Exhibit 2 Statement Complaint

Affidavit Of Truth and Statement Complaint For Cases # 2014KN079363 and 2014KN082519

1. The history of the cases # 2014KN079363 and 2014KN082519

- a) Both cases occurred after a previous disposition of the same, vtl 511, unconstitutional charge on October 14, 2014 with the seal of cpl 160.50 which states all public records, finger prints, plates and accusatory instruments be returned to me 5 days after disposition. Instead I was wrongfully arrested, again, 5 days after disposition, resulting in double jeopardy.
- b) The same vtl 511 charges were brought up two different times. It is an unconstitutional violation to my right to travel.
- c) The second arrest occurred while I was parked in front of my girlfriend's house. My automobile was turned off and I was texting on my phone. A police officer knocked on my car window and asked me if I was drunk. I told him that I was not drunk. Then he ordered me to come out the car and take a Breathalyzer test. I replied, I give no consent to this interrogation, then called 911 and made a report.

2. Event that took place

- a) No rebuttal to my affidavits from the ADA in writing in a timely manner.
- b) The affidavits that I presented are (1) administrative notice and demand a judicial notice of offer of proof, demand for verified complaint, (2) affidavit of lack of standing and no corpus delicti with motion to dismiss/strike for lack of standing and no corpus delicti, and (3) affidavit of a constitutional challenge and demanding the charging agent to certify the charges based in valid existing law pursuant to the constitution and specific to the bill of rights.
- c) An order of default and dismissal was mailed to judge Kalish on February 20, 2015, yet the case still proceeded in default.

3. Issue concerning jurisdiction

- a) I am Sage-El, an Empire Washitaw Muur/Moor national and holder in due course for dba name Hall, Winston Gregory.
- b) My authenticated birth certificate (certificate of title) with Secretary of State, John F. Kerry's Signature and my affidavit pursuant to general rule 220 was assigned to the case but still continued without rebuttal.
- c) In both cases files (accusatory instrument) I affixed an authenticated vessel lien & contributing beneficiary statement that value (\$)1,000,000,000,000.00 In gold and silver.

4. My experiences encountered in trial with judges

- a) Whenever I, Sage El, made a special appearance to the court, the judges waited until the courtroom was empty before they called my case.
- b) Judge Kalish and Gerstein both removed their robes on two occasions in the court and left the courtroom for 15 minutes or more. Upon their return, they continually referred to me by my dba name, WINSTON HALL, which I, Sage El, corrected and stated for the record my title of nobility. Yet, each judge denied my status.
- c) On one of my special appearances, I was called up for arraignment four times by judge Kalish.
- d) On April 22, 2015, Judge Gerstein forced me into an unconstitutional preliminary bench trial without a public trial or any jury. That same day, he sent me to room AP3 on second call without my name assigned to that room.
- e) I encountered ADJ Quinones, J: who was belligerent and biased, denied me of my right to free speech and right to defend myself by not answering questions; and committing treason with the ADA to falsify records to make a conviction with me.
- f) ADJ Quinones adjourned the case to the following week, April 30th. That week, in court, she issued a warrant for my arrest, even though she stated I wouldn't waive any of my rights by not entering the well in the court. Then I stated my refusal to enter the well and the case should be dismissed because this case is in default. I was arrested outside the court by the same police officer (Chukwuem Okuzu) without producing an warrant for my arrest. I was unlawfully arrested for aggravated operating a motor vehicle while I was standing on the sidewalk outside the court building doing an interview with NPR with reporter Joel Rose. I was brought back up to the court room then ADJ Quinones denied me my rights to defend myself and order an attorney on the case and he also falsified the record with

the ADA Chelsea Toder making a request to remand me with \$3,000 bail. An attorney was assigned May 12th to the case with little information about the case and forced a speedy unconstitutional bench trial set for May 26, 2015.

5. On May 26, 2015 I made a special appearance to the court, on entering the court room I took a look on the attendance sheet for the court and my appellation was not on for the day , then I use my phone and record the docket sheet for the day without my appellation on it , then I left the court. Quinones, J then issue another unlawful warrant to arrest my estate .
