Re: *In re 650 Fifth Avenue and Related Properties*, No. 08-cv-10934 (LAP)
and Consolidated Actions

Dear Judge Preska:

I write on behalf of Sylvius von Saucken, as Trustee of the 650 Fifth Settlement Trust (the “Trustee”) to supplement the Trustee’s letter-motion to seal filed on February 26, 2026, ECF 2490 (the “Motion”).

The Trustee respectfully requests that the Order Establishing Trustee and Third-Party Payment Protocols, dated February 24, 2026 (the “Order”) be sealed not only from the public, but also from parties who have appeared on ECF in this action and the related actions who are not parties to the Settlement Agreement approved by the Court on January 17, 2025.

As explained in the Motion, sealing the Order in full is appropriate in order to protect information in the Order that implements the terms of the sealed Settlement Agreement. Because there are parties who have appeared in this action and the related actions who are not parties to that agreement, disclosure of the Order to those parties, like disclosure to the public, would reveal information encompassed by the sealed settlement materials and thereby frustrate the protections afforded by the Court’s sealing of that agreement.

We thank the Court for its attention to this matter.

Respectfully Submitted,

/s/ Judith L. Swartz
