reno, Nevada, under the pretense that he wanted to coach and mentor
4 her as an actress.
5

6 137. When Ms. Thomas arrived in Reno, Nevada, she was taken by car to a
7 private property where Cosby was staying.
8

9 138. As part of the supposed mentoring session, Cosby asked Ms. Thomas
10 to read a monologue of a character who was intoxicated.

11 139. When Ms. Thomas told Cosby that she did not drink alcohol, Cosby
12 insisted that she try an alcoholic beverage to aid her acting.
13

14 140. Cosby provided Ms. Thomas with a beverage under that pretense.

15 141. Upon information and belief, Cosby had placed or caused to have
16 placed an intoxicant in the beverage, without Ms. Thomas' knowledge or consent,
17 prior to giving the beverage to Ms. Thomas.
18

19 142. Ms. Thomas sipped the beverage provided to her by Cosby.

20 143. After Ms. Thomas drank the beverage provided to her by Cosby, Ms.
21 Thomas blacked out, and was in and out of consciousness for several days.
22

23 144. During one moment of consciousness, Ms. Thomas found herself in bed
24 with Cosby, who was naked and forcing his penis into her mouth.

25 145. Cosby engaged in sexual acts with Ms. Thomas, including penetration,
26 without her consent and against her will.
27
28

1 146. Ms. Thomas did not consent to and did not have the mental or physical
2 capacity to consent to or resist any sexual acts that were perpetrated against her
3 by Cosby.
4

5 147. Cosby knew or should have known that Ms. Thomas was mentally or
6 physically incapable of consenting or resisting when he engaged in sexual acts with
7 her.
