**Reason for Substitute Service in case nr VN/25106/2023**

Recipient of Service: Mr. Richard Schueler

Address of Recipient: Korkeavuorenkatu 41 A 8, 00130 Helsinki, Finland

According to our civil registry, the intended recipient has a permanent address at the residence listed above. Attempts at contacting Mr. Schueler have been made since the 13<sup>th</sup> of September 2023, initially by letter, telephone, and text message. After the initial contact attempt provided no results, the process server attempted to contact Mr. Schueler directly at his residential address on the 29<sup>th</sup> of September. At least three contact attempts were made at Korkeavuorenkatu 41 A 8 between the 29<sup>th</sup> of September and the 24<sup>th</sup> of October, with the process server leaving behind a contact request form on at least two of those occasions. Other attempts at further phone calls and text messages were performed, but none resulted in a reply.

The multiple attempts of contacting Mr. Schueler (using different methods) over a period lasting nearly seven weeks have given ample time for response from Mr. Schueler. As this is a civil matter and service is to be performed in accordance with domestic Finnish legislation, it is the decision of this process server that these documents shall be served through the method of *Substitute Service*, in accordance with the Finnish Code of Judicial Procedure (Oikeudenkäymiskaari 4/1734), section 11 (7).

Notice of service will be sent to Mr. Schueler's address and the documents to be served will be deposited at the Helsinki Police station (Poliisitalo 1, Pasilanraito 13, 00240, Helsinki), where they will remain available for pick up for 21 days from the date of service (October 31st).

In Helsinki, on the 31<sup>st</sup> of October 2023

Process Server Antti Vehi
