CASE # 1:14-cv-00190

Request to Amend Complaint

Your Honor, This plaintiff would like to Amend his complaint to include and clarify information that may not have been ledgable and or incorrectly stated.

AMENDMENT

Again on 2-27-13 I was arrested by the TWO detectives that I have named in this complaint. I was charged with robbery, I was shown a video that supposedly was proof that I was involved in a robbery; in actuality the video produced no proof and established that I was not in the video, I was placed in a line up and excluded as not a suspect and I was placed in jail

Deapite all evidence for me and excluding me I was still treated like a criminal and falsely charged. I was forced to sit through long interviews to gain a confession for a crime that I did not commit.

This plaintiff has named two arresting detectives of the N.Y.C. police Department as defendant ^{Raymond Shield # 434} ^{James Gillespie # 7400} as the primary defendants based on the following facts: On the above listed date this plaintiff was taken to the 7th precinct in Manhattan and questioned by said detectives about an alleged Robbery attempt.

I was shown a video in their possession and immediately noticed that they had the wrong suspect as the video did not identify me. The defendants insisted that I was the individual in the video and proceeded to state that an eyewitness was in fact ready to identify me.

I was placed in a line-up and the eyewitness did not identify me as the suspect. The defendants then pursued an intense questioning tactic and demanded that I confess or they would make my life a "living hell". In keeping with their word and promise, I was falsely charged with the alleged Robbery attempt despite all of the evidence that cleared me.

On 10-15-13 this plaintiff appeared at the scheduled court date to appear in answer to the false charges against me only to be told that all charges had been dropped and dismissed by the District Attorney's Office and that they dismissed three weeks prior to that court date.

This plaintiff suffered being wrogfully and falsely arrested, charged, jailed and mistreated only to be exonerated when I insisted that the evidence had been for me and the defendants knew what they were doing was wrong.

They clearly stated to this plaintiff that they did not give a "F___" we're still charging you". This plaintiff spent a total of seven days in jail, suffered severe depression and mental anguish to the point of being medically treated and hospitalized.

This plaintiff was seperated from my family and life situations that set me back finacially and affected my responsibilities pertaining appointments and obligations within the time frame of my arrest and detained period.

In terms of damages, this plaintiff is seeking punitive damages to be determined by the Jury and court at the end of the requested trial. This plaintiff seeks Declaratory Judgement for the court to enforce on my behalf. *And monetary compensation in the amount of \$ 500,000.*

This plaintiff has previously file a Complaint and the crux of the case has been detailed for the court. This Amended Complaint is in compliance with the court's request.

The original Coplaint was sent in January of this year and this Amended Complaint is now put forth for the court's calender date to be set. This Plaintiff would like to thank the Clerk and Court for their patience and I hope that the case may now proceed into Discovery phase.
